GEN. DICK RALLIES THE HANNA FORCES

The Announcement That He Is to Assist Them Restores Some Confidence.

By Exclusive Wire from The Associated Press. Columbus, O., Jan, 1 .- The chief development in the legislative contest tonight was the announcement that Congressman Charles Dick was on his way to Columbus to assist the Hanna forces. General Dick left Arkon tonight and will arrive here at 2 p. m. that General Dick would be here. It had not been generally expected that he desired to keep aloof from the

of his guernatorial aspirations. If the Foraker men were in the least disconcerted by the coming of General Dick, there was no outward manifestation. There were all sorts of rumors flying, however. One of them was that if the Foraker men won they would redistrict the state in such a manner as to make it impossible for General Dick to be returned to congress. Another was that the Foraker forces would oppose General Dick in his aspiration to secure the nomination for governor two years hence. The Hanna forces gave no attention to the rumors, however, They asserted there was no doubt that McKinnon will be elected speaker of

would go through. It was intimated that what the Hanna forces hoped to gain through the advice and counsel of Genrela Dick, was the election of Mr. Uhl as clerk of the senate. Mr. Uhl is the Cleveland man whom Senator Hanna insisted should be made clerk of the senate in order that he might look after the interests of the Republican party of Cuyahoga county, the entire delegation from which is Democratic. The Foraker men claim there is not even a remote probability of Uhl being elected, but the Hanna men refuse to look at it in that way. Certain assurances were received by the Hanna men today, it is claimed, that there is a chance for Uhl. It is intimated also that Senator Hanna's advice was largely instrumental in influencing General Dick to iend his aid to the ad-

the house, and that their entire slate

ministration forces here. There was no developments during the day to give a decisive turn to the contest. Brown, of Paulding, announced that he would vote to McKinnon for speaker and Garr, of Muskinghum declared for Price. This leaves eight members of the Republican caucus who are either positively doubtful or who have been claimed for both candidates.
