The steel officials are inclined to minimize the sympathetic assistance which the Amalgamated association will get. One official stated the matter

"What can the machinists do? Have

President Shaffer and his associates on the other hand, insist that the strike order will be generally obeyed and that they will obtain more than enough support to cripule the steel corporation. "We have these people licked to a standstill already," was the way that Vice President-elect Gibson, of Pittsburg, voiced the feelings of the Amalgamated people.

With both sides arming for the cor flict and a general strike but fortyeight hours away, many ordinarily well-informed people hold the belief that there will yet be a settlement of the strike. Veryl Preston came here yesterday and his presence started the rumor today that he was here to ask for another conference in behalf of the steel corporation. Mr. Preston pointedly denied that he was doing anything of the kind, and during the day made no effort to see any of the strike lead- LEG BITTEN OFF ers. Some of the men who predict settlement believe there will be outside intervention from powerful interests and a submission of the dispute to arbitration. Different men of national Thrilling Story Appears in the reputation, including Archbishop Ireland and Senators Hanna and Scott, have been named in this connection, but if efforts are being put forth in that direction they have not yet appeared upon the surface.

Conference with Gompers.

President Shaffer devoted today to a conference with President Compers, of situation before committing himself or his immense organization in any manner. The conference reached no conclusion, and unless there is an alteration of plans, will be resumed at 10 o'clock tomorrow morning. President Compers came here in company with Frank Morrison, secretary of the federation, and was met at Amalgamated retary Williams, Assistant Secretary consult with President Shaffer. President Shaffer also declined to talk about the conference. The strikers are very anxious to secure the active cooperation of the federation, and many of them express their confidence in getting it.

The steel corporation succeeded today in getting the Farm mill at the Lindsay and McCutcheon plant and another mill at the Clark works in op-They also received reports that at Hyde Park last night four of the mills did perfect work and an announcement from Wellsville that the strike was virtually over there. They met with no opposition at any of the four points where they have re-opened mills and expressed their satisfaction at the progress made. The strikers insist that there are not enough men at the Lindsay and McCutcheon establishments to operate the one mill start. ed and predict that it would close down during the day. It was kept going, of the French tower, on her as a goard of ment of British troops was sent as a goard of ment of British troops was sent as a goard of

Cutcheon's, and also to start the Painter mill and the Chartiers plant at Carnegic, but just when they will be started remains to be seen. The steel corporation is evidently putting forth its greatest efforts at Pittsburg, the headquarters of the strike, for the moral

BY A SEA MONSTER

Official Report of Admiral Kempff.

By Exclusive Wire from The Associated Press. Washington, Aug. 8-Admiral Kempff has forwarded to the navy department an official report, thrilling in its details of the biting off of the leg of the American Federation of Labor, who Quartermaster S. McKie, third class, came here for a personal study of the of the gunbeat Annapolis, by a shark or other mammoth sea monster. The Annapolis has been stationed of late at Hollo, and on June 24 last a party was sent out for rifle target practice Commander Rohrer, in command of the Annapolis, states that permission go swimming, while others were enheadquarters by President Shaffer, Sec. Raged in firing. Two of the men had been in for some time when McKle Tighe, Vice-Presidents Rees and Chap- Joined them and asked it they had been pelle. National Trustee John Pierce able to touch bottom. Being answered and Ben I. Davis. They sat in execu- in the negative, he made a dive and tive session from 11 o'clock until 3.10 was gone for several seconds. One o'clock, when they went out for lunch- of the seamen says he heard a gurgling con. They returned to the strike head- sound beneath the water. A moment quarters shortly before 5 o'clock and, later McKie appeared on the surface after a brief talk, parted for the day, and shouted 'shark, shark." The sur-President Compers declined to state the face of the water was covered with result of their deliberations and would blood near where he came up. McKie say nothing other than that he had started to swim, and although cripcome here to look the situation over pled, reached the boat and was pulled in by his companions. A horrible sight met their eyes, the quartermaster's leg having been bitten off near the knee.

With all despatch he was taken aboard the Annapolis, where the surgeon found it necessary to amputate the limb between the knee and hip The surgeon, in his report, states that while the ac ident was not in the litte of duty, it was acident to the service Admiral Kempff, however, in endorsing the papers, holds that as the cuartermaster had received permission from the officer in charge to go in batting the accident occurred in the line of duty. Under these circumstances the crippled quartermaster probably will

Track and Weather Unfavorable to Record Breaking Speed - Mr. Ketcham Confident That Better Time Will Be Made at Brighton Weather Conditions Favorable for Events at Buffalo - The Winner at the Grand Circuit Races.

By Exclusive Wire from The Associated Press. Poughkeepsie, Aug. 8 - About 7,000 people were disappointed in the exhibition by Cresceus at the Hudson River Driving park this afternoon. Paced by a running horse and driven by his owner, George H. Ketcham, the champion went his mile in 2.06%, shortly after 4 o'clock, after Mr. Ketcham had driven him three warming up heats, 2.48, 2.32 and 2.17.

On the trial, the running horse picked him up near the quarter, which Cresceus made in 314 seconds. He went to the half in 1.03, to the three-quarters show its independence of unionism Federation of Labor, made the follow- in 1.35% and to the wire in 2.06%. There was faint applause when the time was posted

Mr. Ketcham said to the Associated Press correspondent: "My horse did the best he could under the conditions, and although the time seems slow, he was more distressed than he has been Duke of Cambridge, the Grand Duke after any mile he has gone this season. "Neither the track nor the weather was favorable to record-breaking was obliged to take the second horse's position all the way, the pole being too

depressingly muggy and lacking in those qualities of dryness and heat that are essential to fast trotting. "The time is in no sense a reflection the Abbott at Brighton Beach next rival and departure, Thursday.'

GERMAN EMPRESS

Services Held at Cronberg Simple But Highly Impressive-Entirely Without Music.

By Exclusive Wire from The Associated Press. Cronberg, Aug. 8 .- The funeral service over the Dowager Empress Fred-erick, held at Friedrichsof late this afternoon, was simple but highly impressive. It was performed at the request of the late dowager empress by the Bishop of Ripon, her own chaplain, assisted by the Rev. Thomas Teignmouth Shore, canon of Worcester, The coffin stood in the death cham-

ber, covered with a long black pall and strown with white roses. At the foot, with bowed head and slightly in advance of the other mourners, stood Emperor William in the uniform of the Black Hussars, the regiment of the late dowager empress. Just behind him were all the other members of the royal family, except Prince Henry of Prussia. The other mourners, who formed two lines in the rear, included Prince and Princess Christian of Schleswig-Holstein, Colonel Pritzelwitz, Crown Prince Frederick Willjam's aide; Count Von Seckerdorff, who was the secretary of the deceased: the of Hesse, and a few court officials. The service was conducted entirely without music. It consisted of a portion of the The former was soft, and I bural service of the Church of Engliged to take the second horse's land, the ninetleth psalm, a reading from the first epistle to the Corinthihadly cut up to follow. Was Stricken While on His Way to Maplewood for a Day's Fishing-He Died Last Night at That Place.

SENATOR JAMES C. VAUGHAN.

Hon, James C. Vaughan, for the last I mittee of the senate during the session even years the state senator from this, the Twentieth district, died last night at Mapiewood.

Early in the morning he started for Maplewood with D. J. Campbell and a few other friends to spend the day fishing in the waters of Lake Henry He was an ardent fisherman and alnost every week spent a day there. Yesterday morning, while on the train en route to Maplewood he was sudden-

te seized with an acute attack of hepatle colic, which was exceedingly pain-Yol. Every effort was made by his friends to render him as comfortable as possible until he reached Maple-

Dr. White, of Lake Ariel, was sumit Maplewood, did what they could for the sufferer who was given quarters in the office at Maplewood park.

Along toward evening it was thought the senator had passed through the worst part of the attack and that it would be possible to remove him to his home in this city today.

The colic returned during the night and the weakened condition of the senator's system could not withstand the now arrack and he died. His hole will be brought here early this morning. The death of Senator Vaughan will be generally mourned, not only in this region, but throughout the state.

He was born in this city July 28, 1866 and was educated in the public schools of this city, graduating from the high school in 1877. He was principal of city schools for a number of years, in the meantime preparing himself in the office of Hon. L. A. Watres for the to the bar he severed his connection with the public schools. In 1894 he was elected state senator from this district chairman of the appropriations com- by train.
