## CAR IS DYNAMITED.

Cartridge Placed on the Green Ridge People's Line, on Capouse Avenue, near Ash street, ran over and exploded a dynamite cartridge, damaging the car, demolishing windows in neighboring buildings and causing a commotion.

The wheel of the car which exploded was broken, the windows of the car were smashed, and the man sustained a cut on his hand from being thrown against the window. The conductor was lifted from the car, but not injured. Fortunately there were no passengers in the car.

The dynamite cartridge was of considerable size and was placed on the track to cause a scare rather than to do injury. The company is highly exercised over the occurrence, and offers a reward of \$100 for information that will lead to the detection of the person who placed the explosive on the track.

WALTER O'DONNELL and JAMES KELLY, two boys, residing on Capouse avenue, were arrested yesterday at the instance of Special Officer Stephen Dyer, of the Scranton Railway company, charged with throwing stones at passing street cars. ## NEW ENGLAND SOCIETY.

Col. H. M. Boies Elected President at the Annual Meeting—Arrangements for Coming Dinner.

Col. Henry M. Boies, of this city, was yesterday elected president of the New England society of Northwestern Pennsylvania at the annual meeting held in the board of trade rooms at 4 p.m.

In the absence of the retiring president, W. H. Richmond, who is touring in Mexico with a party of mining engineers, Col. Boies, the retiring vice-president, presided. The other officers elected were as follows: Vice-president, Charles H. Wellers; secretary, J. Harry Fisher; treasurer, A. C. Fuller; historian, H. E. Paine.

It was decided to hold the annual dinner on the night of December 29 in the board of trade assembly room.

The banquet will be in commemoration of the fifteenth or crystal anniversary of the society's organization and the arrangements will be in accordance with this fact.

A special committee, which will have entire charge of the arrangements, will be named by Colonel Boies in the course of a few days. The question of admitting ladies to the affaire, which was brought up yesterday, is to be taken up by this committee.

The list of speakers who will in all probability deliver after dinner speeches at the banquet is as follows: Hon. Luther Laflin Mills, of Chicago, a prominent member of the Cook's county bar and a brother-in-law of Colonel Boies; Rev. Joseph Twitchell, of Hartford, Conn.; Hon. H. A. Fuller, of Wilkes-Barre and Hon. W. H. Hensel, of Lancaster, former attorney-general of this state. All of these men have established reputations as after dinner speakers.

## NEW PLAN IS ADOPTED.

Stockholders of the Anglo-American Loan Association May Realize Considerable.

"Holland," in his New York letter in the Philadelphia press, yesterday had the following concerning the Anglo-American Loan association, which has many creditors in this part of the state:

This morning the receiver, Mr. Edward Phillips, turned over the property to a corporation called the Empire State Holding company, the receivership being thereby ended, and a new and strong corporation placed in charge of the assets of this at one time greatest loan and savings and loan association.

There are many stockholders of this association in Pennsylvania, New York, Ohio, Illinois and other parts of the union who will be gratified to learn that at last there is a prospect of a reasonable and, on the whole, satisfactory winding up of the affairs of this corporation, will never know the difficulties and complications that have been met with by those who have at last formulated and composed this plan.

The Anglo-American association had at the time of the wholly unjustifiable attack made by certain stockholders upon it, about \$100,000 of assets left in this kind, as well as the principal assets. A year ago, since the receiver had been placed in charge of the assets in the corporation had been placed in the receiver's hands.

It is alleged by the plaintiff that no signal was given of the approach of the train.

## An Heroic Rescue.

This story of an actual occurrence suffices because it is not told by the big, round faced Woodward avenue resident, who punctuates the whole narration with gurglings and chuckles that threaten apoplexy.

The principal witness yesterday was General Manager Frank Stillman, Jr. His story, corroborated by the testimony of others and documentary evidence was as forecast in yesterday's Tribune.

When the company was seeking a franchise in Old Forge, it expressed a willingness to pay some bonus and while casting about for a way of giving the bonus, a suggestion came from P. Muller, one of the said citizens of that neighborhood, that the company give \$500 to each of the two principal churches of the borough.

The company did some canvassing on this suggestion and finding that it was generally approved, decided to adopt it.

A check for \$500 was sent to one pastor and \$500 in cash was given to Mr. Gallagher for the other pastor.

The latter, Mr. Gallagher, said, preferred the \$500 in cash, checked and at Mr. Gallagher's suggestion the donation was made in cash.

Some time after the money was sent, Mr. Muller spoke to the pastor about the donation. The pastor denied that he had received it and maintained he knew nothing of it. The other pastor received the check and cashed it. He admitted its receipt on the stand yesterday.

Mr. Gallagher's story is that he was given \$500 to bribe councilmen and that he divided it among three of them. The councilmen deny having received any of the money.

The question of including the second or duplicate ordinance in the case will be disposed of at argument court.

## Suit for \$40,000 Damages.

Suit was brought yesterday by Watson, Diehl & Kommerer, for Maria O'Connor, to recover \$40,000 damages from the Delaware, Lackawanna and Western Railroad company.

Mrs. O'Connor claims these damages for the death of her husband, who was killed last winter at the No. 6 crossing in Dunmore.

He was a driver for the Atlantic Refining company, and was attempting to pass over the crossing when a train came down on him. He was fatally injured, the horses killed and the wagon wrecked.

It is alleged by the plaintiff that no signal was given of the approach of the train.

Acting Secretary of State has a solid and polished leather valise, which he constantly employs even in dressing affairs of state. The other day he was asked whether the Columbia Venezuela affair was really only a couple of revolutions or was going to become a war between the two nations.

## TWO MEN ARRESTED BY SPECIAL OFFICERS.

They Were Taken Into Custody at Nay Aug and Are Believed to Be Professional Burglars—They Were Taken to This City and Arraigned Before Magistrate Miller Who Committed Them to the County Jail for Six Months as Suspicious Characters.

Three Lackawanna special officers yesterday afternoon arrested two men who, it is believed, to be professional burglars. They were committed to the county jail by Magistrate Miller as suspicious persons, and an effort will be made to see if they are wanted in any other city.

Special Officers Michael Spellman, John Piel and J. M. Casey were near Nay Aug on the lookout for tramps on some of the passing freight trains.
