WEST SCRANTON

THEIR ANNUAL CELEBRATION

CONDUCTED BY THE FATHER MATHEW SOCIETY.

A Very Entertaining Programme Rendered in St. David's Hall. Richard Morgan, of Lincoln Avenue, and Miss Elizabeth Smith, of Rebecca Avenue, Married at the Bride's Home—Funeral of Mrs. William F. York and William Scalley—Other Matters.

The Hyde Park Father Mathew society held their annual entertainment and social in St. David's hall last evening, where a large number gathered to participate in the event. The entertainment provided was thoroughly enjoyed, and nearly all the numbers were encored.

Miss Margaret Thornton opened with a piano selection, and was followed by Master James McHugh, who sang two popular songs. Michael Donnegan also sang in his usual fine voice, and solos were rendered by Loughlin McHugh, John Shaughnessy, Carmel Fahey and Miss Margaret Armsby.

William Gilroy declaimed in an able manner, and remarks were made by Chairman Thomas Fleming, James C. Gallagher, D. J. Campbell and C. G. Boland.

A feature of the exercises were the instrumental selections rendered by the St. Patrick's parochial school orchestra, and the violin solos played by Frank McHale. At the close of the entertainment refreshments were served, and a dance followed to music by Miss Thornton.

Washburn Street Presbyterians.

An enjoyable session of the Ladies' Missionary society was held yesterday afternoon at the home of Mrs. Eugene Fellows, on South Main avenue. The work for the coming year was outlined and refreshments were served.

The Christian Endeavor society held a business meeting in the parlors of the church last evening, which was largely attended. Several matters of interest to the society were discussed and acted on.

Young People Entertain.

The young people's society of the First Welsh Congregational church gave a very creditable entertainment last evening to a large audience. Rev. David Jones, the pastor, was chairman, and a feature of the event was the singing of Rev. J. Twyson Jones, of Ebensburg, who is visiting here.

Recitations were given by Beatrice Carson, Thomas Elias, William D. Davis and John T. Davies, and solos were rendered by Gomer Reese, Helen Thomas, Lizzie Jenkins, Thomas Elias, Esther Thomas, Thomas Abrams and David Jenkins. The entertainment concluded with the singing of a patriotic selection by the audience. Miss Norma Williams accompanied the singers on the piano.

A social was afterwards enjoyed in the basement of the church, where ice cream, candy, etc., was offered for sale.

Blockade Finally Raised.

For several weeks West Lackawanna avenue, between North Main avenue and Chestnut street, has been blockaded by the removal of a three house block from the rear of Clarke Brothers' stores to the vacant lot on the opposite of the street, owned by Joseph Cassesse.

In order to move the building it was necessary to cut one-third of it away from the rest, and first move that. Then the other part was moved. Much trouble was experienced with the overhead wires, but all this was finally overcome, and now the street is open again for vehicular traffic.

The foundation for the immense extension to Clarke Bros.' stores is nearly completed, and the structural iron is on the ground ready to be put in place for supporting the main building.

Wedding Announcements.

Richard Morgan, of North Lincoln avenue, and Miss Elizabeth Smith, of North Rebecca avenue, were united in marriage last evening at the home of the bride's parents.

Burton H. Davis, of Main avenue, and Miss Mary Elizabeth Jones, of Jackson street, daughter of Mr. and Mrs. William A. Jones, will be united in marriage at noon on Oct. 16, at the home of the young lady's parents.

Charles E. Lee, of North Bromley avenue, was united in marriage last evening to Miss Pauline Spaeth, at the home of the bride's parents in Carbondale.

Seen Three Years' Service.

Arthur, son of Mr. and Mrs. John Davis, of North Rebecca avenue, returned home recently from three years of continuous service in the United States navy. He enlisted in 1898, and sailed from New York on the Oregon. He spent some time in the Philippine Islands, where he first saw active service.

Afterwards young Davis fought in China during the Boxer uprising, and while doing picket duty was taken prisoner by the enemy, but escaped and rejoined his company. He brought home with him a number of interesting relics.

Paraded in Wilkes-Barre.

West Scranton temperance men were very much in evidence in the Catholic Total Abstinence union parade in Wilkes-Barre yesterday. Walter McNichols was marshal of one of the divisions, Bauer's band played and St. Paul's Pioneer corps marched with their old-time enthusiasm.

The Hyde Park Father Mathew society and cadets and St. Leo's battalion were also in line. A large number of young people took advantage of the cheap excursion rates and spent the day in Wilkes-Barre.

Stone Throwing.

Stones were thrown through street car windows yesterday by a crowd of boys who hid behind the Simpson Methodist Episcopal church. The pavement in front of the edifice was literally covered with broken glass.

An ingenious plan to delay the cars was put into execution on South Main avenue, near Washburn street, where the boys "packed" the switch, using their school books as tampers. It required several minutes' hard work on the part of the street car employes to remove the wedges in the switches.

Two Sporting Challenges.

Earnest Yeuch, of West Scranton, has issued a challenge to wrestle any lightweight in the country. Man and money ready at Marsh's lunch rooms, North Main avenue.

Daniel O'Brien, of Taylor, has issued a challenge to play a game of quoits with any man from Pittston to Carbondale, the distance to be fifteen or eighteen yards. He prefers to play John Lewis, of West Scranton.

Two Funerals Yesterday.

Rev. H. C. McDermott, pastor of the Simpson Methodist Episcopal church, officiated at the funeral of the late Mrs. William F. York yesterday afternoon. The services were held at the family home on Jackson street, where many friends and relatives congregated to attend the funeral. The pallbearers were Benjamin Anthony, Daniel Davis, Griffith Price, James Longworth, Edward Greame and Otto Schnikert. Burial was made in the Washburn street cemetery.

The funeral of the late William Scalley, who was killed on the railroad at Port Morris, occurred yesterday afternoon from the house at 120 North Van Buren avenue. Short services were held over the remains in St. Patrick's Catholic church, and interment was made in the Cathedral cemetery. The pallbearers were Joseph and James Gurrell, William Corcoran, John Linner, William Haggerty and Michael Culkin.

SOUTH SCRANTON

IMPORTS CHARGED WITH DISORDERLY CONDUCT.

Warrants for Their Arrest Issued by Alderman Lentes—They Will Have a Hearing This Morning at 9 O'clock—Fred Martin Entertained a Party of Friends at a Pig Roast. Number of Cases Heard Before Aldermen—Celebration in Honor of Joseph Conrad.

Two of the recent imports who are employed by the Scranton Railway company to run the cars, were arrested yesterday on this side for disorderly conduct on information sworn to by Charles Oram.

The warrants were made out by Alderman Lentes, and served by Constable Woelkers. A hearing in the case was scheduled last night, but at the request of Attorney H. A. Knapp, attorney for the company, the men were allowed to stay on the cars, and the case was postponed until 9 o'clock this morning, when the imports who are designated in the warrants as John Doe will be produced.

Warrants are out for other imports on charges of carrying concealed weapons and making threats, and there promises to be lively proceedings at the hearing.

A Pig Roast Party.

Fred Martin, the hotelkeeper, furnished a treat to a select party of friends last evening when they gathered about 9 o'clock and were regaled with a delicious young roast pig or what is known in German as "Spanferkel."

The piece-de-resistance was embellished with all the dainties of the season, and was thoroughly enjoyed by the guests. An informal social followed the supper and was kept up until the early morning hours.

BEFORE THE ALDERMAN.

I. L. Hoban, of 1413 Webster avenue, had Peter Zeman, of 129 Green's place, before Alderman Lentes yesterday on a charge of assault and battery. Hoban testified that he was struck with a beer glass at a pollification hole recently, but as he could not prove that the defendant threw it, the case was dismissed for lack of evidence.

Josef Cuticsnick, of 231 Railroad avenue, swore out information against P. F. McHale, of West Market street, on a charge of larceny by bailee, in that he had kept plaintiff's watch, which was given for goods that so far had not been delivered. Defendant showed that he was entirely innocent of a desire to keep the watch, which, by the way, he had never asked for, that the goods, although ordered, had not yet arrived, and that as the cars were not safe to travel in and he got no remuneration for his services, he could not afford to call every day or so to explain the facts. McHale's explanation appeared satisfactory to both the plaintiff and alderman, and after the watch had been returned, the case was dismissed.
