our opportune day: yes, it is seness of time to speak of the these four points. President est of these four points. without the slightest jar to our govern-McKinley was assassinated by an an-archist. Mark the fact, assassinated by an anarchist. Not by a personal mal-content. Not by a foe of the army of the enemy. Not by a spy from a hosment's life. There is not another na ion in the world that could do that. "The death of the president has taught us another lesson. It taught us that we must check and tile country. Not by a guerilia in am-bush in a skientish campaign. No, not so-would to God such might have been stamp out of existence the treasonable press. It has taught us that we must the case, if on that fatal day a bullet must have been the instrument of deal severely with these journalists who are coining conscience into dollars. death. But no, an anarchist shot him, Their treasonable sheets with their a man who, after his part was done, defaulty declared that he was an an-archist and said, "I did just what I invile cartoons, have held the president of this nation and our great commerhai interests up to ridicule. They have tended to. 1 am an anarchist." \* \* The anarchist is the avowed enemy belittled the president and men in

power, but it will never be done again. of the church, and shall the preacher in the pulpit, and the worshipper in the pew keep silence, while in accordance "If the paper I have in mind ever dares again to print the pictures it was with the teaching of anarchism the anarchist stealthily and with Judas-like treachery takes the life of the printing three weeks ago, the people of New York city will mob its office. It

is interesting, but disgusting, to see the executive of sevenix-six millions of people." Shall the church here in Scranton and all good citizens with-hold their voices of indignation and condemnation when some of our repuhow anxious this sheet is to get on the right side again. What sweet things it has been saying this last week about the man it pictured a few weeks ago table neighbors are receiving through the mail a threatening note written in the following language, "Be ready, We as Little Willie. Why is it saying the things? Because the sentiment of the American people demands that neve will soon fix you for the corner tele-graph pole. You are nurked, and will soon be ready for inquest." Yes, friends, the time has even now come for America and all the church to again shall a paper speak idly or illy

of the man chosen by the people to be president of this great land of ours. "Another lesson which President Mcstrike a decisive, final blow at a system | Kinley's death teaches us is the doorn which decries law and order and urges rapine and murder in carrying out its of anarchy. There will be no more o anarchism in this country. There will ands. The seed of anarchism is not inbe no more processions, headed by the red flag. \* \* \* It has taught us that angle of the seed of an arrestment is not his digenous to American soil. It is not native to our republic. Anarchism has no claim upon us. It has no rights we f among us. It is in no near or remote the way related to us. It can give no valid try: we must say to the anarchist and to the foreigner who comes to this coun-'We are a law-abiding people eason for being tolerated in our body of the 11 is anti-American. It is anti-You dare to strike at the law and the law will strike you back."

Christian, and the sooner it is exter-minated, root and branch, the better for the church in which is all our hope, "There is one more thing that this awful tragedy has shown to the world. It has placed the other nations for the and for our republic, which distin-guishes between liberty and license first time in close touch with the Chrisand glories in a constitutional and tinn American home. President McKin-Christian government. ley's home life was ideally perfect, and From that tear-wet sepurches in Can-
