UNANIMOUS VOTE FOR MUNICIPAL WATER

The Ordinance Providing for the Construction of a Water Plant by the City of Carbondale Passes Final Reading in the Select Council Without a Dissenting Vote.

As forecasted in the Tribune yesterday, the municipal water plant ordinance passed select council on final reading last night, and by a unanimous vote, and Carbondale's ownership of a water system became a certainty so far as the acquiescence of councils was concerned.

The vote, as stated before, was unanimous, and the session was decidedly more interesting than the previous meeting of Monday night, when some displeased spectators gave a few of the prospective projectors a galling time when there were indications of opposition to the ordinance.

The noteworthy incidents of last night's meeting were the scolding that Mr. Battle and Mr. Thompson gave to those who criticized their conduct on Monday night when they insisted on having the vote on final reading deferred until last night, in order to allow ample time to consider the discrepancy between the bond issue as provided for and the city engineer's estimate, which was shown to be \$28,000.

SUDDEN DEATH OF JAMES GILHOOL

After Eating a Lunch He Retires and Is Found Dead by His Grandson Who Slept Beside Him—Heart Disease Supposed Cause of Death.

James Gilhoel, aged 65 years, a pioneer resident of Carbondale, and greatly esteemed in this community, was summoned to depart this life yesterday morning under unusual circumstances.

Mr. Gilhoel retired about midnight, after partaking of a lunch, as was customary, and at about 3 o'clock he was discovered to be dead by his grandson, who slept beside him.

The grandson was aroused by a loud conversation that he was carried on between other members of the family, and turning about he noticed that his grandparent was in a peculiar position, and on the boy calling his uncle, the old gentleman was found to have passed away.

About two years ago, Mr. Gilhoel sustained injuries by reason of a fall that weakened his powers, and he has since been more or less infirm. Heart disease, superinduced by his age and his lowered vitality, because of his injuries, is supposed to be the cause of death.

He was born about sixty-five years ago in County Sligo, Ireland, but removed to this country when little more than a child. Most of his life was spent in Carbondale.

He was the father of fourteen children, six of whom, beside his widow, survive him. They are: T. A. Gilhoel, Mrs. Michael Kelly, Miss Winifred Gilhoel, Mrs. Thomas Libby, Joseph Gilhoel and Mrs. J. H. Schaefer. Mrs. John Killen is the only surviving sister. All are of this city.

The funeral will be held Monday morning, the cortege leaving the house at 9 o'clock. At St. Rose church a requiem mass will be celebrated, after which burial will be made in St. Rose cemetery.

The death of our townsman, Orville, of which brief mention was made in Tuesday's Tribune, the vicinity has lost a very energetic and highly respected citizen and the family a loving husband and a thoughtful and indulgent father. He was seventy years of age, had five children, ten sons and three daughters, of the late Ralph Chapman, of Connecticut. The family moved from Connecticut to Hamilton, Wayne county, this state, when Orlando, the subject of this sketch, was about ten years of age. He preceded the family a brief period of time, coming all the way in an ox cart. Six of his brothers and one sister survive him. He was born in Glensburgh, Conn., on April 10, 1834. Mr. Chapman was twice married, first to Miss Esther Hall, a sister of the late Captain Preserved Hall, in the year 1855; she died ten years later. He was then married, in 1865, to Miss Ellen Decker, a sister of the late George Decker, of West Scranton. By his marriage he raised a family of five children, who, with his wife, survive him. Mr. Chapman was a butcher here for many years and was extensively known throughout this vicinity. His seventh birthday was fittingly observed on April 10 last by the family, he feeling certain that it would be his last. His son resides in Clark's Green; his daughters, Mrs. Gottlieb Deitz, in South Scranton; Mrs. Albert Wheeler, at Clark's Green; Mrs. Ira Lewis, in Benton; and the youngest, with her mother at the homestead at this place. He moved to this vicinity in 1860, and with the exception of four years, two of which were spent in the summer vacation from Philadelphia, he resided in this immediately thereafter, very active in business early and late. The funeral was held on Tuesday afternoon at 2 o'clock and was

"I took Peruna in early spring, receiving glorious benefits from same. Before taking Peruna I suffered with catarrh, always felt tired and had a dull headache. A friend of mine told me of Peruna.
