Furnishings For Gentlemen

The Well-Dressed Man

Must needs be particular in the selection of his Furnishings.

His Neckwear

Should be to his liking, becoming and fashionable.

His Shirts and Collars

Should not only fit perfectly, but possess that quiet elegance which comes from quality and right styles.

His Hosiery and Gloves

Ought to be easy fitting, and as fashion is arbitrary as to what is or is not correct these days, the well dressed man must conform to her dictates.

His Underwear

Will receive the most careful attention, as nothing reflects the character of a man so fully and unmistakably as the quality and kind of his undergarments

His Handkerchiefs

Cuffs, Cuff Buttons, Etc., Etc., all reflect the tastes of the wearer and the particular man must have them right.

If You Are Particular
