TRANSFER OF SCHOOL PUPILS

AROUSED COMMENT AT SCHOOL BOARD'S MEETING.

Mr. Jennings' Ire Was Aroused Over Students from No. 18 School Going to No. 14 When They Were Assigned to No. 16-Controller Phillips Exonerated No. 14's Principal and Personally Assumed Responsibility for All Blame-Other Matters Before Meeting.

A lively little tilt occurred between School Controllers Jennings and Phillips at last night's meeting of the board, over the matter of pupils from No. 18 school, Grammar B grade, promoted to Grammar A and instructed to report at No. 15 school, going to No. 14 school Instead.

A decided preference exists among West Scranton students for No. 14, and there is an antipathy for No. 16, it was claimed last night, but after a very animated discussion of the matter, the board passed Mr. Jennings motion that the superintendent be requested to follow out the rules set down by the board for the transfer of pupils from one school to another. The vote stood 15-2 Messrs, Phillips, Evans and Evnon being the only ones to vote against the motion.

Controller Evnon in discussing the question stated that there were reports of incompetency on the part of Miss Fitzgibbon, the teacher in charge at No. 16, but Mr. Jennings declared that Superintendent Howell had exressed a favorable opinion regarding ier ability and that statements to the centrary only came from idle gossip,

MEET NEXT MONDAY NIGHT. The board will meet again Monday night in adjourned session, Mr. Schrieer having moved for another meeting, hortly after last night's session was called to order. A communication was end during the early part of the meeting from the county commissioners notifying the board that there were \$450,000 of outstanding bonds upon which the board is said to have asumed the taxation. The commisioners have been directed by the state poard of revenue commissioners to positively return the bonds for taxaion, and the controllers were notified o appear at the county office for a

A letter from Attorney Reedy accompanied this. Mr. Reedy had arranged for a meeting with the commissioners at 2 o'clock this afternoon and advised the board to authorize an appeal from the assessment, if the finding of the commissioners was against the contention of the district. The tax will

mount to \$1,500. Mr. Schriefer moved that the matter e referred to the finance committee and the attorney of the board. A letter was read from Superintendent Howell, in which he advised the purchase of two hundred mental arithmetics, and was referred to the text book committee, and several members of a delegation of cirizens from Lincoln Heights and the Round Woods were then given the freedom of the floor. Mr. Rundle, their first speaker. declared that there are about two hundred school-going children in that district, and the schools of Lackawanna township, which they have been attending, are now so crowded that the majority of young people have been The parents, therefore, petition the local school board to grant the privilege to the children in the higher grades of attending at No. 13 or No. 32 schools.

TO HAVE A CONFERENCE.

Several other members of the delegation spoke along similar lines, and Mr. Barker then arose and declared that the petitioners, as taxpavers in Lackawanna township, were in a position to demand school facilities there, and moved the matter be referred to the teachers' committee. Mr. Gibbons here took the floor, calling Mr. Langan to the chair, and declared that he had visited the Heights and in investigating the matter, found that the board would be willing to confer with the township board on the matter. He therefore moved that the children be idmitted to the West Scranton schools, particularly in the higher grades, pending a settlement of the matters by a conference. Mr. Barker withdrew his original motion, and Mr. Gibbons' motion was passed. Mr. Schriefer then moved that the secretary invite the Lackawanna board to meet the teachers' committee at Thursday night's meeting. This was also passed

Mr. Jennings then reported for the high and training school committee. Ht recommended that as the board has secured a stock of costly drawing instruments, and in the past many of bese have been lost or broken through the negligence of the pupils, this year ach student entrusted with the instruments be required to make a deposit of \$4.50, their full value, which will be telmbursed when he returns the set in good condition. The com-North Main avenue, and his young son, mittee also recommended the admission as post graduate students of Michael Flanigan, Joseph Rafter, Lucy Gilgallon, James Neeld, Mabel Lohmann, Both Mr. John and his son were Myer Kabatchnick, Griffith Thomas, Annie M. Boland, William E. McKee Lizzie R. Callahan, Eugene Tropp and ohn Tighe.

The committee also advised the binding of one hundred school books at 30 cents each at a West Pittston binderv, and the appointment of Miss Davis, a Bucknell graduate, as an additional teacher on the substitute list owing to the sudden illness of Prof. Beaumont, of the High school faculty The committee furthermore recommended that the kindergarten teachers be given permission to meet weeky in the high school and that Miss Christine Fellows be made assistant teacher in the training school. This recommendation was largely due to the splendid work of Miss Fellows last year in the training school.

REPORT ADOPTED.

The report was adopted and Mr. Bar ker then reported for the teachers' ommittee. He recommended that the salary of the music teacher be fixed \$1,200 a year and that the salary of he sympathized and aided us in Miss Anna Munson, of Grammar I grade. No. 14 school, be raised to \$60 ; month. The committee also recommended that the board adopt a resolution to the effect that it deprecated the ustom sometimes adopted by teachers n soliciting individual members of the poard on the question of adjustment of salaries, and that the board direct that hereafter all appeals for such adjustments shall be made in writing to the teachers' committee, and all cirumstances leading up to the request be stated in it.

Doings of Equity Court.

A session of equity court was opened esterday by Judge Carpenter. All of he afternoon was consumed in hearing evidence and arguments in the injunction case of Benjamin S. Robinson

against Michael J. Gerrity. The plaintiff built a \$6,000 double dwelling on the corner of North Main avenue and Oak street, in 1892. November of last year, the defendant, who had a blacksmith shop on leased land, on Oak street, was compelled to move it to make way for the construction of a church. He moved the shop to the rear of a lot facing North Main avenue, and adjoining the property of the plaintiff.

The plaintiff came into court and sked for an injunction to compel Gerrity to remove his shop, alleging it a nuisance.

Mr. Robinson and his tenant, Mrs. Enima Bertine, and a neighbor, Rev A. Hatcher Smith, pastor of the North Main avenue Baptist church, took the stand yesterday and testified that the noise of the blacksmith shop and the odors emanating therefrom made habitation thereabouts uncomfortable and

The defendant and Fred Walter, a reighbor, protested that the shop was not a nuisance, and John B. Gillespie, who was at one time a tenant of Robinson, said he was never annoyed or inconvenienced by the shop, but explained that he was usually not at nome during the hours when the shop

was in operation. S. B. Price appeared for the plain-tiff, and E. C. Newcomb and Clarence Balentine for the defendant.
