A GREAT SURPRISE

Is in store for all who use Kemp's Balsam for the Throat and Lungs, the great guaranteed remedy. Would you believe that it is sold on its merits and any druggist is authorized by the proprietor of this wonderful remedy to give you a sample bottle free? It never fails to cure acute or chronic coughs. All druggists sell Kemp's Balsam. Price 25c. and 50c.

You Can Cure It.

A New Cure for Catarrh in Tablet Form.

The old time treatment for catarrh was in the form of douches or sprays; later on, internal remedies were given with greater success, but being in liquid or powdered form were inconvenient and were open to the same objection to all liquid remedies, that is, that they lose whatever medicinal power they may have had on exposure to the air.

The tablet is the ideal form in which to administer medication, but until recently no successful catarrh tablet had ever been attempted.

At this writing, however, a most excellent and palatable remedy for catarrh has been placed before the public and sold by druggists, called Stuart's Cartarrh Tablets, composed of the most recent discoveries in medicines for the cure of catarrh, and results from their use have been highly gratifying.

Stuart's Catarrh Tablets contain principally highly concentrated antiseptics, which kill the catarrh germs in the blood and mucous membranes, and in this respect are strictly scientific and modern, as it has been known for some years past by the ablest physicians that the most successful catarrh treatment was by inhaling or spraying antiseptics.

The use of inhalers, douches and sprays, however, is a nuisance and inconvenience, and moreover can in no wise compare with the same remedies given in tablet form, either in efficacy or convenience.

A clerk in a prominent insurance office in Pittsburg relates his experience with Stuart's Cartarrh Tablets in a few words, but to the point. He says: "Catarrh has been almost constantly with me for eight years; in this climate it seems impossible to get rid of it. I awoke every morning stuffed up and for the first half hour it was cough, gag, expectorate and sneeze before I could square myself for my day's work; no appetite, and a foul breath, which annoyed me exceedingly.

"I used Stuart's Catarrh Tablets for two months and found them not only pleasant to take, but they did the business, and I can sincerely recommend them to all catarrh sufferers."

Druggists sell Stuart's Catarrh Tablets at 50 cents for full sized package. They can be carried in the vest pocket and used at any time and as often as necessary. Guaranteed free from cocaine, mercury or any mineral poison; absolutely safe.

Sanders; vice presidents, Mrs. C. V. Hallstead, Mrs. Milton Rhodes and Mrs. Itterly; secretary, Mrs. Ed. W. Benjamin; treasurer, Mrs. Charles Shook; chairman of executive committee, Mrs. G. A. Cure. Mr. Brown was removed to his home and is under the care of Dr. Kay.

Laying the Pave.

The paving contractors on the North Main avenue improvement have progressed with the concreting and laying of brick to Reese street, and the end of the avenue towards the city line shows a wonderful change over the old condition.

Richards-Millard Nuptials.

The home of Miss Eva Millard, 141 Throop street, was the scene of a pretty wedding Wednesday evening, June 26, when her sister, Elizabeth, was united in marriage to Gomer Richards, of Wayne avenue, Rev. A. H. Smith officiating.

The couple were unattended. The home was handsomely decorated with potted plants and cut flowers. The bride wore a beautiful dress of white French batiste, trimmed with lace and ribbon and carried a bouquet of white roses. After congratulations, dainty refreshments were served and a pleasant time enjoyed by all until train time, when the guests took their departure, wishing the bride and groom a prosperous voyage through life with just clouds enough to make a glorious sunset. Many useful and handsome presents were received.

TOLD IN A FEW LINES.

A lawn social was held at the home of Mr. and Mrs. Richard Thomas, at Belmont Terrace, last evening, for the benefit of the Welsh Congregational church. The ladies interested in the welfare of the Young Women's Christian association were engaged yesterday in calling on subscribers to the maintenance fund, meeting with considerable encouragement.
