

WEST SCRANTON

AFTERMATH OF THE ELECTION

NEWCOMB CARRIES THE WEST SIDE BY OVER 300 VOTES.

Judge Carpenter's Defeat Attributed to the United Mine Workers of America—Concert to Be Held Next Month—New Organ Installed in First Baptist Church—Coming Eisteddfods—Funeral of a Child. Events of This Evening—Other Matters of Interest.

The surprising landslide in Lackawanna county politics was the all-absorbing topic throughout West Scranton yesterday, and the prevailing opinion was to the effect that the United Mine Workers' defeat, and the large vote polled for Newcomb in the West Scranton wards.

The only local district that in any way approached its normal vote was the First of the Fourth ward, where all the Republican candidates received huge majorities. It is understood, by those who are on the inside, that emphatic orders were sent out Monday night among the miners' locals to support Newcomb, and how well they obey can be seen by reference to the districts in which they reside.

The defeat of Dr. Roberts is attributed to his own friends. He takes his defeat philosophically and is grateful to all who in any way assisted him during the campaign and election.

Newcomb carried West Scranton by over 300 votes, and ran ahead of his ticket in several Republican strongholds. Colonel Hitchcock did not receive as strong support from West Scranton as he figured on, and the cutting of Carpenter was done in the interest of Newcomb.

The number of 1-to-don'ts were out in force yesterday, and indulged in friendly flings at their downcast Republican friends.

The regular party workers accepted the inevitable gracefully, however, and attributed the throw-down to several causes. There were Hitchcock's candidacy, an off-year, the Fusion sentiment, and apparent apathy towards the state leaders. They hope for a reversal of things in the days to come.

Handsome Pipe Organ.

The new and handsome pipe organ for the First Baptist church has been installed in this commodious house of worship. The organ, which is finished in the finest quartered oak, to match the woodwork, is one of the finest organs of the organmaker's art, and comes up to the highest anticipations of the church and congregation.

The organ was built by the well-known firm of M. P. Moeller & Co., of Jagerstown, Md., and is considered by the builders to be one of the best in the state. It is of the highest quality that the firm have ever turned out.

The organ complete cost 2,000, and will be paid for by the energetic members of the choir, under the able leadership of Mrs. B. G. Boddoo, the popular chorister and organist. After being installed Prof. Haydn Evans was invited to test it and after a most severe trial pronounced it to be perfection itself.

The organ pipes are finished in the prevailing color of the draperies of the church and greatly add to the beautiful interior finish of the edifice. Mrs. B. G. Boddoo, who is a skilled organist, by exercising her art is enabled to bring forth the most exquisite music which more than delights her interested listeners.

Coming Eisteddfods.

A number of eisteddfods have been arranged for the coming winter in different cities, which will afford the followers plenty of opportunity to indulge in their favorite pastimes of writing essays, poems, etc. The first one of note will be held at North Scranton on Thanksgiving day.

Another one will be held at Allegheny, Pa., on Christmas day, and another at Racine, Wis., on January 1, 1902. The annual Utica, N. Y., eisteddfod will be held on December 31 and January 1. Local eisteddfods will

SOUTH SCRANTON

MR. AND MRS. STEPHEN S. SPRUKS ARE HOME.

Returned Tuesday Night from a Six-Months' Tour of Europe—Concert Given by the Rock Island Yodlers Under the Auspices of the Scranton Saengerunde—Mothers' Meeting Today at the Kindergarten in the Y. W. C. A. Rooms—Other Notes of Interest.

Mr. and Mrs. Stephen S. Spruks, who are well known in this vicinity, arrived home from Germany yesterday, where they made a most enjoyable six months' tour of all the important European countries.

Mr. and Mrs. Spruks sailed a week ago last Saturday on the Red Star line steamship Southark, and arrived in New York at 7 o'clock p. m. Tuesday. As stated above, they reached Scranton yesterday, and at once proceeded to their home on Linden street, at the corner of Webster avenue, which had been put in readiness for their homecoming. A supper, attended only by members of the family, was served at 8 o'clock, when the travelers were given a cordial welcome home by Mrs. Spruks' father, Michael Miller, of Cedar avenue, and several relatives.

During their travels, Mr. and Mrs. Spruks visited Paris, London, Berlin, Switzerland, and also spent some time at the famous Springs, of Aachen, where Mr. Spruks derived much benefit from the mineral waters. They also visited Laussenhausen, near Sohren, which is the birthplace of Mrs. Spruks' father. Through all their wanderings they never forgot the folks in Scranton, who were in receipt of letters and postal cards by every mail. Although the travelers took great pleasure in the summer's trip, yet both the travelers stated last evening that they were glad to be home again.

A Pleasurable Affair.

Lovers of music were treated to a genuine and pleasant surprise last evening at the Rock Island Yodlers, which was crowded to the doors to hear the famous Rock Island Yodlers, who were present under the auspices of the Scranton Saengerunde. The curtain went up promptly at 8:30 o'clock, and the Yodlers fantastically attired in the costume of the Bavarian High Alps.

They opened the concert with a sweet rendition of "My Tyrol." Then followed a march, "O Switzerland," and a medley in English entitled "Hurrah for the Flag." Then a carol typical of the Alps in Switzerland was given in a manner that called forth a storm of applause. The yodling was excellent in every respect, and the Saengerunde society is to be congratulated in securing such a drawing card for their first concert of the season.

The floor of the hall was arranged after the manner of a German beer garden, with tables running lengthwise towards the stage, and alert waiters attended to the wants of guests during the concert. The floor was cleared at the conclusion of the concert for dancing, which started at 10:15 o'clock this morning. The Yodlers will appear this evening at the Elks cafe on Franklin avenue.

The Alumni of No. 16 school challenge the Alumni of No. 14 school for foot ball game on the West Park grounds next Saturday morning. Ed. Saul, captain. The players are: Scullis, O'Malley, Ace, White, Rittenhouse, Gurrell, P. McCann, E. McCann, Saul, Howley and Harding. The challenge has been accepted by No. 14.

There was an interesting game of football yesterday between the All Star team of the hill and the second team of Lackawanna, the former winning by a score of 11 to 6. McArdle of Lackawanna kicked the ball off and Pedrick got it and advanced with it about ten yards before being downed. They then started a few times and lost the ball on downs which Lackawanna took advantage of by steadily gaining through the center and ends until the ball rested behind the hill team's goal. Williams then kicked the goal, making the score 6 to 0 in favor of Lackawanna, thus ending the first half. The second half started off by Slattery kicking to Alexander who, by fumbling the ball and getting started when the opponents were on the line for their first touch-down. He then kicked the goal himself. Score 6-6 McArdle kicked the ball off and it was picked up by Horton who ran with it for twenty yards and then after quick playing advanced it again until it was over the line, Slattery falling in the try for a goal. Score, 11-6.

Alphonse—Sure, you are no alienation!
