A WOMAN'S LIFE

Often depends on the strength and skill of a man. In a time of danger there is nothing so comforting as a man's help and counsel. This is doubly true when the woman's danger is from disease, and the man is a physician whose skill and experience have saved over half a million women from diseases defying ordinary skill.

A REMARKABLE RECORD.

As chief consulting physician to the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., Dr. R. V. Pierce has made a most remarkable record in the treatment and cure of diseases peculiar to women.

A Woman, Herself a Physician, Turns to Dr. Pierce for Help and Healing.

"It is with extreme pleasure that I make known to you my rapid recovery from a long illness as a result of a complication of organic diseases, the principal one being ovarian and uterine inflammation," writes Grace M. Di Marzo, M.D., Artistic, Prince George, Maryland.

Escaped an Operation.

"It is with pleasure that I write you to let you know the great benefit I have received from your medicines, and by following your advice regarding self-treatment," writes Mrs. Salma Erickson, of 496 Rice Street, St. Paul, Minn.

CHARACTERISTIC CURES.

These testimonials are fair examples of the success of Dr. Pierce's treatment in aggravated cases of diseases of women. As a matter of fact, a large percentage of Dr. Pierce's cures is of women given up by local physicians and appealing to Dr. Pierce as a last resort.

A Healthy, Happy Woman.

"I am so pleased with your instructions, I hardly know what to thank you for your kind favors," writes Mrs. Milo Bryant, of Lota, Thomas County, Georgia.

A Mother's Advice to Mothers.

"I gladly recommend Dr. Pierce's Favorite Prescription," writes Mrs. J. W. G. Stephens, of Milledgeville, Georgia.
