## AID WILL BE SOLICITED

### TO HELP RECOVER THE BODY OF DANIEL MEREDITH.

Committee of Representative Citizens Organized to Assist Mr. Meredith in the Search—No Trace of the Body Yet Recovered—Hospital Appropriation Has Been Cut Down \$5,000—C. L. Beer's Skull Fractured by a Fall—Officers Installed—Other Matters of Interest.

The body of Daniel Meredith is still at the bottom of Lake Lodore, although a number of men worked again all day yesterday to bring it up, but without the slightest success. Dynamic was used, and hooks employed, but they seem to be of little use.

Today, Mr. Meredith with his brother-in-law, William Abbe, and Samuel Edgington, will go up to Lodore and renew the search. The latter is the boy who was with young Meredith when he was drowned.

Edgington told the story of the drowning to The Tribune correspondent last evening, which is substantially as follows: The two boys procured a boat and decided to go in swimming. They rowed out to where the fatality occurred. There Meredith sat in the boat, rowing, while Edgington trailed along in the water, hanging on to the rear end. Meredith expressed a desire to do likewise, and Edgington climbed into the boat and rowed.

When Meredith got back into the boat Edgington dove into the water to show his companion how deep it was and cautioned him to be careful, as it was more than twice his depth. When Edgington came up, he again jumped and tried to touch bottom, but was unable to do so.

The second time Edgington came up, he heard a splash in the water, and when he looked around to where the boat was, Meredith was nowhere in sight. Edgington dived down in search of Meredith, but could not find him.

The little hero again went down the second time in search of the body, but could not see it, nor feel it anywhere. He did not see Meredith at all after he came up at all. Edgington is of the opinion that he may have struck the boat and went down again.

Then Edgington climbed into the boat and rowed to the shore, where he dressed himself and took up Meredith's clothes as quick as possible, the little fellow pulled into the main landing, where he notified the men in charge of what had occurred. The search was renewed and has been prosecuted every day since, but without success.

Today Mr. Meredith will take up an expert swimmer and diver, who has had considerable experience in the water, and he will endeavor to locate the body. The sympathy of the entire community has gone out to the bereaved family in their hour of sorrow.

They have been visited four times in three years by the grim Reaper, and each time a child has been borne away. Their sorrow has not only been hard to bear, but the expense incurred has also been very great.

Realizing this fact, and having in mind a remedy to assist the family, a committee of representative citizens met at the home of Merchant Morgan Thomas, on Jackson street, last evening, and took steps to assist the family in their hour of need.

Rev. Thomas de Gruchy, D. D., pastor of the Jackson Street Baptist church, was chosen chairman; Rev. D. D. Hopkins, pastor of the First Baptist church, secretary, and James A. Evans, foreman at the Diamond mine, treasurer. The other members of the committee are: A. B. Eason, cashier of the West Side bank; John L. Jones, the Jackson street druggist, and Thomas H. Jones, the oculist.

The members of this committee make a public appeal for financial aid to assist the family in recovering the body, and contributions may be sent to any of them direct or to the treasurer.

Dr. de Gruchy and Mr. Jones will call on the merchants today as a soliciting committee, and there is no doubt but that they will receive a hearty response to the call for aid.

### Hospital Appropriation.

Governor Stone has chopped off one-third of the hospital amount appropriated by the state legislature for the West Side hospital. Representative Reynolds received a telegram late Tuesday night from Fred Fleitz, in which he intimated that he was fearful that the governor intended to veto the improvement part of the hospital bill.

Mr. Reynolds replied that "the governor's veto of West Side hospital improvement bill is deplorable; will stir West Siders' hearts to mutiny," but this did not seem to change the mind of the governor.

For the \$15,000 appropriated, \$10,000 was for maintenance and \$5,000 for improvement. The latter was lopped off.

### Fractured His Skull.

On Wednesday morning C. L. Beer, the well-known cement manufacturer, was standing on a high ladder at his place of business, 52 Merrifield street, when in some unaccountable manner the base of the ladder slipped, precipitating him to the cement floor with much force.

## WILLIAM PALMER CHARGED WITH THEFT OF A WATCH.

### It Was the Property of His Father and After Pawning It He Made the Latter Pay Twenty-five Cents for the Pawn Check—William Phillips Injured by Falling from a Tree—Open Air Meeting of the Prohibition League—Milk Thieves at Work.

William Palmer, of Putnam street and Wayne avenue, was arraigned before Alderman Myers yesterday afternoon on a charge of larceny, the charge being preferred by his father, John Palmer, who accused his son of stealing a silver watch and chain from him, valued at \$25.

It appears that the son was released from the county jail on Monday, after serving six months for larceny. He went to his father's house for his son's shelter for the night, which was granted him. The next morning William left the house early, taking with him his father's watch and chain.

The latter, missing the article shortly afterwards, did not report the case immediately, but waited for his son's return in the evening. When he arrived home he showed his father a pawn ticket for the watch, which he made his father pay twenty-five cents for.

Palmer, purchasing the ticket, the elder Palmer went before Alderman Myers and had a warrant issued for his son's arrest. At the hearing yesterday, young Palmer denied the charge, and began to state his side of the case. Before he had concluded, he practically convinced himself out of his own mouth.

The alderman placed him under \$500 bail, and as he could not find a bondsman, he was committed to the county jail to await the action of the next grand jury. This is the third or fourth time Palmer has been charged with larceny.

### Vegetable Thief Caught.

For a long time the truck farmers who leave their goods in front of South Main avenue stores early in the morning have received complaints from their customers that quantities have been stolen from time to time. The farmers and dealers have been on the lookout for the thief for some time, but their vigilance was not rewarded until yesterday morning.

Vegetables were left in front of J. J. Evans' and Prothero's stores on South Main avenue about 4 o'clock, and an elderly woman, an elderly woman appeared at both places and helped herself to green goods. She was caught in the act, but allowed to go home on the promise of refraining from such petty thieving in the future.

The woman claims she is too poor to buy any other goods, and is anxious for stealing the vegetables. The name of the woman is withheld for the sake of the family, as the merchants are not inclined to prosecute her.

### Robert Morris Lodge.

At the meeting of the Robert Morris lodge of Exotives held last evening, the following elected officers were installed: President, Willie M. Evans; vice president, W. # A Human Match Factory.

The body of the average man contains phosphorus sufficient to make 483,840 matches, enough to fill about 6,000 boxes, allowing eighty matches to the box. Phosphorus is one of fourteen elements entering into the composition of the body. It is divided among the bones, flesh, nervous system, and other organs. Without phosphorus the brain would be weak, the body feeble, and the bones would disintegrate, leaving man a squidgy invertebrate squirming in the dust. The perfect health of the human body requires a perfect balance of the constituent elements of which it is composed. The carbon, iron, lime, sulphur, sodium, etc., must all be replaced as they are used up in human energy. Take all the iron from the blood and the circulation stops. That's death. Change the proper proportion of these substances to each other, destroy their natural balance in the body, and you destroy the balance of health.

Where do these essential elements of vital force come from? From the food we eat. How are they extracted and distributed to the several organs they sustain? They are extracted and distributed by the stomach and other organs of digestion and nutrition. What happens when the stomach is "weak?" The food is only partly digested and assimilated. And then what? Then the balance of health is destroyed and there's blood "trouble," nerve "trouble," lung "trouble," heart "trouble" or some other "trouble" with the vital organs of the body. Pain is the hunger cry of the starved organs.

What then is the logical first step to health? Put the stomach and organs of digestion and nutrition into a condition of sound health. That is just what is done by Dr. Pierce's Golden Medical Discovery and that is just the secret of the many marvelous cures effected by this remedy.

No medicine can make fat or flesh. Food alone can make them. Only the stomach and its allied organs can extract from the food the elements that make flesh and fat and sustain life. "Nerve foods," "blood making" medicines, are mere fads and fallacies. The nerves are fed, the blood is made by food, not by medicine. The stomach and organs of digestion and nutrition prepare and distribute the food.

Dr. Pierce's Golden Medical Discovery is not a cure-all. It does one thing. It cures diseases of the stomach and organs of digestion and nutrition. The rest Nature does. Nature feeds the nerves, enriches the blood, heals the lungs and restores the failing vital powers. "Golden Medical Discovery" only removes the obstructions disease has put in Nature's way.

There is no alcohol in "Golden Medical Discovery" and it contains neither opium, cocaine nor any other narcotic.

### UNTOLD AGONY.

"It is with a glad heart that I write you a testimonial such as few can write with the clear conscience that I do," says Miss Sallie Boggan, Rich (Rich Hill), Spartanburg Co., S. C. "About nine years ago I was taken with what our best physicians called neuritis and enlargement of the heart, dyspepsia and indigestion. I suffered untold agony in both mind and body, and at times my mind would become cloudy so that I would not care to see anybody. I would sit down to the table to eat, and eat a few mouthfuls, but my stomach would not retain any kind of food, and I would have to leave the table. Last fall I spent about \$25.00 with our doctor but grew worse all the time. At last, when I was about to give up in despair, a friend advised me to write to Dr. Pierce. I did so, and he advised me to take his 'Golden Medical Discovery' and 'Favorite Prescription.' I bought one bottle of each and also one vial of his 'Pleasant Pellets,' and began using as directed. In a few days I could tell I was getting better. I have taken four bottles each of the 'Golden Medical Discovery' and 'Favorite Prescription' and two vials of 'Pleasant Pellets,' and I am a well woman to-day. I can eat anything and sleep all night in the field or house, or anywhere else, and can sleep as sweetly as a baby. Many thanks to you for your kind treatment."

### LIFE WORTH LIVING.

"I was a sufferer from torpid liver for over a year," writes Mrs. Nora Willis, Wheatfield, Jasper Co., Ind., "and could not sleep, nor eat but very little, and then it would cause me great distress. I tried several doctors but got no relief. I was advised by a friend to write to Dr. Pierce, which I did, and in a few days I received a letter, advising me to take his 'Golden Medical Discovery' and also his 'Pleasant Pellets.' After I had taken only half a bottle I was greatly improved. I only took three bottles of the 'Golden Medical Discovery' and two vials of the 'Pellets,' and, thanks to Dr. Pierce and his wonderful medicine, I am as well as ever in my life, and feel that life is worth living after all."

"Last winter I took a severe cold which resulted in pleurisy. Tongue cannot tell what I suffered. For two nights and two days I could not move without it nearly killed me. I told my husband I could not endure another night of suffering. The doctor said I could tell I was getting better. I have taken four bottles each of the 'Golden Medical Discovery' and 'Favorite Prescription' and two vials of 'Pleasant Pellets,' and I am a well woman to-day. I can eat anything and sleep all night in the field or house, or anywhere else, and can sleep as sweetly as a baby. Many thanks to you for your kind treatment."

### \$25,000 GIVEN AWAY.

In the past year it has cost Dr. R. V. Pierce over \$25,000 to make good his promise of a free copy of the Common Sense Medical Adviser. This book containing 1008 pages and bound in strong and durable cloth covers is sent free on receipt of 31 one-cent stamps to pay expense of mailing ONLY. Address Dr. R. V. Pierce, Buffalo, N. Y.

### Fell from a Tree.

William Phillips, the young son of Mr. and Mrs. James Phillips, of Summit avenue, while climbing a tree in the rear of his home, fell thirty feet, fracturing his left shoulder blade and cutting a deep gash in the side of his head.

Dr. William D. Dunne was summoned to the home, where the boy was removed to, and reduced the fracture. Last evening young Phillips was resting quite easily.

### TOLD IN A FEW LINES.

Mrs. O. Thomas and son, Daniel, of Honesdale, Jefferson county, are visiting Mrs. David J. Jones, of Wayne avenue.

The Providence Methodist Episcopal Sunday school orchestra held a rehearsal last evening in the Sunday school rooms.

All news matter will receive prompt attention if it reaches the printing press at the corner of Main avenue and Market street, or at the S. & S. smoking parlors, Steele building.

Complaint has been lodged at the North Scranton police station of the theft of bottles of milk which are left on the porches of houses early in the morning. Lieutenant Day has given orders to his officers to keep a sharp lookout for the thieves.

William Cooper, of Kingston, is the guest of W. C. Sanders, on Church avenue.

### GREEN RIDGE.

St. Paul's Total Abstinence and Benevolent society of Green Ridge held their regular meeting Tuesday evening and elected officers for the ensuing term. John T. Pitts, president; Frank J. Nelson, vice president; Thomas J. Gault, recording secretary; Patrick P. Jones, financial secretary; Peter H. Maloney, treasurer; C. O'Donnell, organist; John Cullen, P. J. Buckley and Joseph H. Malloy, trustees.

Mrs. William Watkins and daughter, Ethel, who were visiting here, are at Chicago, and will visit the Pan-American before returning home.

Mrs. and Mrs. E. F. Marsh and family, of Columbus, are spending their vacation at the sea shore.

William Bright, jr., of Breaker street, is summing in New York state.

A delightful musical was held in the parlors of the Ashbury Methodist Episcopal church last evening. At the close of the programme the cream was served by the members of the Ladies' Aid society. There was a large attendance and the proceeds, which net a neat sum, will be applied to the furnishings of the church parlors.

The Green Ridge Wheelmen will entertain the members of the Electric City Wheelmen

### A SENSIBLE MAN

Would you keep's Balsam for the Throat and Lungs, to cure more Coughs, Colds, Asthma, Bronchitis, Croup and Whooping Cough, than any other medicine. The proprietor has authorized any druggist to give you a Sample Bottle Free to convince you of the merit of this great remedy. Price 25c and 50c.

with a smoker at their club house this evening. The Green Ridge Wheelmen are to entertain the Electric City Wheelmen at their club house on Salsolman avenue, at 8 o'clock, Monday evening. The lawn was brilliantly illuminated and decorated with Chinese lanterns. President Meredith opened the meeting with a short address, and the audience then sang "America," which was followed by prayer by Mrs. Thomas Moore.

"Where There's a Will, There's a Way," was recited in an excellent manner by Miss Tubbs, of Taylor, and following this, County Organizer Homer D. Reese made an address on "My Duty." He spoke for nearly an hour, giving many facts to prove the necessity for the Prohibition movement. The meeting closed with the singing of "When the Saloons We Shall Never More See."

It is very likely that there will be no meeting next month, but that the delegates throughout the county will attend the reunion at Mountain Park, August 19. Rev. Dr. Crane, of Boston, will be one of the speakers at Mountain Park.

John Hughes, who owns a horse with a mark of \$25, is proud of the animal, and some of his friends have used this as a lever to have fun at the expense of Mr. Hughes' nerves and pocketbook. Several months ago the horse disappeared and after a time it was located at Durvay, where one of Mr. Hughes' friends took it and sold it.

Last week the horse again disappeared, and after a time it was located in a lively stable at Pittston. The owner recovered it after paying \$17 charges. Mr. Hughes has decided that this is too much, and is making an earnest look for a man with the misplaced sense of humor. If he discovers him the joker will have a chance to make an explanation to a magistrate.

Michael Vaughan, freeman on the Delaware, Lackawanna and Western road, was badly burned about the neck and face last evening.

Martin Flattery, jr., is spending his vacation at Mt. Gretna.

The members of the Junger Mammocher will meet for rehearsal this evening at Schupp's hall.

The strike at the Green Ridge iron works has been settled, and the men will return to work Monday morning.

The Ladies' Aid society of the Green Ridge Presbyterian church gave a delightful social on the church lawn last evening. The lawn was tastefully trimmed with Japanese lanterns and presented a very picturesque appearance. The social was under the direction of Mrs. Carr and consisted of a large number of young ladies of the church.

Miss Geary, of Philadelphia, is the guest of Miss Jennie O'Neil, of Monroe avenue.

Although the summer has gotten over in other parts of the country, and those interested believed he had moved from the city, it seems the dog promoter is still a resident of Green Ridge. It required three weeks of the hardest kind of detective work to make the case sufficiently strong, not only to locate the old man, but to have his family promise to remove him from the neighborhood within ten days, and pay all the expenses thus far incurred. The tender limit has passed, and as far as can be learned, the promise is the only result. It was rumored yesterday that steps were about to be taken to have the party arrested and dealt with according to law.

Interment was made in the Forest Hill cemetery.
