## NATION'S MARTYR NOW AMONG HIS LIFE-LONG FRIENDS

[Concluded from Page 1.]

bowed low, his lips twitching convulsively. A few final details were arranged and then the door was opened to the public.

Two little girls were the first to approach the casket. Directly behind them was a tall, powerful man with a red mustache. As he gazed into the casket he caught his breath in a quick sharp sob that was audible in every part of the hallway. He then gave way entirely and, weeping bitterly, passed out. Many of the people as they looked upon the face of their dear friend whom they had seen but two weeks ago, in full health, caught their breath at the change that was there. The president's face was much thinner than they expected it would be and the sight that met their eyes shocked them greatly. The crowd was admitted four abreast, passing to the right and left of the casket by twos. No delay was permitted and fully 150 a minute passed the bier.

### Not Again to Be Viewed by Public.

The executive committee decided this afternoon that the remains of the late president should be removed to the McKinley home at 6 o'clock this evening, and they will not be again viewed by the public.

## SENATORS HURRYING TO THE FUNERAL

Washington, Sept. 18.—A party of United States senators and members of the house of representatives left here at 4.30 p. m. today to attend tomorrow the funeral services over the remains of President McKinley at Canton. The train was in two sections, the first carrying senators and the second members of the house. Several senators went on the funeral train last night from Washington and some from the West will join the party at Canton.

The senate train consisted of five coaches and the house train of ten. Both are expected to reach Canton early tomorrow morning and returning to arrive in Washington Friday morning. One of the coaches from the representatives' train will be taken to Chicago and the other to New York, via Buffalo. Sergeant-at-Arms Ransdell is in charge of the senate train and Sergeant-at-Arms Casson of the house train.

Philadelphia, Sept. 18.—After a ride of three days on horseback through the wilds of Idaho and four and a half days on railroad trains, United States Senator Penrose arrived home at midnight and left this morning for Canton to attend the funeral of President McKinley.

Senator Penrose had been on a two months' hunting trip in the West, and he started for the East the moment the news of the shooting of the president was conveyed to him. He is accompanied on his trip to Canton by Attorney General John P. Elkin.

Harrisburg, Sept. 18.—Governor Stone and Private Secretary Gerwig left for Canton tonight to attend the McKinley funeral.

## BAD PLACE TO MAKE ANY THEATS

By Exclusive Wire from The Associated Press.

Canton, Sept. 15.—Considerable excitement was caused in public square while the people were assembled there to view the remains. Some one accused an Italian, who afterwards gave his name as Carmine Deviarro, of saying he would kill President Roosevelt.

The man, who could speak hardly a word of English, became frightened and answered yes and no at random, to the questions that were volleyed at him, invariably giving the wrong answers and in a moment a great crowd had surrounded him and the cry of "Lynch him" was raised.

Major Marquis, with a company of Ohio militia, formed a hollow square and rescued the man, who was taken to the police headquarters for his own protection. The police do not believe the man contemplated harm.

## EVIDENCES OF THE CAPITOL CRUSH

Washington, Sept. 18.—The east front of the capitol, early today, presented many evidences of the confusion that reigned in the crowd which assembled there yesterday before gaining admission to the rotunda. Aside from the usual debris left by a large crowd which has been long in one place, the ground was strewn with many articles of wearing apparel. There were hundreds of hats, which had been worn both by men and women, scores of umbrellas, handkerchiefs, numberless bows, ribbons and ties, and also not a few ladies' skirts and other articles of feminine apparel.

Believing that pocketbooks, watches and other articles of value might have been dropped, the police searched the grounds as soon as day broke, but they found nothing, and they are satisfied that other searchers had been there in advance of them. The articles left had been trodden over until they were almost unrecognizable. The fire department was called upon to clean the grounds.

## A CASE OF IT.

### Many More Like It in Scranton.

The following case is but one of many similar occurring daily in Scranton. It is an easy matter to verify its correctness. Surely you cannot ask for better proof than such conclusive evidence.

Mr. Frederick Davis, of 505 Sumner avenue, engineer at the Lackawanna Iron and Steel company, says: "For two years there was a gnawing pain across my back, which bothered me at night more than any other time. I had to lie in just such a position in order to take any comfort or enjoy my night's rest. If I was not careful in turning over, sharp twinges would catch me in the back and disturb my rest, so that I got up in the morning tired and with my back so lame and sore that I could hardly move. The secretions from the kidneys were highly colored and contained sediment. One of the men at the works recommended Doan's Kidney Pills to me, saying they had helped his father when everything else had failed. I sent to Matthews Bros.' drug store and got two boxes. Gradually the pain in my back began to leave me, and when I had used the two boxes it disappeared completely."

Sold for 50 cents per box by all dealers. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name Doan's and take no other.

Meanwhile Miss Goldman was led back to the woman's annex at the Harrison street station. She was much disappointed at the amount of the bond required.

## RELATIONS ARE SEVERED

### REGRET OF PRESBYTERY OVER LOSS OF DR. ROBINSON.

#### Because of Failing Health He Was Compelled to Resign the Pastorate of the Second Presbyterian Church of This City—Yesterday the Lackawanna Presbytery Formally Severed the Relations Between Pastor and Church—Minute Offered by Dr. McLeod Was Adopted.

Special to the Scranton Tribune.

Honesdale, Sept. 18.—At the request of Rev. C. E. Robinson, D. D., pastor of the Second Presbyterian church of Scranton, the pastoral relations which existed between him and that church were dissolved by the Lackawanna Presbytery at its session held here today. Dr. Robinson resigned his charge some time ago, because of failing health. His resignation will take effect October 1.

The following minute, offered by Rev. James McLeod, D. D., of Scranton, was adopted in connection with the severing of the pastoral relations of Dr. Robinson:

Resolved, That in dissolving the pastoral relationship between the Rev. C. E. Robinson, D. D., and the Second Presbyterian church of Scranton this presbytery puts on record its profound regret that this action is made necessary on account of Dr. Robinson's health. We deeply sympathize with the church which has so reluctantly joined in asking that their relations as pastor and people be dissolved. That God may long spare our beloved brother, and that He may continue to use him for many years to do an efficient work for the Master whom he loves is our earnest prayer.

It is also our sincere prayer that the Second church of Scranton may be divinely guided in choosing a successor to Dr. Robinson. The Presbytery further hereby commends the action of the Second church of Scranton in making suitable provision for the maintenance of Dr. Robinson and his dearest wife so long as it may please God to spare their lives.

#### REGRET EXPRESSED.

Short addresses of deep sorrow and regret were made by many of the ministers and elders, in parting with a man so much beloved as Dr. Robinson. At the latter's request he will be given his letter from the Lackawanna Presbytery to the Presbytery of New York, as he intends to make his home in the vicinity of New York, after his retirement from active work in Scranton.

Rev. Dr. McLeod was appointed moderator of the session of the Second Presbyterian church until such time as that church secures a new pastor.

The church at Taylor made a request for the services of Rev. W. G. Funk, who is now in church of the churches at Duryea and Lackawanna. The request was granted, and Rev. Mr. Funk will hereafter look after the Taylor church.

The report of the committee on revision of the new rules of the Presbytery, which occupied most of the forenoon session of the Presbytery, Tuesday morning, was concluded at the afternoon session. Their report was adopted with few slight alterations. The rule to reduce to paying one-half of the expenses of members to the Synod brought on a lively discussion, resulting in a tie vote. The matter was decided by the moderator in the affirmative.

Revs. George G. Barnes and Joseph K. Freed were received from the Newton Presbytery, Rev. C. L. Percy, of the Wayne Baptist association, and Rev. G. A. Place, of the Binghamton conference, were invited to sit as corresponding members. Rev. Dr. Moffit made a favorable report on Freedmen, which was accepted. Dr. Robinson, for the committee, made a report on Sumner avenue church. He resigned from the committee, receiving the thanks of the Presbytery for his services. Dr. McLeod was appointed to fill the vacancy. A call for Rev. James K. Freed to the Scott church was accepted.

#### DR. LANSING'S ADDRESS.

Rev. J. B. Craven, of Wilkes-Barre, presided at the evening meeting. A large audience listened with profound interest to the talk of Rev. I. J. Lansing, D. D., on the "Child Central in Christianity." The speaker held the audience for one hour while he showed the child central in the Christian life, the world's progress and all that is good.

This morning the pastoral relations between Rev. W. D. Crocket and the church at Canton were dissolved. The salary of the stated clerk was fixed at $200 per year; permanent clerk, $30 per year; temporary clerk, $10 per year; the Presbyterial missionary, $1,000 and expenses after October 1, 1902.

Thursday morning at 11 o'clock the Presbytery will hold a memorial service for the late President McKinley. The people of Honesdale will join with them in the service.

It is fourteen years since the Presbytery met with the Honesdale Presbyterian church. Rev. R. B. Webster is permanent clerk, and Rev. P. H. Brooks, stated clerk of the Presbytery. There are forty-eight ministers and twenty-four elders present.

### Embalmer Makes a Statement.

By Exclusive Wire from The Associated Press.

Canton, O., Sept. 18.—Among those at the court house today while the body of the late president lay in state was the funeral director from Buffalo, who embalmed the body and who came on here to render his duties to the local funeral director. He has received a dispatch from his business associate at Buffalo saying that some comment was being made concerning the haste with which the casket was closed, owing to the condition of the embalming. He stated that the condition of the remains after the autopsy made it impossible to properly perform the usual duties of embalming and he asked, in justice to himself and his associates, that this fact be stated on his authority.
