each succeeding question, but Czolgosz stubbornly refused to answer. Assigned Counsel,

The district attorney respectfully suggested that counsel be assigned to defend the prisoner and ascertain what he had better do as to his plea to the indictment before arraignment. Judge Emery then asked the prisoner before the bar if he had counsel, but there was no answer, despite the fact that the police officials told him the judge was speaking and that he must an-

The court then said: "Czolgosz, you having appeared for arraignment in the court without counsel, the law makes it the duty of the court to assign counsel. The Bar association of our county has considered the matter and suggested the names of certain gentlemen of high character for such assignment. The court has seriously onsidered the question, and after such consideration has concluded to follow the suggestions made by the association. The court, therefore, assigns the Hon. Loran L. ## NO MAN IS STRONGER THAN HIS STOMACH.

The stomach is the vital center of the body. It is the organ from which all other organs are fed. A weak stomach means a weak man. There never was a strong man with a weak stomach. What is called "weak stomach" is in general a diseased condition of the stomach and other organs of digestion and nutrition, which prevents the proper digestion of the food which is taken into the stomach, and so reduces the nutrition of the body. When all-food is taken away the body starves. When the food eaten is only digested and assimilated in part it only nourishes the body in part, and so the body is partly starved. And this starvation is felt in every organ of the body dependent on the blood which is made from food.

The great variety of the cures per-formed by Dr. Pierce's Golden Medical Discovery is due to its remarkable power to heal diseases of the stomach and allied organs. It cures through the stomach diseases seemingly remote, but which have their origin in a diseased condition of the stomach and the other organs of digestion and nutrition. "Weak" heart, lungs, kidneys and weakness of other organs is cured with the

cure of the weak stomach. cure of the weak stomach.

Mr. Thomas A. swarts Box 101. Sub-Station C. Columbus, Ohio, writes: "I was taken very sick with severe headache, then cramps in the stomach, and food would not digest, then kidney and liver trouble, and my back got weak so I could scarcely get around. The more I doctored the worse I got until six years passed. I had become so poorly I could only walk in the house by the aid of a chair, and I got so thin I had given up to dee, thinking that I could not becured. Then one of my neighbors said. Take Dr. Pierce's Golden Medical Discovery and make a new man out of yourself. The first bottle helped me so I thought I would get another, and after I had taken eight bottles I was weighed and found I had gained twenty-seven (27) lbs. in about six weeks. I have done more hard work in the past eleven months than I did in two years before, and I am as stout and healthy today, I think, as I ever was."
