WASHINGTON, July 14.—The action of Porto Rico in promptly accepting that feature of the Porto Rican act which authorizes free trade between the island and the United States is likely to result in a great increase in the sugar production of the West Indies.

SHIRT-WAIST AND SUSPENDERS.

The shirt-waist man is safe from an era in the future of J. Pierpont Morgan has been photographed at his desk in his shirt sleeves, and in honor of heroes—wearing suspenders, not. What Morgan does is right, even showing his suspenders. But will somebody please arise and explain what there is that is shocking about the exposure of one's suspenders? They are not of themselves indicative. They may even be very beautiful, and often are, a fit man to be denuded of them is a man to be commended.

DECKVILLE.

It is hoped by the people of Prospect Hill that the crowd of young people who visited that vicinity last Friday night will not again pay that locality a visit. They certainly acted the part of hoodlums to perfection.
