WEST SCRANTON

AN ENJOYABLE CLUB DANCE

AFFAIR WAS GIVEN BY ELECTRIC CITY WHEELMEN.

The Guests Who Were Present—Man Arrested for Holding Purse His Son Found—The Red Whistlers Foot Ball Team Organized—Funeral of the Late Samuel Dingham. Feroli Novelta Charges His Neighbors with Assault and Battery—Other News Notes.

The Electric City Wheelmen held one of their enjoyable club dances last evening, which was attended by their lady friends. They danced to the music furnished by Prof. Johnson, and enjoyed themselves until 12 o'clock. Those present were:

Misses Bessie Fraunfelter, Anna Roos, Louise Simons, Lucy Faust, Hattie Beavers, Bessie McCracken, Sallie McCracken, Emily Evans, Mabel Baldy, Jennie Eynon, Edith Beavers, Anna James, Phoebe Englert, Miss Phillips, May Jones.

Messrs. Will Sengraves, A. G. Davis, Ed. Morse, Chas. Carpenter, W. D. Davis, Sam McCracken, Tom Stephens, Henry Morgan, Walter James, Luther Thomas, Charles A. Eynon, Ed. Davis, Frank Watkins, Adolph Bruning, Conrad Lutz, Will Widenor, Herbert Chatfield, Duncan Hall, Ben Allen, Will Frantz, Ed. Reilly.

Assault and Battery Case.

Feroli Novelta, of 114 North Ninth street, had a warrant issued by Alderman John on Monday for the arrest of Terozzo and Giromo Cappa, his neighbors, charging them with assault and battery, disorderly conduct, making threats, etc., against his wife, Catherine.

When Constable John Davis went to serve the warrants on the Cappas, he learned they were prosecutors in countersuits before Alderman Millar. Both parties to the fracas compromised by each paying the costs to their respective aldermen. Consequently peace has been restored in "Little Italy."

Peculiar Case This.

George M. Herlinger lost a purse containing $17, recently, in the vicinity of Division and Sixteenth streets, and some time afterwards learned that a boy named Chludginski had picked up something at that point which resembled the purse.

When the owner made inquiries of the boy's mother about the purse, she denied having obtained such a thing from her son, yet the conflicting stories she told led Herlinger to believe that the woman had the purse and money. She refused to give up the same, and the owner had her husband arrested on the charge of larceny.

When arraigned before the alderman, Mrs. Chludginski persisted in her refusal to give up the purse, and the husband was held in $300 bail to produce the boy in court.

Red Whistlers Organize.

A foot ball team to be known as the Red Whistlers has been organized, and have issued a challenge to any team in the city whose average weight is not more than ninety pounds. They would prefer to play a team from No. 16 school on Thanksgiving day.

The Red Whistlers line up as follows: Left end, James; left tackle, Hughes; left guard, Davis; center, T. Beynon; right guard, Williams; right tackle, James; right end, Flaherty; left halfback, Rogers; right halfback, Bevan; fullback, P. Beynon.

SOUTH SCRANTON NOTES.

Hundreds of Persons Attended the Funeral of the Late Joseph Hickey—Social Events.

Hundreds of friends and neighbors gathered at the Hickey residence, 524 Cherry street, yesterday to pay their last respects to the late Joseph Hickey, who was found dead on Sunday. The remains were encased in a massive casket, which was arranged in the parlor, and the throng in attendance took nearly an hour in passing the bier. The procession started at 2.30 for St. John's church, on Fig street, where services were held. Interment was made in the Cathedral cemetery.

The pall bearers, all life-long friends of the deceased, were chosen as follows: Patrick Finnerty, Patrick Barrett, Owen McCann, John McHale, Martin Reddington and Joseph Kelly.

Firemen in Session.

The William Connell Hose company, which keeps its organization intact, held an important session in Battle's hall, on Prospect avenue, last night. The principal business before the meeting was the reading of a final report on the excursion held last summer, and the committee was able to show that a neat sum had been realized and placed in the treasury.

Plans for the future were discussed, and it was decided to keep up the organization for mutual benefit and social intercourse.

NUBS OF NEWS.

There is an epidemic of tonsilitis on this side, and the druggists are kept busy putting up prescriptions.

Much regret was expressed on this side last evening at the sad accident which befell Miss Rowlands yesterday. Miss Rowlands was formerly assistant secretary of the Young Women's Christian association on this side, and was beloved and esteemed by all with whom she came in contact.

John Sheehan, of Pittston avenue, was arraigned before Police Magistrate Storr yesterday, on a charge of assault and battery, preferred by his wife. His wife was in a forgiving mood and failed to put in an appearance. There was no other course open to the alderman but discharge the offender with a caution.

Mr. Jacob Sohns, jr., of 815 Pittston avenue, returned from a hunting trip yesterday with a large bag of rabbits.

Could they be induced to try the successful medicine called Kemp's Balsam, which is sold on a positive guarantee for colds, they would immediately see the excellent effect after taking the first dose. Price 25c. and 50c. Trial size free. At all druggists.

CHANGE OF LIFE.

Some Sensible Advice to Women by Mrs. E. Sailer.

"DEAR MRS. PINKHAM:—When I passed through what is known as 'change of life,' I had two years' suffering,—sudden heat, and as quick chills would pass over me; my appetite was variable and I never could tell for

MRS. E. SAILER,
President German Relief Association, Los Angeles, Cal.

a day at a time how I would feel the next day. Five bottles of **Lydia E. Pinkham's Vegetable Compound** changed all that, my days became days of health, and I have enjoyed every day since—now six years.

"We have used considerable of your Vegetable Compound in our charitable work, as we find that to restore a poor mother to health so she can support herself and those dependent upon her, if such there be, is truer charity than to give other aid. You have my hearty endorsement, for you have proven yourself a true friend to suffering women."—MRS. E. SAILER, 756½ Hill St., Los Angeles, Cal.—*$5000 forfeit if above testimonial is not genuine.*

No other person can give such helpful advice to women who are sick as can Mrs. Pinkham, for no other has had such great experience—her address is Lynn, Mass., and her advice free—if you are sick write her—you are foolish if you don't.

Dr. Casey, of Philadelphia, is the guest of Dr. Ritz, on Willow street.

Mr. Nichols requested General Manager Bryden on Monday to give him a definite answer as to whether the mine will be opened at once. This answer is expected today, and if it is unfavorable the matter will be laid before the members of the district board for action. The calling out of all the miners employed by the company is one of the possibilities in case an unfavorable answer is received.
