

NORTHEASTERN PENNSYLVANIA

SUSQUEHANNA.

Susquehanna, Aug. 1.—Rev. Father Fagan, of Great Bend, yesterday returned home from his European trip. Mr. J. E. Morgan thinks he will be able to settle the steel strike within a few days. After that will he kindly do a little settling in Susquehanna? In any community the man who can settle a strike is much more valuable than the man who starts one.

Rev. Father Broderick visited Rev. Father Fagan, at Great Bend, last evening. Mr. and Mrs. William Epes and children are leaving for Coxtown Pond.

Mr. and Mrs. Charles Tobey, of Scranton, are guests of Mrs. Tobey's mother, Mrs. C. T. Bartram, of East Church street.

S. B. Demba, of Binghamton, is in town today. A dog raiser is ahead in the town, slaying his superiors. Such wretches deserve the halter. If the Lord ever made a mistake it was when he let such riff-raff into the world.

Troops throughout Susquehanna county are full. Rev. W. M. Bouton, pastor of the Avenue Methodist church, is at Sidway camp meeting. The annual reunion of "The Boys and Girls of '76" took place today at East Springs, this county.

Miss Lillian Compton, of Hallstead, is visiting Susquehanna friends. At Uniondale, on Monday night, lightning killed sixteen cows belonging to John Jones. The animals were under a tree.

In Deposit, July 23, by Rev. W. L. Bates, Conrad Grimm and Miss Harriet Vermilyea, both of Susquehanna, were united in marriage. The Susquehanna Red Men will attend the Five County Red Men's convention at Deposit, August 28.

Byron French is ill at his home on West Washington street. Family reunions are blossoming. A reunion is about the only place on earth where poor and rich relatives meet on the level, except where they are laid in their graves. There are worse things than family reunions. Take church picnics, for instance.

Miss Eliza Frazier is the guest of relatives at Conansville, N. Y. Prof. and Mrs. C. T. Thorpe, of Forest City, are visiting relatives in town. The Thayer family reunion will be held at Lakeside, Aug. 6.

The case family reunion will be held at Ross Park, Binghamton, August 5. County Superintendent of Schools Charles E. Moxley, of Hallstead, was in town on Wednesday. Principal B. M. Pease, of the Hallstead schools, was in town on Wednesday.

FACTORYVILLE. Factoryville, Aug. 1.—The supper at the M. E. church last Wednesday evening was a decided success, socially and financially, over fourteen dollars being realized. Mr. and Mrs. Henry Carpenter and family returned Monday from Honolulua where they had been spending some time.

Miss Harriet Crisman is spending a few days with her sister in Scranton. There will be no services at the M. E. church next Sunday and a cordial invitation is extended to the congregation to attend services at the First Baptist church.

DITTON.

Ditton, Aug. 1.—Mr. and Mrs. Morris Wickes, of Drummond street, Honesdale, were considerably worried today over the sudden and mysterious disappearance of their daughter, Ina, a young lady 22 years of age. She has been of feeble mind for the past eight years, and her condition has not been as good as usual lately. Her trouble was due to an accident when she was three years of age. A servant girl had set a tub of hot water on the floor and the little child in hurrying in response to a call from her father in the next room fell over and into the tub of water, receiving serious scalds about the head. The injury immediately affected her mind. She has always been confined in her room under close surveillance and was never allowed out unless accompanied by a member of the family. At a late hour last night, despite the watchfulness of her parents, who have been unusually vigilant of late, owing to the change in her condition, she succeeded in making her way from her house unnoticed, and no trace of her could be found until late this afternoon, when word was received from Wilkes-Barre to the effect that the girl had been picked up in that city, and was in the so-called "Jermyn school middle."

It is said that she should be quick to hear, but slow to speak, having a clear and pleasant voice and a pleasant countenance. She is a member of the family. But the Ripper (as we have been called in withering seasons) has been an unrelenting foe to the time she was a member of the family. She is a member of the family. But the Ripper (as we have been called in withering seasons) has been an unrelenting foe to the time she was a member of the family.

Portrait Puzzle. Cut out these several parts and see if you can form the portrait of a great writer.

FOREST CITY. Forest City, Aug. 1.—The First National bank completed its first year of existence today and the quarterly statement just issued shows a very gratifying state of affairs. The deposits have already passed the \$100,000 mark and the institution enjoys the confidence of the public.

Miss Martha B. Whipple, daughter of Mr. and Mrs. Louis Whipple, and Mark Davis, two well known young people of the town, were united in marriage at the bride's home at 8 o'clock last evening. Rev. R. L. Clark was the officiating clergyman. Miss Whipple, a sister of the bride, attended her and Mr. Gibson, of Peckville, was best man.

Rev. W. Hollensted will deliver his lecture, "Help Yourself," in the Baptist church at Clifford tomorrow evening. Sheriff W. J. Maxey was in town yesterday.

Beginning Monday the Forest City postoffice will close each evening at 7 o'clock. The union service will be held Sunday evening in the Baptist church, Rev. Jonathan Davis preaching.

C. V. Henning, a Scranton labor editor, was in town Monday and Tuesday. The Enterprise Hose company has decided to hold their clam bake and picnic in the grove near the Ontario and Western depot.

T. L. Horton suffered a paralytic stroke this morning and was unconscious for several hours. Later he rallied and is thought to be out of danger.

LETTERS FROM THE PEOPLE. Under this heading short letters of interest will be published when accompanied, for publication, by the writer's name. The Tribune does not assume responsibility for opinions here expressed.

The Other Side of the Jermyn School Controversy. Editor of the Tribune: Sir: Will you kindly allow us space in your valuable paper to present the "other side" of

LION COFFEE THE MARKETS. A LUXURY WITHIN THE REACH OF ALL! If you want to buy a Lion whelp you wouldn't accept a kitten as a substitute, even if the dealer urges you. Now, don't accept a substitute for LION COFFEE. It is bound to turn out a common yellow cat, with none of the strength of the lion. You want LION COFFEE because it is LION COFFEE. If, on the other hand, you want a coffee which, in order to hide imperfections, is "highly polished" with eggs and other preparations, then do not buy LION COFFEE. In every package of LION COFFEE you will find a fully illustrated and descriptive list. No housekeeper, in fact, no woman, man, boy or girl will fail to find in the list some article which will contribute to their happiness, comfort and convenience, and which they may have by simply cutting out a certain number of Lion Heads from the wrappers of our one pound sealed packages (which is the only form in which this excellent coffee is sold).
