COMMON COUNCIL CONVENED.

Time of Paying Taxes Extended to November 1.

Common council last night concurred the select council resolution exending the time for paying taxes from eptember 1 to November I. All of twenty-eight members present roted for the resolution.

John F. McGreevy, the "extra" from te Sixth, who was out of the city when ouncil was expanded, presented himself and was sworn in by his colleague, hairman Calpin.

The resolution releasing T. F. Walsh & Co. from their sewer contract was referred to committee.

Concurrence was given a resolution exonerating the Presbyterian and Christian churches from the assessment for the North Main avenue pave A resolution was passed directing the director of public works and city engineer to investigate what damages, if any, would be inflicted on properties by the proposed grading of McDonigh, Perry, Laurel, Oak and other whether or not it is possible to secure leases from the property holders. Ordinances for grading certain streats the Twelfth ward, and for repaying he North Scranton station house were

oassed on first and second readings.
Ordinances for paving portions Washburn street and Olive street, and ien, passed third reading.

Director of Public Works Roche, transmitted plans prepared by Buildog Inspector Brown for rearranging he common council chamber to acommodate the increased membership. I'wo plans were submitted. Both conemplate the doing away with the row of spectators' seats in the rear and he space occupied by the chairman's costrum. The only difference in the wo plans is that one has the members' lesks in straight rows and the other

TICKETS WERE STOLEN.

Thieves Entered the Knights of Columbus Club House Yesterday Morning and Took Six Hundred Excursion Tickets.

olumbus, on North Washington aveiue, was broken into early yesterday orning and 600 tickets for the excurion to be run to Harvey's Lake today

y the knights were taken. Entrance was effected through a side or in the basement, which was B Capon and C. R. Acker orced open. It is believed that the burgiars were after money, as it was announced in the newspapers on Tuesday that all members selling tickets vere to make returns on Tuesday light. The burglars broke open the lesks of both the financial and recordng secretaries, and finding no money, ook the lickets.

The theft was discovered yesterday orning by several members of the excursion commutee, who believed at first that the excursion arrangements would be thrown into chaos by the

It was learned later that all the ord has been kept of the numbers of have numbers above this. This fact them if presented today,

Lackawanna Trainmen Expect Have a Conference Today.

The general committee of the Brotherhood of Railroad Trainmen of the road, which has been in session here for the past ten days, will wait upon General Superintendent T. E. Clarke oday to present the grievances they have formulated.

It is understood that the principal task of the committee was to revise the schedule of wages adopted soon after the new regime came into power ome of the runs the new schedule those effected are asking to have the schedule revised so as to give them at least as good wages as they carned before the per diem system was super seded by the mileage system.

P. H. Morriscy, the grand master of the Trainmen's organization, who is o speak at Carbondale next Tuesday, is expected in this city Saturday.

SATURDAY'S BALL GAME. South Scranton and Minooka Will

Meet at Athletic Park.

The South Scranton base ball club will meet at Burns' barber shop at 7.30 colock this evening, and all of the players of the team are expected to se present as final arrangements w be made for Saturday's game at Athletic park with Minooka.

Richard Nallin has wired the South from Norristown with Leo Crossin to at the Speedway hotel. play in the game. Crossin is at present pitching for Norristown, and Naiin is playing left field. Mr. Jackson is to have the supervis on of the construction of buildings in charge, while Mr. Brown will devote his attention to the inspection and approval of plans and specifications and he issuing of permits.

EXCURSION TO HARVEY'S LAKE.

Knights of Columbus Expect It Will Have an Immense Patronage.

The Knights of Columbus run their unual excursion today to Harvey's lake, and give the assurance to their friends that it will be one of the biggest and most enjoyable evente that has yet gone to that beautiful resort. There will be no trolley car delays to irritate the excursionists, as the arrangements are perfected for the running of the special passenger trains through to the lake. The ride to Harvey's lake from Scranton is a most enjoyable one, and the pleasures to be enjoyed at the lake are many. The picnic grounds are nicely arranged,

The first train leaves the Jersey Censession in an adjoining room with a nue at 8.30 o'clock in the morning, and delegates. This will consist of a large through to the lake over the Lehigh button, containing a cut of the Thir- Valley railroad from Wilkes-Barre. teenth regiment armory, hung by a Tickets are \$1 for adults and 75 cents for children
