

WEST SCRANTON

FUNERAL OF G. A. WILLIAMS

WILL TAKE PLACE TOMORROW AFTERNOON.

Remains Arrived from Granville Last Night and Were Taken to the Home of Deceased's Parents, Where the Funeral Services Will Be Held—Driving Club Races Were Disappointing—Funeral of Mrs. Mackreth—Prohibition Alliance Officers Elected—News Notes.

The remains of the late William A. Williams arrived in this city at 10:40 o'clock last night over the Delaware and Hudson railroad from Granville, N. Y., where he died Wednesday morning. Accompanying them were his wife and daughter and father and mother, Mr. and Mrs. William H. Williams.

The body was taken in charge by Funeral Director Will Price and removed to the home of deceased's parents, 314 South Main avenue, from which place the funeral will take place tomorrow afternoon at 2 o'clock.

A large number of Mr. Williams' most intimate friends were at the station when the bereaved wife and parents arrived, and offered their sympathy to them in their affliction. The news of his death was a severe shock to all who knew him.

A special meeting of the West Side Central Republican club was held at the rooms last evening and a committee of three, James Leysdon, Palmer Williams and W. H. Hughes, was appointed by President Williams to draft suitable resolutions on the death of Mr. Williams.

The Electric Wheelmen postponed their stag affair last evening and held a special meeting for the purpose of adopting resolutions on Mr. Williams' death. They also decided to attend the funeral in a body, and will meet at the club house an hour before the services.

The resolutions adopted were as follows:

Whereas, it has been the will of Almighty God to remove from our presence our beloved and esteemed member, Gordon A. Williams, and whereas, in the death of our brother we have sustained an irreparable loss, and as a member, but as a friend, whose integrity, honesty of purpose and uprightness of character was beyond reproach, therefore, be it

Resolved, That we extend to the bereaved family our heartfelt sympathy in this their hour of trial, and commend them to the All Wise Ruler of the Universe, whose chastisements are meant to instruct, and be it further

Resolved, That our charter be draped in mourning for a period of thirty days; that these mourning flags be placed on the minutes of the club; that a copy be presented to the family, and that they be published in the daily papers.

C. M. Haver, Edward Williams, Edward B. Davis, Committee.

Members of the Robert Morris lodge of Ivesites met last evening and arranged for the funeral to attend the funeral services. The newspaper men of the city will also attend in a body.

The funeral services will be conducted by the Rev. Hugh Davies, pastor of the South Main Avenue Welsh Catholicist Methodist church.

West Side Driving Club. The race meet of the West Side Driving club, on the Elmhurst boulevard speedway yesterday afternoon, was a disappointment to the several hundred spectators who attended.

In the first place, the entries were few and far between, and the horses that were expected could not perform with any degree of certainty or swiftness. The best time made in the only race that was finished, was 1:23 for a half mile. This was in the club race, in which three horses were entered.

Those who took part in the race were George W. James, St. Charles, entered by Albert Wicks, and Shesby John, entered by William Beuning, and driven by Henry Justin. The first heat was won easily by St. Charles in 1:25.4. She also took the second heat in 1:24.4, and the fourth heat in 1:24. Brunning's horse trotted the half-mile in the third heat in 1:23.

The running race furnished the only excitement of the day, and as a result a young man named Evan Joseph, now lives in the West Side hotel, at with a fractured leg. In warning the animal collided with Albert Wicks' sulkey on the track, threw Joseph off, fell on him, and otherwise reformed in a timely manner.

Wicks was thrown from his seat, his leg was put out of business and Joseph received a severe shaking up and bruising in addition to an injured leg. The race was called off after this as no one could be found who would ride the animal.

Three horses were entered in this event: Frank D., by Livermore; Delber; Evening Star, by Meredith Jones, and Ferr's "Has-Been." The first and only heat was won by Evening Star in 1:24.4. Ferr's horse was ridden in this heat by a boy named Blithhouse, who also had a narrow escape from being injured. The animal has a tendency to take to the woods when going at his liveliest pace.

There were no entries to go against James Mahon's black charger in the 2:30 class, and after scoring a few times, the animal was withdrawn. The free-for-all was out out altogether, as there were no entries.

The officials were Peter Bohling, starter; Dr. Sutton, timer, and Mr. Waddie, judge.

Joseph's injuries were attended to by Dr. Raymond and Dr. Hollister, who
