The curtain of sorrow and gloom which the railroad tragedy drew over the city on Friday darkened its shadow yesterday when the four victims were borne to their sleeping places in the cemeteries hereabouts.

It was a day of unusual mourning and the feelings of sadness of the people deepened with each succeeding funeral procession until the last one mournfully wended its way to the city of the dead.

Catarrh Greeps Downward to the Lungs. Taken at Night Before Retiring and in the Morning on Arising, STUART'S

relieves all the disagreeable symptoms and in a short time drives the disease from the system.

IS IMPORTANT TO KNOW WHAT YOU ARE TAKING WHEN USING CATARRH REMEDIES

Catarrh is the short route to consumption, and the importance of early and judicious treatment of catarrh, whether located in the head, throat or bronchial tubes, cannot be too strongly emphasized. The list of catarrh cures is as long as the moral law and the

forms in which they are administered, numerous and confusing, from sprays, inhalers, washes, ointments, and salves to powders, liquids and tablets.

The tablet form is undoubtedly the most convenient and most effective, but with nearly all advertised catarrh remedies it is almost entirely a matter of guesswork as to what you are taking into your system, as the proprietors, while making all sorts of claims as to what their medicines will do, always keep it a close secret as to what they are.

The success and popularity of the new catarrh cure, Stuart's Catarrh Tablets, is largely because it not only cures catarrh but because catarrh sufferers who used these tablets know what they are taking into their systems. Stuart's Gatarrh Tablets being composed of Eucalyptus Gum, Bioodroot and similar valuable and antiseptic ingredients, and are pleasant to the taste and being dissolved in the mouth they take immediate effect upon the mucous lining of the throat, nasal passages and whole respiratory tract.

The cures that Stuart's Gatarrh Tablets have accomplished in old chronic cases of catarrh are little short of remarkable, and the advantage of knowing what you are putting into your stomach is of paramount importance when it is remembered that the cocaine or morphine habit has been frequently contracted as the result of using secret catarrh remedies.
