GEIGEL'S HORSE WAS ARRESTED

BOROUGH POLICEMAN IN OLD FORGE HELD IT UP.

Officer Contended That the Horse Should Have a License to Travel Through Town-Postmaster Ripple Inspects Local Carriers and Branch Office-Fire Was Prevented by the Prompt Action of Patrolman Hart. Hampton Street Church Free from Debt-Notes and Personals.

Adam Fox, a huckster in the employ of John Geigel, the West Lackawanna avenue market man, was held up in Old Forge yesterday by Borough Polleeman Pasquella Jordan, who alleged that the huckster was selling goods without a license. When Fox produced his license the officer arrested the horse, claiming that the animal was not licensed. When Fox returned to the city and

Informed Glegel of what had occurred the latter went before Alderman Kelly and caused a warrant to be issued for Jordan's arrest, charging him with highway robbery in confiscating the horse wagen and produce.

Constable Edward Swartz, of Alderman Kelly's court, went to Old Forge with the warrant and served it, and Jordan entered bail for his appearance at court, before Squire Pickering. The outfit was still retained, however, and Glegel then secured a writ of replevin and secured the aid of Sheriff Schadt's office to secure his horse and wagon. During the day a bicycle rider was

also held up in Old Forge by one of the borough officers for riding on the sidewalk, and secured his release by throwing \$1.50 at the officer.

Inspection of Mailcarriers.

Postmaster Ripple and Assistant Postmaster Powell inspected the local force of mailcarriers yesterday afternoon, and also paid a visit to the branch postoffice on Jackson street. Both were well pleased with the general appearance of the men in their summer uniforms, and the system of handling the mails at the Jackson street branch.

The need of an additional carrier was pointed out to the officials by Super-Intendent Phillips, who was assured that better service will be afforded residents in Lincoln Heights and Keyser Valley as soon as possible. An order was posted in the office yesterday about the new eight-hour regulation,

Doctor's Lamp Exploded.

The large lamp which hung on the porch in front of Dr. B. G. Beddoe's residence, on South Main avenue, expioded at 4.30 o'clock Sunday morning and was all ablaze when discovered by Patrolman James Hart, who was pass

ing by at the time. The officer realized the danger and hurried up the flight of stone steps leading to the doctor's residence. When he reached the porch the lamp was nearly melted by the flames, and the woodwork was in danger of catching fire. Hart wrapped his handkerchief around his hand and disconnected the lamp from its fastening and threw it

A serious conflagration was thus averted, and the family saved from what would undoubtedly have been an exciting experience. The occupants of the house were not acquainted with the fire until later in the day,

Had to Call the Police.

Mrs. William Lewis, who resides a the corner of Hyde Park avenue and Jackson street, had her husband arrest ed several weeks ago, on charges of desertion, non-support and assault and battery. He was then committed to the county jail by Police Magistrate Dayles.

Yesterday Lewis was released on bail and immediately sought his wife, who alleges that he intended to do her barm. He made an unsuccessful attempt to gain an entrance into the nouse, and attracted a large crowd of people to the scene. Patrolman David Davis found Lewis on Hyde Park ave nue, and hustled him off under penalty of arrest.

Summer Eisteddfods.

Already two musical festivities announced for this summer have been postponed, and local singers manifest little interest in the events scheduled for the coming fall. The competitive meeting, which was to have been held in the First Welsh Congregational church tomorrow, has been indefinitely postponed, and the Atlantic City eisteddfod, scheduled for July 4 and 5, has been abandoned until next year

This leaves only the Pan-American eisteddfod, on September 19, open for contemplation. It is hardly probable hat a choir will be organized in Scranton to enter the competitions.

An eisteddfod will be held at Poult ney, Vt., on September 28, in which the William Conneil Glee club will compete. The selection will be the "Song of the Pilgrim," for a prize of \$200, and \$5 to the successful leader. Rehearsals have begun on the piece, and the boys are going up there to win. They will give several concerts in the East during their trip.

Election of Delegates.

At a regular meeting of the Hyde Park Father Mathew society, held in St. Leo's hall on Sunday afternoon, the following delegates were elected to represent the society at the quarterly convention to be held in South Scranton on July 14:

EXPOSITION

UPON ARTISTIC IDEALS.

Pan-American Sculpture, Architecture, and Color at the Exhibition of New York Architectural League.

"The influence of the Great International Expositions or Architecture and the Allied Fine Arts" was the subject for discussion at a dinner held recently by the Architectureal League of New York in honor of the opening of its 16th annual exhibition. There the Architectural League we find not can be no doubt that such expositions exercise a great influence, whether it may be for better or for worse, upor art in its various forms. It was the opinion of a speaker at the dinner, in fact of no less an authority than the president of the league himself. Mr. Robert W. Gibson, that in so far as architecture was concerned, at least, the influence of the recent World's Pair at Paris was detrimental rather Such an opinion than the reverse. certainly could not be held as to the influence of the World's Fair at Chicago upon the artistic sensibilities of the public.
