

WEST SCRANTON

ROYAL SOCIETY GOOD FELLOWS

PUBLIC RECEPTION BY WEST SIDE ASSEMBLY.

Addresses by Hon. W. Hart Appgar, of Trenton, N. J., and Dr. W. S. Weaver, of Wilkes-Barre—Dr. Heermans' Locomobile Damaged by Fire—Farmer McNulty Attacked by a Bear—Sisters of Bethany and the Misses Sander Entertain—Lively Runaway—Notes.

One of the youngest fraternal organizations which has gained a foothold in West Scranton is the West Side assembly No. 251, of the Royal Society of Good Fellows, and this prosperous youngster gave the first of a series of public entertainments last evening in the West Men's hall, which was attended by a large assemblage of members and friends of the order.

The feature of the evening was an address by Hon. W. Hart Appgar, of Trenton, N. J., vice president of the order, and one of the highest officials in the ranks of the Royal Arcanum. He is one of the best known fraternal society men in the United States and a speaker of marked ability. His address was chiefly along the line of the benefits to be derived from fraternal insurance, and his remarks were interspersed with a number of good stories, cleverly told, which kept his audience in good humor.

The other speaker of the evening was Dr. W. S. Weaver, of Wilkes-Barre, who took occasion to refer to the friendly feeling which exists between the members of fraternal organizations in Scranton and Wilkes-Barre, and incidentally remarked that while Lackawanna county is Mother Luzerne's youngest child, Scranton is one of the best known cities in the United States. He took occasion, he said, to inquire, in Chicago, St. Louis, Denver, and many other cities in which he visited, if people in these places had ever heard of Wilkes-Barre. Some had, he said, but when he made the same inquiry about Scranton, it seemed as though they were well acquainted with the Electric City and its progressive people. His speech was well received.

Called Out the Fiemen.

An unusual fire occurred last evening at 7 o'clock when an alarm was sent in from box 25, at the corner of Main avenue and Jackson street. The flames were discovered in a shed in the rear of Dr. E. A. Heermans' residence at the corner of Scranton and Tenth streets, where the doctor keeps his locomobile. It seems that when the physician put his machine in the shed he neglected to turn out the light on the gasoline burner and the flame ignited the wood-work of the body and burned a hole through the seat, destroying the cushions and setting fire to the shed.

When the firemen reached the place, they extinguished the flames and saved the doctor's locomobile from total destruction. As it was, the fire damaged the body to such an extent that a new one will be necessary before the machine can be used again.

The engine, tank and boiler were not damaged, but the loss will amount to a couple hundred dollars. The damage to the shed was of little consequence.

This is the second misfortune Dr. Heermans has met with since he became a horse-carricage operator. The first one he had about a year ago, when his machine ran down an embankment in the yard while he was learning to operate it and was damaged considerably.

The second mishap has not dampened the doctor's enthusiasm, and he will soon be seen again enjoying his favorite pastime.

Other Horse Escapes.

One of the horses attached to the Columbia Chemical company's apparatus slipped and fell on South Main avenue yesterday, while being driven to a place on the pavement for some distance, being dragged along by the other horse, which also fell, before they were fully under control. The harness was somewhat deranged, but no serious damage resulted.

Mine Accidents Yesterday.

Thomas R. James, a miner, employed at one of the local shafts, while holding a prop yesterday for his laborer to force into place with an axe, received a blow from the axe on his thumb, which smashed the member in a horrible manner. Mr. James is thus forced into compulsory idleness through the unfortunate mishap.

David Lewis, aged 22 years, son of Mr. and Mrs. Arthur Lewis, of 1815 Sutherland street, employed as a driver in the British mine, was squeezed between a car and the "rib" yesterday and sustained severe injuries. No bones were broken, however. He was attended by Dr. W. A. Payne.

Republican Club Meeting.

W. E. Thayer presided at the meeting of the West Side Central Republican club last evening in the absence of President Reese, and William Jamieson acted as secretary. The trustees of the club were instructed to ascertain what arrangements can be made for new quarters in Meers' hall building.

Sisters of Bethany Entertain.

A fair sized assemblage gathered in St. David's Episcopal church last evening and enjoyed the entertainment programme provided by the Sisters of Bethany. The program was as follows: Piano solo, Miss Rose Smith; recitation, Miss Mary Dorsey; recitation, Miss Naomi Griffith; solo, Miss Dottie Thomas; piano solo, Miss Hughes; solo, Miss Matt Morgan; piano solo, Miss Atkinson; recitation, Miss Margaret Powell; recitation, Miss Florence Mooney; piano solo, Miss Rose Smith.

St. Leo's Entertain.

A large delegation from the Crystal Social club, of Pittston, were entertained by the members of St. Leo's Battalion last evening in St. David's hall. Dancing was enjoyed for several hours, after which a luncheon was served in St. Leo's hall. The music was furnished by Prof. Johnson and Miss Kate Gordon.

Attacked by a Bear.

John McNulty, of Foster, was engaged in hauling a load of pork to town yesterday morning for Butcher Reed, of Jackson street, when he was attacked by a bear up in the North. When the bear discovered pigs in the wagon, Mr. Bruin overlooked McNulty and heinsted to his ill-luck of meat. Meantime McNulty had secreted himself in a place of safety, and when the bear had all he wanted and sauntered off, the frightened farmer resumed his journey. The loss of the stock was trifling compared to the fright suffered by McNulty.

NOTES AND PERSONALS.

SOUTH SCRANTON NOTES.

George Lewert Seriously Injured. Fell Off a Church in Old Forge.

Kennedy Brothers in Jail.

George Lewert, son of Mr. and Mrs. John Lewert, residing at 411 Willow street, with a serious accident yesterday that will lay him up for many weeks.

The young man who is in the employ of Mulherin and Judge as a carpenter has been working on a church in Old Forge for some time and was engaged timbering the roof. He missed his footing in some way just before the noon hour and fell heavily to the ground, a distance of over twenty-five feet. Assistance was at once rendered the unfortunate young man and he was picked up in a semi-unconscious condition.

He was removed to his home as speedily as possible and medical aid summoned. Dr. Albert Kolb was quickly in attendance and after thoroughly examining the young man found that he had sustained a fracture of the left ankle, a bad cut over the left eye, besides numerous bruises on the body and limbs.

Everything possible was done to relieve his suffering and at a late hour last evening it was stated that his condition was dangerous his wounds were not considered fatal.

The Kennedys in Trouble.

There was trouble and lots of it in the Twelfth ward yesterday and as a result the well known Kennedy Brothers are in the Alder street station house. It appears that the brothers, John and James Kennedy, of Prospect avenue, had indulged somewhat over the result of the election and after having a good time proceeded to their home where they commenced to play football with other members of the family.

The relatives did not appreciate the game as the brothers played too rough and were off side and near the foul line nearly all the times and they appealed to Patrolman James Timman to stop the game. Patrolman Timman called Charles Weber along to help quell the disturbance but the only way to accomplish this was to lock up the delinquents.

They will be given a hearing before Magistrate Christian at the next morning on a charge of assault and battery and disorderly conduct.

The Defenders Won.

The Defenders met and defeated the Sunset basket ball nine in a fast and interesting game last evening which was played before a large audience in St. John's hall on Store avenue. The score was 45 to 0 in favor of the Defenders.

As a side issue a laughable game was played between a clown team and a picked nine. The clowns were got up in grotesque costumes and while none of the plays were in any way sensational they proved extremely amusing.
