PITSTON.

Special to the Scranton Tribune. Pitston, Aug. 18.—Despite yesterday's unfavorable weather the celebration of the Italian community at the West Pitston fair grounds proved very successful, attracting a large attendance not only of Italians but of all nationalities.

The only disappointing feature was the absence of the fireworks, the New York gentleman who had this feature in charge failing to arrive. It is announced, however, that the display will take place Monday evening without fail.

During the afternoon a large number of balloons were started, and a remarkable occurrence that has probably never happened before and may not happen again within a thousand years, was the return of one of the balloons after a half hour's sailing.

The balloon was started there was a northeast wind blowing which later changed to a southwest breeze, carrying the balloon back after it had been lost sight of and almost forgotten. It fell within a few feet of the ground, started, the special feature of the afternoon was the base ball game between the Brothers' team of Hamtown and the Apple Blossoms of West Pitston, which proved a very interesting exhibition for the first three innings, after which the Brothers took a batting streak and secured such a lead as to which the hmbmbghombomb as to dishearten their opponents, and win the game by the score of 20-6.

The Blossoms, however, put up a strong game, considering the amateurs, and the game was a close one.

A slight fire occurred at the provincial residence of St. Casimir's Polish Catholic church on Church street, last night about 8 o'clock, but did little damage.

Anthony Staskey, a Duryea Poland, is in a critical condition, the result of eight stab wounds inflicted, it is said, by August Witkowski during a quarrel in a speakeasy at that place.

William Weitz, of Hughtown, a driver boy on the culm dump at No. 8 shaft, was caught beneath a car yesterday morning and had the flesh on his right leg badly torn.

William Morris, a United States marine stationed at the Norfolk navy yard, returns to duty tomorrow after spending a ten days' furlough at the home of his parents on Luzerne avenue, West Pitston.

Mrs. Lizzie Smith died at her home on Cliff street yesterday afternoon after a brief illness of rheumatism.

Subscription lists are being circulated among the members of St. John's parish here for a substantial token of esteem to be presented to Monsignor Garvey before his departure from this city for his new field of labor at Altoona.

About 9 o'clock Saturday night considerable excitement was created in the central part of the city, when a pistol shot rang out on the still night air. It came from the alley in the rear of Main street, between Broad and William streets, and thither a crowd hurried. That no crime was committed was due to the poor aim of a man named Cawley, who adopted an unusually severe method of inflicting punishment on a misbehaved son. The latter had fled from his father's presence and was making good speed up the alley mentioned, chased by the irate father. The son easily succeeded in distancing his father, however, and the latter, not to be outdone, pulled a revolver and fired, but fortunately missed his mark.

Another big cave-in of the workings of the old Butler colliery dropped the tracks of the Lehigh Valley railroad's cuss-off branch near Smithville last night. The cave was about twenty feet in width and fully 200 feet long, and the track fell a distance of five feet. The cave was fortunately discovered by a track walker, and trains flagged before any accident had occurred.

Pitston and vicinity had a good share of the heavy storm which passed over this section of the state within the last twenty-four hours. There was but little wind and lightning, however, but the rain fell heavily all night and

this morning. But little damage was done as far as could be learned, the telephone and electric light wires suffering the most. The city was in darkness all last night. In the vicinity of Falling Springs the storm was quite severe. Large trees were uprooted and railroads say the windows in several locomotives were blown in.

As in former tours to California under the auspices of the Pennsylvania railroad, a special train, composed of the highest class of Pullman equipment, will be utilized during the entire trip. Excellent meals will be served in the dining cars attached to the train during the entire journey, except during the stops at San Francisco and Chicago. An observation car will appeal to all who delight in scenery. Few trips afford so great a diversity in nature's beauties as the one outlined below. Westward bound, the tourists will pass through the wild slopes of the Colorado Rockies, around the Great Salt Lake, and over the fastnesses of the Sierra Nevada. After visiting all the beautiful resorts on the sunny California slopes, the eastward journey will be through the Arizona, the beauties cannot be described in mere words. Magnificent in coloring, awful in its depths, it stands among the natural wonders of the world. Hence across the plains to St. Louis, Chicago, and New York, the tourists reach their destination just thirty days after leaving home.

The various transcontinental lines having made low rates on account of the General Triennial Convention of the Protestant Episcopal church, the Pennsylvania Railroad company is enabled to offer this superb vacation trip at the low rate of \$18 for the round trip from New York, Philadelphia, Baltimore, Washington, or any point on Pennsylvania railroad east of Pittsburgh, one in a berth; and \$165 for the round trip, two persons occupying the same berth. The rate from Pittsburgh will be \$5 less.

Diagrams are now open, and as the number who can be accommodated will be strictly limited, names should be registered immediately.

For further information and descriptive booklet, apply to W. Boyd, Assistant General Passenger Agent, Broad street station, Philadelphia.
