The Pulpits of the City Occupied During the Day by the Visiting Ministers-It Is Estimated by the Local Committee That There Are at Least 10,000 Visiting Endeavorof Today.

ty Exclusive Wire from The Associated Press. Cincinnati, July 7 .- The Endeavorers made Sunday a busy day. From morning until evening and during almost every hour of the day there were services in some part of the city. The day opened in refreshing contrast to yesterday and the breezes added materially to increase the attendance The day opened with three meetings of one hour each held in three of the largest of the city churches and conducted by the Revs. Floyd Tompkins. Philadelphia, and Cornelius Wolfkin. of Brooklyn. The meeting at the Contral Christian church was to have been conducted by the Rev. J. Wilbur Chapman, of New York city, who is now seriously ill at his country home at Winona Lake, Indiana, but the meet-

ing was not held. The various pulpits about the city were ocupled during the rest of the morning by the visiting ministers whose topics were "Twenty years of Christian Endeavor," The attendance at these meetings was large, especially so at St. Paul's Methodist Episcopal church, where the Rev. Charles Sheldon, of Topeka, Kansas, spoke.

The afternon was devoted to three simultaneous meetings in the Music hall auditoriums. These meetings were classified for men, women and children. The attendance at all was large. The men's meeting in the auditorium Endeavor was to have beeen conducted by Rev. Dr. Chapman, of New York but in his absence Wm. Philips Hall, of New York, led it. President Clark occupied the chair a portion of the meeting. The meeting was opened by the Rev. U. F. Swengel, of York. Pa., who was followed by Rev. J. D. Blackburn, of Covington, Ky. Music al Director F. H. Jacobs, of Broklyn, assisted by John H. Hills, of Greencastle, Ind., rendered solos, after which Mr. Hall spoke on "Christian ity as a profitable investment."

Mr. Hall's address was strong and at ts conclusion he called upon those who would accept of a partnership with Christ to remain after the meeting for further service and many accepted the invitation.

Temperance Meeting.

The meeting for women in Auditorfum Williston became a temperance mee ng. It was conducted by General Secretary John Willis Baer, of Boston, assisted by Mr. Percy S. Foster, of Washington, D. C., who led the Miss Grace W. Beeman, of Dayton, O., rendered several cornet solos. Addresses were made by the Misses Margaret Koch, Waterville, Maine, and Rhena Mosher of Westfield. N. Y. The burden of their remarks was upon temperance, not only in the use of intoxicating drinks, but of tobacco as well.

The attendance at this meeting was the largest of the three evangelistic

In the auditorium Ohio the children held sway, led by the new field secretary, Clarence Eberman, of Lancaster, Pa. H. C. Lincoln, of Philadelphia, led the children in singing. Treasurer Wm. Shaw, of Boston and Miss Kate H. Haus, of St. Louis, addressed the children, warning them particularly against eigarettes and bad reading. Mrs. Francis E. Clark, of Boston, wife of President Clark, spoke of the Junior Christian Endeav or and its accomplishments for young people.

The German Christian Endeavor Se ciety held its first meeting in the Phillippus church, Dr. Clarke being the principal speaker.

General Howard's Speech.

At the conclusion of the big auditorum rallies three special meetings were held in the central Christian church, then in the Ninth street Baptist church and the Second Presbyterian church, all in the central part of the city. The meetings were large and enthusiastic. Treasurer Wm. Shaw, of Hoston, presided at the session at the Central Presbyterian church, assisted by Rev. F. D. Power, of Washington, D. C., who spoke on the Sabbath observance. General O. O. Howard, of Burlington, Vt., then spoke on "Our New Responsibilities," saying in part;

Since the incoming of what is called higher criticism and during the last two decades of theoretic evolution taught to our young men elleges and extended occasionally with contrersy to our theological seminaries, it has be ne the fashion to lay stress upon the carth life, the naturalistic life of men, women and children, here and now, Even in our bes mens we miss the Old Testament scriptures. It is estimated by the local committee that there are at least 10,000 visiting Endeavorers in the city and many nore are expected to arrive tomorrow, The attendance will not reach the limit the local committee had made provisions for, but President Clark is much pleased with the results, considering the recent period of extremely not weather over the entire country.

The sessions tomorrow will begin as on the other days of the session with quiet hour meetings conducted by the Rev. Floyd Tompkins, of Philadelphia, and the Rev. Cornelius Woelfkin, of Brooklyn. The third one of these meetings was to have been conducted by Rev. Dr. Chapman, of New York, and the committee has cancelled it for the rest of the convention. CAUSE OF DEADLOCK.

Representatives of Foreign Nations Have Taken Too Much Upon Themselves.

By Exclusive Wire from The Associated Press. Pekin, July 7 .- A minister of the great powers told the representative of the Associated Press today that a leading cause for the present apparent deadlock was the fact that the various committees had taken to themselves too much authority in dealing with the Chinese and had made certain promises, dependent upon the Chinese agreeing to certain conditions, which other ministers found it impossible to cept. Another factor of considerable importance, he said, was the commercial factor, involving the right of each government to make its own treaties with China and the application of the most favored nation clause,
