> " DEAR MRS. PINKHAM : - I can thank you for perfect health to-day. Life looked so dark to me a year or two ago. I had constant pains, my limbs swelled, I had dizzy spells, and never

knew one day how I would feel the next. I was nervous and had no appetite, neither could I sleep soundly nights. Lydla E. Pinkham's Vegetable Compound, used in con-junction with your Sanative Wash, did more for me than all the medicines and the skill of the doctors. For eight months I have enjoyed perfect health. I verily believe that most of the doctors are guessing and experimenting when they try to cure a woman with an assortment of complications, such as mine; but you do not guess. How I wish all suffering women could only know of your remedy: there would be less suffering I know."—LAURA How-ARD, 113 Newberry Ave., Chicago, Ili.—\$5000 forfelt if above testimonial is not genuine.
