## CIRCULAR TO REPUBLICANS

IT HAS BEEN ISSUED BY JOHN T. WILLIAMS.

**Contains Specific Reasons Why Judge Carpenter Should Receive Their Support—Inadequate Police Protection and Sabbath Desecration—St. Brenden's Council Events. Will Organize a Base Ball Team. Young Woman Taken Ill While Attending Church—Other Matters.**

Judge Carpenter was a welcome visitor in West Scranton Saturday evening, when he met a large number of voters, who gave him assurances of their hearty support. The most notable circular yet issued in the campaign is now being sent out to the Welsh voters, and will be read with interest.

For the benefit of those who have not received them, the contents are here reproduced in Welsh. The circular was prepared by Hon. John T. Williams, ex-member of the state legislature, and one of the best known and most influential and respected Welshmen in the United States. The circular is as follows:

YR ETHOLIAD DDYDD MAWRTH NESAF.

GAIR AT Y CYMRY.

Gan fy mod yn cydweithio a'r Pwyllgor Gwerinol yn Nr Lackawanna, yr wyf yn meddwl I weled pob Cymro yn pleidleisio dros y Ticcet Gwerinol—Talaethol a Sirol. ### Sunday Foot Ball Games.

A number of foot ball games were played in West Scranton yesterday morning and afternoon, but the limited police force was totally inadequate to cope with the situation. As soon as the day officer would drive the players away from one playground they would seek another and resume their games.

Large crowds were assembled on the Browns' grounds, near the brick yard pond, and the Alerts' grounds in West Park, and at several other places games were in progress. Uniformed players passed through the streets, followed by large crowds, and attracted much attention.

Another nuisance which the police are unable to cope with is the Sunday night loafers on Main avenue, Jackson, Washburn, Lafayette, Scranton and other streets. This sort of thing has become such a disgrace that respectable people cannot pass along these streets without being subjected to insulting remarks, and intimidations. The present police force should be doubled in West Scranton to successfully meet the present requirements.

### St. Brenden's Council, Y. M. I.

The members of St. Brenden's council, Young Men's Institute, contemplate giving another minstrel performance during the coming winter and with that end in view have organized a company. Rehearsals have already begun under the direction of Prof. John T. Watkins, and this alone insures its success, if the last performance is taken as a criterion. A meeting of the company was held yesterday afternoon in the rooms, at which the plans for the performance were discussed. The boys expect to spring several surprises on their friends.

A members' social will be held at Mears' hall tomorrow evening, under the direction of the house committee, which includes William Vanston, Thomas Fleming, William Larkin and Edward McLain. The lady friends of the council will participate. Leo Crossin will play for the dances, and special election returns will be received during the evening. The committee had intended holding the social in the club house, but owing to the large number who have signified their intention of attending it was necessary to secure Mears' hall.

### Will Organize a Team.

A number of young men will meet this evening at David Hopkins' barber shop, South Main avenue, for the purpose of organizing a base ball team for next season. The promoters of the club are: Fred Robinson, Robert Carson, Sanford Phillips, William Gallagher and others.

A number of games will be arranged for a trip which will include Carbondale, Honesdale, Port Jervis, Stroudsburg, Hawley and several other towns. The team is to be known as "The Grafters," and will include some of the best amateurs in West Scranton. Arrangements will probably be made this evening for a social, the proceeds of which will be used in purchasing uniforms and the necessary paraphernalia.

### Taken Ill at Church.

Miss Mabel Stanton, of Pleasant street, was taken suddenly ill yesterday morning while attending services in St. Patrick's Catholic church, and it was necessary to carry her out to the pastor's residence, where she received medical attention.

It was there learned that her condition was sufficiently critical to remove her to the West Side hospital, where Dr. G. B. Reynolds prescribed for her. Her condition was much improved last evening, and it is expected she will be well enough today to be removed to her home.

### Among the Churches.

The choir of Plymouth church gave a splendid rendition of "O Hear My Prayer" last evening. Mrs. John Morgans, in her obligato solo, was at her best, and her effort was very effective. The choir as now constituted is in position to render great service at the regular Sunday meetings. Thanksgiving and Christmas music is being rehearsed weekly. Rev. E. A. Boyle preached two forceful sermons yesterday. The attendance at both services was very large. The Sunday school, under the leadership of Gomer Reese, are preparing a Christmas cantata.

The festival of the reformation was observed yesterday at St. Mark's Lutheran church. Holy communion was observed at the morning service and a home missionary festival was held in the evening, at which the Sunday school rendered a missionary programme, and an offering was taken up for missionary work.

Miss Daisy Hall and F. E. Wilson sang at the Jackson Street Baptist church last evening. Dr. de Gruchy gave a short talk on "Christ and the Working Man."

A special congregational meeting of St. Mark's Lutheran church will be held this evening at 7.30 o'clock.

### Coming Social Events.

The Misses Sanders, of 215 West Elm street, will give a parlor entertainment and social at their home, Thursday evening, November 7, in aid of the Washburn Street Presbyterian church talent fund. A silver offering will be taken at the door, and ice cream, cake and coffee will be served.

The third informal dance of the Ermine club will be held at Mears' hall Tuesday evening, November 12. The music will be furnished by Bauer, and dancing will be indulged in from 8.30 to 12 o'clock. The expense will be 75 cents.

### Recent Accidents.

Edward McNichols, of Luzerne street, an employe at the Sloan mine, had one of his hands injured recently while coupling cars. The injury was dressed by Dr. Brennan.

Gustav Nordt, a piano tuner by occupation, had his fractured wrist attended to at the West Side hospital on Saturday.

John H. Lewis, of 342 North Garfield avenue, was injured while at work in the Oxford mine recently. He was loading a car, when a rock from the roof fell and caught him on the back and shoulders.

### Challenge for Davis.

Clem Marsh, jr., accepts the challenge made by William Anneman at The Tribune office the same day the match was made with Sim Davis, or he will shoot Davis or any man in Lackawanna county for $500 or $1,000 a side. Man and money can be found at Charles Yoos' hotel, North Main avenue.

### Washburn Street Church.

At the services yesterday, talents were again distributed. Some have returned theirs already with the increase. A slight effort on the part of each one at this time will enable the church to close the year free of debt.

Miss Lydia Sailor concluded her services yesterday with a delightful solo at the evening service. Miss Jessie Polhamus sang a solo, with good effect, at the morning service. The chorus choir is progressing nicely.

The third Wednesday evening of this month, at the conclusion of prayer meeting, will occur the annual election of officers for the Bible school.

Next Thursday evening the Misses Sanders will conduct a talent musicale at their home, 215 West Elm street. All are cordially invited. A silver offering will be received.

This evening the Gama Nu society will meet in regular session, when the presence of every member is desired.

### Funeral of Mrs. Lloyd.

Services over the remains of the late Mrs. Jonah Lloyd were held at the family home in Bellevue on Saturday afternoon and were conducted by the Rev. John P. Moffat, pastor of the Washburn Street Presbyterian church, and Rev. William Davies, pastor of the Bellevue Welsh Calvinistic Methodist church. The interment was made in the Washburn street cemetery.

Both clergymen spoke feelingly of the deceased, and referred to her Christian character. A quartette from the Washburn street church and Bellevue church sang a number of selections. A large number of floral offerings were in evidence. The pallbearers were: John E. Jones, Thomas Freeman, John F. Jones, William T. Williams and Henry Browning.

### NOTES AND PERSONALS.

Harrison T. Andrews, of Worcester, Mass., returned home on Saturday. He came here to attend the funeral of his mother, the late Mrs. Andrews.

Joseph D. Lewis, of Washington, D. C., is spending a few days in the city, having come home to vote. He is at the home of his mother on West Locust street.

of Main avenue and Jackson street, will leave today for an extended visit with relatives in Paterson, N. J.

Owing to the regular monthly missionary prayer meeting of the First Welsh Baptist church being held this evening the meeting of the Men's League will be postponed for one week, when the subject for discussion will be "Race Prejudice." David J. Davis will open discussion and several others will follow.

John E. Johns has been awarded the contract for furnishing the plumbing work at the West Side hospital, where a number of improvements are being made.

## NORTH SCRANTON NEWS.

**New Welsh Baptist Church Opened to the Public—Thomas Llewellyn Injured in Bellevue Mine.**

The new Welsh Baptist church, on Church avenue, was opened yesterday to the congregation and public for the first time. At 9 a. m. special prayer services were held, and at 10 a. m. the regular morning sermon was preached in Welsh by the pastor, Rev. W. F. Davies. He was badly bruised and will be confined to his home for some time. No bones were broken.

**NEW PASTOR OF THE GERMAN M. E. CHURCH.**

**Rev. Albert Herforth Is Fast Making a Deep Impression on the Religious Life of This Part of the City—German Beneficial Society Organized. Miss Maud Daley Tendered a Surprise Party—Knights of St. George to Have a New Year's Celebration. Other Matters of Interest.**

Rev. Albert Herforth, who was recently selected by the congregation of the Prospect Avenue German Methodist Episcopal church as their pastor, is a young man of fine appearance and pleasing address, and has already made many friends among the members of his congregation and others in South Scranton with whom he has come in contact. He was born in Germany, thirty-eight years ago, and was graduated from one of the famous colleges of that country. Arriving in this country only a little over two years ago, he has already acquired a good knowledge of the English language, which he speaks fluently.

His first call was to the German Methodist church in Harrison, N. J., from which he came to this city, with the very highest testimonials. The reverend gentleman, who with his wife has taken up his residence at 611 Birch street, in rear of the church, is well pleased with his new charge and with the city and surroundings.

There was a large attendance at yesterday's services, both morning and evening, when the new pastor took his text from 1 Epistle of St. Peter, 2:21. The text at night was from the same epistle and chapter, commencing at the twenty-second verse. Revival services will commence today in the church and continue for two weeks. Rev. Bobolin will have charge of the services this evening. Pastor Herforth will hold services tomorrow, and on Wednesday the services will be conducted by the Rev. Mr. Rice, presiding elder of this district.

### Arranging for a Banquet.

The Knights of St. George, which is composed mainly of St. Mary's German Catholic church members, have appointed a committee and arrangements are already under way for a grand New Year's celebration which will eclipse any thing ever attempted on this side in a social way. The affair will take the form of a banquet for members only and will be followed by a grand ball.

The decorations will call forth the best thought and ingenuity of those who make the decorative art a study and a business while the banquet arrangements will be entirely in the hands of the ladies who will be under the direction and supervision of a well known chef. A committee meeting was held yesterday and Chairman August Rehner explained the importance of having the best talent and the best music that can be obtained. The committee is as follows: Messrs. August Rehner, Charles Heen, Fred Senker, Mathias Thees, Michael Wetter, Adam Quiedolph, John Moran.

August Rehner has been head of the society as director since its institution several years ago and there are now 132 members on the roll. The other officers are president, George Miller; vice-president, William Janssen; secretary and treasurer, Ed. C. Klos; sergeant-at-arms, Joseph Fischer; assistant sergeant-at-arms, Michael Wetter.

### Harmony Society Celebrates.

A delightful social gathering was held at the residence of Mr. and Mrs. Richard Zulager on Pittston avenue Saturday evening, which was attended by every member of the Harmony society, which is connected with the Church of Peace on Prospect avenue.

The merry makers began to assemble about 9 o'clock and a social hour was spent on the bowling alley and at cards. At 10 p. m. supper was served in the large hall when all the delicacies of the season were served and thoroughly enjoyed. Dancing followed until midnight when the members dispersed after expressing their appreciation of the first class arrangements made for their benefit.

### A Pleasant Event.

Miss Maude Daley, of Prospect avenue, was very pleasantly surprised by a number of her friends Friday evening. She was equal to the occasion, and entertained them in a sumptuous manner. Games of all descriptions were indulged in during the course of the evening and at a late hour the guests departed for their home.

Those present were: The Misses Bessie Curel, Sarah Curel, Grace Bourne, Lizzie Jenkins, Cora Daniel, Lizzie Daniel, Maude Daley, Rachel Daley, Mame Kirvin, Mrs. Daley; Messrs. Guy Griffiths, Ellis Daley, Arthur Griggs, Thomas Wiltshire, Jake Knapp, Fred Daley, John Daley and Mr. and Mrs. A. Batchler. Several selections were rendered by the Carnation quartette, Guy Griffiths, George Morlang, Thomas Wiltshire and Arthur Griggs.

### New Society Organized.

A branch of the German Beneficial Union of America was successfully instituted on this side Friday night and starts off with a membership of thirty-two.

The new society was organized and elected officers at the hotel of Fred Miller, corner of Willow street and Pittston avenue, and the aims and objects of the order were thoroughly explained by Supreme Manager A. F. Wedemeyer, of Pittston, where the national headquarters of the union are located.

The membership includes some of the most prominent citizens of this side. The officers elected are as follows: President, John C. Schwenker; vice-president, Herman Engelhart; secretary: Ernest Loewenstine; treasurer, Fred Miller; marshal, Richard Helbing; senchall, George Kaiz; physician, Albert Kolb, M. D.; trustees, John Dimuth, William Hetzroth, Carl Schiedell.

They were installed by Mr. Wedeman and a short social session followed the business meeting.
