THE MARKETS.

Wall Street Review. New York, Aug. 15.—Buyers today largely on numbered sellers, despite the generally profes-sional character of the dealings and the week's The net result of the day's dealings showed so many important gains that the con-clusion is drawn that the improvement is due in no small part to covering by the short interests, he have met but little stock on spasmodic very aggressive until near the close, when there was a general hidding up all around, and the ess centered in the grain carrying roads, the calers, southern, castern and high priced special ties all receiving considerable attention during the day. St. Paul, nevertheless, covered about the widest movement of the usually active stocks, but still it did not exceed a two-point range. The preferred stock jumped nearly six points and Rock Island gained four on a few transactions. The demand for these stocks transactions. The demand for these stocks to-gether with that for Atchison and the Pacifies was very pronounced late in the day and the buving for both accounts carried them up mate-rially. Antiracite cost roads responded notably rially. Antiracite and roads responded notably to the improving trade conditions, especially Erle, Ontario and Western and Pennsylvania There was more general demand for the low priced railroad stocks, and Chesapeake and Ohio Chicago, Indianapolis and Louisville, Norfolk and Western, Iowa Central and Southern railway rose

from 1 to 2 points. The heavy absorption of the latter was attributed to buying by controlling interests. There was little of and after opening that; higher they eased off, but railied again at the close and ended \$\frac{1}{2}\$ each higher for the common and preferred. Other metal stocks showed pronounced strength, gains running from 1 to 216 in American Smelting, The day and at one time declined a point, but in the first dealings if was rapidly advanced under the day and at one time declined a point, but in the first dealings if was rapidly advanced track white, 42%c; track mixed western, 304002c; and ended with a net rise of the contract of th Republic Steel preferred Tuesday for a visit.
