## RACES ON THE SPEEDWAY

### ATTRACTED A LARGE CROWD OF HORSEMEN.

It was the Most Successful Meet Ever Held by the West Side Driving Club—Summary of the Races, the Owners, Drivers and Time of Heats—Running Race as Usual Had Only a Few Entries. Prof. Daniel Phillips Has Arrived Home—Other Notes.

A most successful race meet occurred on the Edinboro boulevard speedway yesterday afternoon under the auspices of the West Side Driving Club, which was recently organized for the purpose of good, clean sport.

Conveyances of every description were driven over the East mountain and when the first race was called fully 2,500 persons were at the track to enjoy the sport. There were traps, harnesses, surreys, single, double and four-in-hands, band wagons and other vehicles too numerous to mention. The scene reminded one of a country fair.

The first race, the free-for-all, was won handsily by J. L. Connell's Frances J., and Peter Maher's Kitty B. took the 2.50 class race in three straight heats. Dr. Snyder's Soleda defeated James Mahoney's Director in a special race, and "Sleepy John" won the club race in good time.

This race was the feature of the meet and caused much excitement. The running race only had two starters, and Scott's Billy won it easily. The summary of the races is as follows:

**Returned from Colorado.**  
 Prof. Daniel W. Phillips, the newly elected principal of public school No. 19, accompanied by his wife, returned home yesterday afternoon from a year's absence. Both look to be very much improved in health and strength, and say they have had a most delightful time of it during their absence.

It will be remembered that Prof. Phillips was, up to a year ago, principal of No. 14 school, but failing health compelled him to abandon his work, and seek a health-building climate. He went to Colorado, thence to a ranch twenty miles out from Denver, and, later, travelled through Mexico.

His many friends will be pleased to welcome both him and his estimable wife back home again. Through the resignation of Miss Less as the principal of No. 19, and Prof. H. L. Morgan's retention at No. 14, the board unanimously elected Prof. Phillips to the former position.

**Broke the Furniture.**  
 Edward Geary, of 1012 Price street, returned home at an early hour yesterday morning and becoming dissatisfied with the state of affairs at his home, proceeded to break the furniture. When his wife interfered, Geary assaulted her and threatened to annihilate her.

She caused a warrant to be issued by Alderman John, who placed the warrant in the hands of Constable Timothy Jones, and Geary spent the night in the station house. He will be given a hearing this morning.
