ELEVENTH WARD SEWER IS COMPLETED.

Contractors Fleckus and Partridge Finished the Work Two Months Sooner Than the Time Called for in the Contract—Officers for the Star Social Club Elected—Improvements That Have Been Made at No. 3 School—Present Received by Motz Scheller—News Notes.

Christian Fleckus and William Partridge, contractors, who have had charge of the work on the Eleventh ward sewer, completed their contract yesterday.

The Star Social Club members at Mirtz hall, on Pittston avenue, last night, when a regular monthly meeting was called to order and after transaction of some special business in connection with their annual social, which takes place Oct. 26, officers were nominated and elected for the ensuing term.

There was a full attendance of the Star Social club members at Mirtz hall, on Pittston avenue, last night, when a regular monthly meeting was called to order and after transaction of some special business in connection with their annual social, which takes place Oct. 26, officers were nominated and elected for the ensuing term.

Those who will fill the chairs the coming year are: President, Mathew D. Daulton; vice president, William J. Rosar; financial secretary, Jacob J. Mirtz; recording secretary, Mathew Miller; treasurer, Peter Phillips, Jr.; trustees, Charles Cooper, Eugene Davis and David Lewis.

This society is in a healthy condition, and a snug sum is in the treasury. The membership is limited to thirty, which is composed of prominent young men of this part of the city. The annual social, which has come to be looked on as one of the social events of the season.

Improvements at No. 3 School. No. 3 school, which is situated on the corner of Hickory street and Pittston avenue, in the Eleventh ward, has been vastly improved by recent changes.

The school, which was erected several years ago, always had a dingy look, because of the dull red brick used in its construction and appeared low, because of the slightly tilted roof.

This is all changed, however, and the handsome tower, which now bears itself above the roof, always had a dingy look, because of the dull red brick used in its construction and appeared low, because of the slightly tilted roof.

The changes made are due to the efforts of School Controller Peter Neils, who takes much interest and has made in everything that pertains to the school children or will add to their comfort and happiness.

"A Present from New York." Motz Scheller, night engineer at the Lackawanna brewery, was somewhat surprised yesterday to receive a package (C. O. D.) from New York, for which forty cents was charged.

It appeared that Scheller had greatly surprised a foot stool made by the brewery carpenter and had expressed a desire to possess a similar one. The carpenter and several friends got together and the package was the result.

It was paid and accepted for the necessary disbursements and Motz Scheller, in the evening, opened the box. They found a stool, but not like the one Motz admired. In fact, it was but a rude imitation of a three legged stool used in olden times, and Motz swore a little when it dawned upon him that he had been hoodwinked.

Mr. and Mrs. M. W. Chamberlain returned yesterday from a two weeks' stay in Philadelphia. Horace E., the two year old son of Mr. and Mrs. Henry Bunning of Brook street died yesterday after a short illness with membranous croup. Mr. Bunning left several days ago for a trip throughout York state and they have not yet been able to locate him. The funeral arrangements have not yet been made pending his return.

John Beck, of 612 Pittston avenue, who was operated on recently for a hernia at the private hospital, is at home and greatly improved. The bands of the following well-known young people will be called from the altar at St. Mary's German Catholic church, on River street, tomorrow morning: Miss Helena Rosar and Deputy Sheriff Charles Best; Miss Annie Goshawinder and John Hawk. The two weddings will take place some time near the latter part of this month.

Kitty D., the power owned by Peter Marker, made a great run a few nights ago and her speed alone was the cause of setting the city of John Avenue from a newly horse-drawn. He had a start of over a block and yet was overtaken in less than half a mile, and was compelled to jump out and take to the woods.

There is no improvement noticeable in the condition of John Arnold, City Treasurer Edward J. Robinson and August Schimpf are home from Philadelphia, where they attended the State Farmers' convention. Mrs. John Veith, of Maplewood, is spending a few days with her daughter and son-in-law, Mr. and Mrs. Adam Frenkel, of 218 Cedar avenue.

MISS VIRGINIA GRANES

Graduate Nurse, and President of Nurses' Association of Watertown, N. Y., Tells How Much Doctors Use Lydia E. Pinkham's Vegetable Compound.

Has Yet To Hear of Its Failure To Cure.

It is not infrequent that information comes to our attention proving that the medical profession in general prescribe large quantities of Lydia E. Pinkham's Vegetable Compound in their private practice.

It is a fact beyond dispute that nowhere is to be found a remedy so universally successful in curing female ills, and the broad-minded physician of today is quick to recognize his duty to his patient, and does not hesitate to prescribe the best medicine he can find, — the medicine that is surest and quickest to bring relief to his patient; for this very reason thousands of the very best physicians are prescribing in their treatment of female ills Lydia E. Pinkham's Vegetable Compound, while not in the original bottles perhaps, but in plain prescription bottles with their own or druggists' name.

It is our pleasure and our privilege to publish a letter from a graduate nurse whose reputation and prominence in her profession lends much weight to her opinions, and whose testimony goes to prove our statements in regard to the high esteem in which Lydia E. Pinkham's Vegetable Compound is held by our leading physicians and trained nurses.

MISS VIRGINIA GRANES.

"DEAR MRS. PINKHAM:— Twelve years continuous service at the sick beds in some of our prominent hospitals, as well as at private homes, has given me varied experiences with the diseases of women. I have nursed some most distressing cases of inflammation and ulceration of the ovaries and womb. I have known that doctors used Lydia E. Pinkham's Vegetable Compound when everything else failed with their patients. I have advised my patients and friends to use it, and have yet to hear of its first failure to cure.

"Four years ago I had falling of the womb from straining in lifting a heavy patient, and knowing of the value of your Compound I began to use it at once, and in six weeks I was well once more, and have had no trouble since. I am most pleased to have had an opportunity to say a few words in praise of your Vegetable Compound, and shall take every occasion to recommend it."— MISS VIRGINIA GRANES, 444 So. Spring St., Los Angeles, Cal. [Present address.]

Be it, therefore, believed by all women who are ill that Lydia E. Pinkham's Vegetable Compound is the medicine they should take. It has stood the test of time, and it has hundreds of thousands of cures to its credit. It should, therefore, be considered unwise to experiment further.

Mrs. Pinkham, whose address is Lynn, Mass., will answer cheerfully and without cost all letters addressed to her by sick women.

\$5000 REWARD.—We have deposited with the National City Bank of Lynn, \$5000, which will be paid to any person who can find the above testimony for sale. It is not genuine, or was published before obtaining the writer's special permission. Lydia E. Pinkham Medicine Co., Lynn, Mass.

Sunday school will be held after the morning service. Trip to Atlantic City church—Preaching both morning and evening by the pastor, J. D. Dabney. Morning topic, "Joseph a Type of Christ." Evening topic, "God's Manifestation in the Flesh." Sunday school at 10 o'clock. Everybody made to feel welcome. Come worship with us.

Stewart Bishop, who has been suffering from an attack of appendicitis, is now convalescent at his home on Brook street. Mr. and Mrs. M. W. Chamberlain returned yesterday from a two weeks' stay in Philadelphia.

Horace E., the two year old son of Mr. and Mrs. Henry Bunning of Brook street died yesterday after a short illness with membranous croup.
