SCOTT-WELLS NUPTIALS.

Pretty Evening Wedding Occurs in Green Ridge.

The marriage of Miss Anna Wells, daughter of T. F. Wells, esq., of the Lackawanna bar, to Professor George Winfield Scott, of Philadelphia, took place last night at the home of the bride's parents, 1327 North Washington avenue, in the presence of a large company of guests from this city and elsewhere.

It was a "golden-rod wedding," the charming house being aglow with the national flower in all its rich tones. Intermingled with palms, the plume sprays of golden-rod made vivid color studies in every room. Veils of smilax formed the portieres and cool bouquets of tropical plants filled alcoves and corners.

The ceremony, which was performed by Rev. W. I. Stearns, D. D., of Danville, Pa., an uncle of the bride, took place in the library, the decorations of which were most effective. The bride wore white satin, exquisitely designed, with yoke and elbow sleeves of duchesse point. Her veil was fastened with orange blossoms. She was given away by her father, the maid of honor was Miss Elizabeth Parke, who is Paris gown of French batiste over pale green was exceedingly attractive. She carried golden-rod. The best man was Mr. Frederic A. Cleveland, a member of the faculty at the University of Pennsylvania. The ushers were Messrs. H. C. Hazzard, of New York; J. G. Dunlap, of Watertown, N. Y.; G. H. Lathrop and H. S. Wells, of Scranton.

After the ceremony, elaborate refreshments were served by Hanley, Bauer furnished music.

The bride, whose loveliness of character made her popular, is possessed of many graces and accomplishments. The groom is a lecturer at the University of Pennsylvania on International Law, on which subject he is considered authority beyond the university confines. They will reside in Philadelphia.

WILL MEET TONIGHT.

Republican League Committee to Gather in Price Building.

A meeting of the general committee having in charge the arrangements for the coming convention of the State League of Republican clubs will be held tonight in the rooms of the Central Republican club, in the Price building, and it is earnestly requested that every member make an earnest effort to be present.

Chairman Loyry will announce the make-up of the several committees which are to take up the active work, and much other business will be transacted.

The committee appointed at the last meeting, are all expected to be on hand tonight. All Republicans, whether members of the committee or not, will be welcome.

The time in which to make the preparations for the convention is short, and the work must be gotten under way at once.

COMMON COUNCIL TONIGHT.

Time Limit for Collection of Taxes to be Extended.

A special meeting of the common council is to be held tonight, for the purpose of extending the time for the collection of taxes, without a penalty, from September 1 to November 1. A resolution providing for this has already passed in select council.

Every year council fix the time limit for the collection of taxes at September 1, and then proceed to pass two resolutions in succession, the first providing for an extension to November 1, and the second for an extension to January 1. It would be much easier to make it January 1 at the outset, but the councilmen prefer to do it the other way, laboring under the delusion that they can thus scare the citizens into paying up.

TWO SPEAKEASIES RAIDED.

Police Arrested Mrs. Mary Lynott and Mrs. Bridget Cook.

The speakeasy crusade, inaugurated some time ago by the police department, has reached Pine Brook. Lieutenant Feeney and Patrolmen Gemmel and Aidman last night raided two places kept on Mineral street by Mrs. Mary Lynott and Mrs. Bridget Cook.

Both women were arrested and taken to the central police station. Large quantities of beer, ale and other intoxicants were found in each place. The two women will be given a hearing before Magistrate Howe, by whom the warrants were issued at the instance of Superintendent of Police Hobling.

ONLY \$3,500 IN TREASURY.

City Treasurer Requests Controller to Counteract No More Warrants.

Owing to the fact that there is only \$3,500 in the city treasury, with pay day coming on space, City Treasurer John Howell yesterday requested Controller Howell not to counteract any more warrants.

There is a large number of orders outstanding, but unless County Treasurer Scranton pays over some more of the \$3,600 due the city from liquor licenses, or some of the large tax payers settle up, the chances of their being paid in a hurry are very dim.

City and School Taxes, 1901.

The city and school tax duplicates for year 1901 are now in my hands for collection. A penalty of 3 per cent. will be added Sept 1st, 1901, and an additional one per cent. on the first of each and every month until fully paid. All taxes remaining unpaid after November 1st will be placed on the delinquent list as provided by law.

HITCHCOCK IS NOT LISTED

FAILS TO MEET THE REGISTRY REQUIREMENTS.

Says the Amount of the Assessment Prohibits Him from Being a Candidate in the Regular Republican Primaries, and He Will Go Before the People Direct—Carpenter for Judge; Jones for Controller, and Stevenson for Surveyor, Have No Opposition—Roberts and Bateson for Coroner.

Colonel F. L. Hitchcock is not to be a candidate in the Republican primaries for additional law judge. He registered and declined to pay the assessment, and under the rules of the party can not be permitted to run. He says he will be an independent candidate.

In the Republican papers for weeks past has regularly appeared the following:

The Republican primary election will be held on Monday, Sept. 10, 1901, between the hours of 1 and 8 o'clock p. m., the convention on Thursday, Sept. 13, at 10 o'clock a. m.

Each candidate must register his full name and address, the office for which he desires to be a candidate, and pay his assessment to the county chairman on or before Aug. 25th inst.

The vigilance committee will govern themselves accordingly.

Daniel J. Davis, Chairman.
E. D. Fellows, Secretary.

Last night when County Chairman Davis left for home, the candidates who had complied with the above provisions were:

For additional law judge—J. W. Carpenter, of Scranton.
For controller—Edward A. Jones, of Archbald.
For coroner—H. J. Roberts, of Scranton;
Dr. J. C. Bateson, of Scranton.
For surveyor—G. E. Stevenson, of Waverly.

Those who had registered, but failed to pay the assessment, were Colonel F. L. Hitchcock, candidate for additional law judge; Dr. W. D. Downs, candidate for coroner; and Arthur Long, candidate for surveyor.

The amount of the assessment is fixed by the committee after it is known how many candidates will run. The assessment goes to pay the expense of conducting the primaries, and if the cost is less than the amount collected, the difference is returned pro rata to the candidates.

The office with the largest enrollment is expected to stand for the largest assessment, and this, coupled with the fact that there were so few candidates, resulted in the committee fixing the levy on the judicial candidates at \$100.

Colonel Hitchcock, upon receiving notice of the amount of the assessment, refused to pay it, declaring it to be prohibitive.

To a Tribune reporter last night, Colonel Hitchcock said he would send to County Chairman Davis, today, a letter explaining his refusal to continue as a Republican candidate.

When asked if he would be an independent candidate, Colonel Hitchcock said: "I am a candidate for judge; I do not intend to run for anything else. I do not criticize any one in connection with the assessment matter, except to say that it seems exorbitant when compared to the \$150 which Messrs. Watson and Zimmerman were assessed last year. Pending the further statement contained in my letter to Chairman Davis, I will be content to say that the amount of the assessment was to me prohibitive."

JOHN JERMEN THE DONOR.

He Has Presented a Fountain for Nay Aug Park.

Director of Public Works J. E. Roche announced yesterday that the donor of the second fountain for Nay Aug park is John Jermen, and that it has already been purchased from the Mott Iron company. The fountain is to be for horses, and will cost about \$400.

Carl Falk, a representative of the Mott Iron company, is at present in the city to superintend the erection of the fountain presented by Mrs. J. H. Phelps, which is expected to arrive next week.

His comrades dug him out and he was removed unconscious to the Lackawanna hospital, where he was found to have sustained a broken leg.

James Quinn, a young man who lives on Lackawanna avenue, was painfully injured early yesterday morning by falling off the trestle which extends over Scranton street.

He was crossing it in the dark and made a misstep, which resulted in his fall. He received treatment at the Lackawanna hospital, where he was found to be suffering from a sprained back.

KILLED BY FALL OF ROCK.

Martin McCormick Dies at Lackawanna Hospital of His Injuries.

Martin McCormick, of Dunmore, was crushed under a fall of rock yesterday morning at the Gypsy Grove colliery No. 6, and suffered injuries which resulted in his death at the Lackawanna hospital.

He was badly cut about the head and also suffered intense agony from internal injuries of the abdomen. He died an hour after he was brought into the hospital. A wife and family survive him.

McCormick was aged 41 years, and is survived by a widow and four small children. The funeral will take place from his late home, on Drinker street, Thursday afternoon at 3 o'clock, with interment in St. Mary's Catholic church.

CHARGED WITH CONSPIRACY.

A Miner Accuses Three of His Fellow Workmen.

John Jennings, Peter Higgins, John Holman and P. J. Phillip, miners, were arrested last Monday night, at the instance of Anthony Burke, a fellow-employee, who charges them with conspiracy.

He alleges that he secured a contract to cut rock and that the four defendants conspired to get and secured his dismissal by threatening to influence the men in favor of a general strike if he was not dropped. Alderman Ruddy held each of the defendants in \$300 bail for court.

IN FEDERAL BUILDING.

Contractor's Men at Work Changing Arrangement of Rooms of Officials of Court.

Contractor Conrad Schroeder has several men at work on the second floor of the Federal building, making changes in the arrangement of the rooms, for which the contract was recently let him by the government.

The large room in which Referee in Bankruptcy C. A. Van Wormer has his desk, and which also serves as the quarters of Clerk E. R. W. Searle will be utilized as a work room for Clerk Searle and Deputy United States Marshal J. W. Snyder.

The latter will retain his present office, adjoining this room, and Mr. Searle will have as his private office the room adjoining.

This is being completely remodeled and will admirably answer the purpose. Clerk Searle's secretary, Mr. Rosemond, will remain stationed in the large work-room.

Judge R. W. Archibald's new quarters will consist of the rooms at present occupied by Deputy Clerk A. J. Colborn, who will, in turn, be shifted to the rooms adjoining the court room, which are now occupied by the judge. Referee Van Wormer will occupy the district attorney's office.

FOR PASSING BAD MONEY.

Deputy Marshal Snyder Arrests a Plymouth Man.

United States Deputy Marshal Snyder, of this city, went to Plymouth today to arrest James J. Falls on the charge of passing a counterfeit half dollar. The complaint was made by Charles Rudenauer, of Wilkes-Barre.

Falls was given a hearing before Commissioner Gustav Hahn, at Wilkes-Barre, yesterday morning, and, after listening to the evidence, the commissioner held him under \$1,000 bail. In default he was committed to await trial.

MISS MEREDITH PASSED BUCKINGHAM YESTERDAY.

The Educational Contest Broke Its Best Record Yesterday—The Margins Held by Schwenker, Miss Meredith and Brunner Are Very Small—Those in Table No. 2 Do Not Seem to Be Trying to Help Themselves Much.

TABLE NO. 1.

If this was the last day, these would win:

1. Meyer Lewis, Scranton	674
2. Miss Wilhelmina Griffin, Providence	629
3. Henry Schwenker, South Scranton	468
4. Garfield Anderson, Carbondale	465
5. William Miles, Hyde Park	354
6. Miss Norma Meredith, Hyde Park	227
7. Ray Buckingham, Elmhurst	222
8. Miss Vida Pedrick, Clark's Summit	158

TABLE NO. 2.

How many of these will be in Table No. 1 on the closing day?

9. August Brunner, Jr., Carbondale	105
10. Frank Kemmer, Factoryville	103
11. David O. Emery, Wimmers	57
12. Arthur C. Griffin, Montrose	39
13. Miss Minnie Wallis, Carbondale	24
14. W. H. Harris, Hyde Park	23
15. E. J. Sheridan, Hawley	6
16. Miss Jennie Ward, Olyphant	6
17. Robert Campbell, Green Ridge	3

Yesterday was the greatest day of all in the Tribune's Educational Contest. The largest number of points yet scored were turned in, and several changes were made in position. Henry Schwenker won back third place from Garfield Anderson and now leads the young man from the Pioneer city by three points. Miss Meredith passed Ray Buckingham and has five points to spare this morning in sixth place. Miss Griffin brought in enough points early in the day to nearly catch Meyer Lewis and take first place, but Mr. Lewis later turned in enough to not only maintain the lead he had yesterday morning, but to slightly increase it.

None of the contestants in Table No. 2 made any returns yesterday. Frank Kemmer only lacks two points to tie August Brunner for ninth place.

The competition is keen now for the first, third, sixth and ninth places, and there are only four days more left. Every contestant in the first table is working with the fullest vigor, and who will win the first three scholarships is an open question as yet.
