DR. SWENTZEL MAY BE BISHOP

Dr. Darlington and Others Mentioned for Long Island Diocese.

There is considerable general discussion in Philadelphia church circles as to Brooklyn in regard to the probable election of a special convention which is to meet at the Garden City cathedral on November 20 to elect a successor to the late Bishop Littlejohn. It is generally understood that no clergyman outside the diocese can be elected.

The names most prominently mentioned for the vacant bishopric are the Rev. Dr. Henry C. Swentzel of St. Luke's church, the Rev. Dr. James H. Darlington of Christ church in Wilkes-Barre, the Rev. Dr. S. D. Macmillan of Holy Trinity, the Rev. A. B. King of Christ church in Clinton street, and the Rev. Dr. George F. Allison of St. Ann's church. The third choice, it is thought, will be between Dr. Swentzel and Dr. Darlington, with the chances in favor of the former. Yesterday's New York Sun.

Dr. Swentzel was formerly pastor of St. Luke's church in this city and has a host of friends here.

THE HIGH SCHOOL WAS DEFEATED

HIGH SCHOOL WAS DEFEATED

BLOOMSBURG ELEVEN WON YESTERDAY'S GAME.

The Local Team Was Outclassed by the Superior Weight of the Normal School Eleven, but Put Up a Magnificent Resistance—The Only Score Made Was by Roloff, Who Kicked a Goal from the Field in the First Half.

The Bloomsburg State Normal School half team defeated the Scranton High School eleven yesterday afternoon at Athletic park, in a most closely contested game, the score being 5 to 6.

The only score made was on a goal kicked from the field by Right Guard Roloff of the Bloomsburg team, a few minutes after play was started. The Bloomsburg team is much heavier than the local eleven, but they failed in every attempt to break through the latter's line for a touchdown, though they had the ball on High School's 10-yard line when the goal was kicked from the field. The High School boys made a plucky resistance, but failed to advance the ball at any stage of the game any further than Bloomsburg's 35-yard line.

Bloomsburg won the toss and kicked off at the beginning of the first half. Phillips got the ball on High School's 35-yard line, but lost it on a fumble. Bloomsburg then worked the ball slowly, but surely, towards the High School's goal, Robinson carrying it to the 10-yard line on the third down.

The ball was passed by the quarter-back to Roloff and, waiting but an instant, the latter dropped it and then ran in, sailing over Scranton goal just as the High school's running line fell upon him and hauled him down.

The High School kicked off and got the ball to Bloomsburg's 35-yard line and succeeded in holding it there for two downs, when it was kicked by Putnam to High School's 20-yard line.

EVERYTHING DIVIDED.

Then began a series of gains and losses for both sides. The High School would worth the ball around the end for five yards and would then be pushed back by the strong Bloomsburg rush line.

Bloomsburg finally got the ball on High School's 10-yard line and gained three yards on the first down.

The yard more was all that was gained on the second down as the High School players putting up a magnificent resistance, knowing that if they didn't hold their opponents back, a touchdown would be scored.

Backguards and forward the two lines jugged, and then down they went in a wild scrabble. Bloomsburg had carried the ball over High School's 5-yard line, and the High School rooters began to cheer blue.

Following the address, the cigars were passed and a social hour was enjoyed. The committee which had the affairs in charge consisted of S. W. Ross, M. L. Wager and Henry T. Koehler.

HINERFIELD WANTS DAMAGES.

Has Brought Suit Against Sergeant Ridgeway.

Simon Hinerfeld, a Penn avenue merchant, who was arrested at city hall recently, while protesting against the arrest of his driver, through his attorney, Ralph Levy, has begun an action against Sergeant Ridgeway in trespass against Sergeant Ridgeway, in the hope of recovering damages in the sum of \$10,000.

Mr. Hinerfeld alleges he was the victim of false imprisonment at the hands of Sergeant Ridgeway. The latter was exonerated of any wrong by the police board, which heard charges preferred against him by Mr. Hinerfeld.

In all the newspaper controversy over the attempts of Macaulay and his colleagues on the International Correspondence Schools, the officers of the latter have said nothing, relying on the notion of the courts to settle the matter, and this has been done in an equitable manner. The well-known International Correspondence schools now have effective protection for their name, credit and reputation.

IS OUT FOR REVENGE.

Detective Seidman Prefers Charges Against His Prosecutors.

Detective Ike Seidman announced yesterday that he had preferred charges against the executive committee of Scranton Lodge, Independent Order of B'nai B'rith, Abraham, which caused his arrest on Tuesday on the charge of embezzlement.

He claims that under the constitution of the society no member can be brought into a police court or a public court of any kind until the charges against him have been considered by the executive committee and until this committee reports back to the lodge.

He claims that the committee never reported to the lodge and that the members had themselves open to expulsion by so doing.

The charges have been laid before the district attorney, he says. The members of the executive committee are Jacob Smith, A. Rose, S. Cohen and H. Begensky.
