The News of Carbondale.

RAILROAD TIME TABLES.

Delaware and Hudson Railroad. November 21, 1901. Trains leave Carbondale at city station as fol

For Scrant and Wilkes-Barre—6.60, 7.06, 8.00, 8.01, 10.01, 11.21 a. m.; 1.00, 1.43, 2.50, 3.50, 2.00, 7.00, 10.01, 11.00 p. m. Sinday trains leave at 8.56, 11.21 a. m.; 1.16, 8.16, 5.50, 8.00 p. m. For Albany, Saratega, Montreal, Boston, New England points, etc., 7.00 a. m.; 4.32 p. m. (daily.)

For Waymart and Honesdale, 7.22, 11.05 a. m.; 2.31, 6.13 p. m.

New York, Ontario and Western.

September 17, 1801.

Trains leave Carbonale for Seranton at 7.00 s.

Sunday trains at 7.00 s. m. to 6.00 p. m.

Trains leave Carbonale for points north at 17,10 s. m. On Sunday at 6.10 s. m. Trains leave Carbonale for points north at 17,10 s. m. On Sunday at 6.10 s. m. Trains leaving at 11.10 s. m. week days and 9.10 s. m. Sunday anale connections for New York, Carbonale for Service of Carbonal bed, where the coal will be dumped and from whence it will be carried, by means of conveyors and wall, etc.
Trains arrive from Scrapton at 11.30 a. m.; 6.46
p. m.; from points north, 1.00 p. m. Sunday,
from Scranton at 9.10 a. m. and 7.45 p. m.;
from Cadesia at 6.96 p. m.

Erie Railroad.

Anne 25, 1501.

Trains leave city station, Cathopdale, daily (except Sinday) at 7.00 a.m. and 1.51 p. m. for Brank and Ninevel; at Uses a.m. thirty for the success that is expected. The latest and Ninevel; at Uses a.m. thirty for the success that is expected. The latest somewhat of an experiment, and to the purpose is not to go into it too deeply until the scheme is proven a wise one.

Trains arrive at 8.54 g. m. and 5.45 p. m. Sindays at 8.54 g. m. and 5.45 p. m. Sindays at 8.54 g. m.

SELECT COUNCIL.

Comes in for a Share of Attention. Fletcher "Cuts" In.

Select council met in special session mst night and transacted considerable business in an hour's time. The meeting was called to order at 8 o'clock. All members but Battle were in their chairs. In regard to the suit brought against the city by a man named Golden who was injured by falling on a sidewalk, council placed the matter tee with power to act in conjunction defending the case. From the committee the requisition of the Columbia Hose company for 500 feet of hose was boxes, the glass in the front of the box to be broken in case of fire and the key taken out. Fletcher opposed the resolution in its present form but stated that he would favor it should it read in the central city and not on all parts of the city. The report of the committee was re-

ceived, Fletcher alone voting no. A! number of bills were received from called Thompson to the chair and took the floor. Fletcher-I notice a bill turning in every month for the care of the fire alarm system. The bill is for \$10 per month, or \$120 a year. It is a question what is being done to earn this money. The system has been out of order for six months: in fact ever since the semi-centennial. We are being abused constantly in the paper for not having the firm alarm system in good order. I supposed we had a man competent enough to keep it in repair. We have a man who is supposed to keep it in order and if he does not do it he is not doing his duty. I want to call the attention of the fire, light and water committee to the shape our system is in at present. There is a box in the central part of the city which has rung in wrong alarms three times. I do not think it necessary to turn in an alarm every day. Perhaps it would be a good idea to advertise for bids for a man to take charge of the system. Thompson agreed with Fletcher but thought that a resolution would be better than giving it to a committee. Davis agreed with Fletcher in that the system was out of order and thought it should be examined at once. The bills were then read and the bill for taking care of the fire alarm system, the street department pay roll and the bill for special policemen. Those bills were referred back to the finance committee. The following resolutions from the common council were concurred in: Providing for the placing of a new section of floor in the Mitchell Hose house, and the transferring of \$600 in Toppropriations to other sources. The Introller's statement from the park commusioners was read and placed on The. A communication was read from Ottorney H. C. Butler asking that the bill of Contractor P. G. Moran be paid. The bill is for paving between the rails of the Traction company for a distance of fifty yards. This was referred to street committee. The Mitchell Hose company sent in a requisition for a pumber of articles and it was referred to the proper committee. Chief of Pothee McAndrew sent in a request for a mileage book and the request was referred. At this juncture Thompson

Add Cream to 4 spoonsful of

It is probable, though, that a larger breaker will be erected in the near future to replace the present Powderly mines breaker. Coal from Nos. 1 and 3 mines, which could not be handled in the Coalbrook breaker, would then be taken to the new breaker. Such a scheme could not nelp but mean a bij boom for the miners, as at present council and read. Fletcher dle the supply of the various Delaware and Hudson mines, and the miners necessarily work but half or three-

BADLY FROZEN.

Young Man Will Lose Two Limbs and an Ear-May Die.

A farmer, named Utley, was found nearly frozen to death, near Watt's mendow, in Greenfield, Wednesday morning at 8 o'clock. He was found by Marvin Pearce, who found a team of horses near his lot the preceding night. He put the team in the barn and in the morning set out to search for the owner of the hotses. He found him on his hands and knees, badly frozen. He was taken to the nearby hotel of J. Clune and the unfortunate young man was brought to. He was later taken to this city and medical assistance called,

of his limbs and probably two cars. He had been to this city with a load of props and was returning to his home in the country when he became overcome with the cold and fell from the

Not an Opera House.

The occupants of the building in the car of Watt's hall, which is owned by W. W. Watt, have been notified to vacate within a short time. Mr. Watt is undecided as yet as to what he will do with the building, but it is probable that he will have erected a large building. The notice which the occupants received was the cause of starting a Mr. Watt was intending to erect a large opera house, connecting with the half store. . The rumor gained credence owing to that fact, but Mr. Watt, when seen, denied in every part the rumor and termed it unfounded

No Aid for Chickens.

The poor directors have decided that to persons living on the poor board will be for necessaries of life and nothing else. On each order of theirs turned in business men will have to write on the back a list of the articles given. This has received consideration owing to the board learning that a person to whom they had given outdoor relief had purchased, among other articles, food for chickens. This, in the future, will be stopped. On this matter every member of the board is of the

Joseph F. Nealon, a Carbondale boy now in Chicago, has received a promotion from the Chicago and Northwestern Railroad company, for which road he has been acting as freight car inspector for the past two months. He now fills the position of passenger coach inspector, his new duties calling the former breaker is not able to han. him over the entire line of that company. Mr. Nealon was formerly car in spector under the Ontario and Western company on this division, but re signed to take up a similar position in Chicago. His many friends here extend congratulations and wish him continued success. He is a son of ex-Select Coun eilman and Mrs. T. M. Nealon.

Medical Society Meets.

The Medical meeting was held at the office of Dr. C. T. Mecker, on Salem avenue, Wednesday evening. The most interesting feature of the evening was a talk on the treatment of appendicitis, after which there was a general discussion. The party then adjourned to the Imperial restaurant, where they had a lunch. There were eleven physicians from town who attended and those from out of town were: Wheleau, F. Hollister and J. L. Peck The young man will lose one or two Davis and Graves, of Jermyn. of Scranton; Van Sickle, of Olyphant,

Cycle Club's Meeting.

A special meeting of the Cycle club has been called for this evening at 8.30 past several weeks, returned to be o'clock, to take action concerning the extension of the lease for the property now occupied by them. The club members will also discuss the advisability of adding a bowling alley to their equipment. A final settlement of this matter will probably be the result of their discussion.

Mrs. H. J. Stanton entertaine following guests at 6 o'clock din Saturday evening: C. C. Clay

For fifteen years I suffered untold misery. When I commenced taking Dr. Pierce's medicines, I had given up all hope of ever getting well. I could not lie down to sleep, and everything I ate would almost cramp me to death. Was very nervous and could hardly walk across the room. I only weighed ninety pounds when I commenced taking these medicines six years ago; I now weigh one hundred and forty pounds, and am having better health than ever before. My friends all say they can hardly believe that I am the same person; after being sick so long I have changed to be robust and rosy-cheeked. I have taken fifteen bottles of 'Prescription,' fifteen of the 'Discovery,' and fifteen of the 'Pellets.'" FAVORITE PRESCRIPTION Pronounced Incurable. Cured by "Favorite Prescription." "I am just as well now as I was when I came into the world," writes Mrs. P. A. Graham, of 617 Race Street, New Orleans, La. "I will put it at that any way for I cannot remember seeing a well day since I became a woman (25 years ago), until six months ago when I began the use of Dr. Pierce's Favorite Prescription and Golden Medical Discovery' and 'Pleasant Pellets.' They are the best medicines on earth made for women and their complaints, no matter what the disease may be, even if called incurable by doctors. I was treated by several country physicians and also had some of the best city physicians prescribe for me. They all said my case was incurable, being a chronic disease of long standing. I had been sick for eight years, with female weakness and nervous and general debility, until six months ago, I commenced with Dr. R. V. Pierce's medicine and it brought me from ninety pounds to one hundred and thirty-five." Wakes Weak Women Strong **Cured Without an Operation.** "October 12th, 1898, I wrote you for the first time," says Mrs. Alice E. Shipley, of West Point, Hardin Co., Ky. "Was very ill, confined to my bed most of the time; had no appetite; pains in left ovary; could not rest only on one side, without suffering most excruciating pains. Was a perfect wreck physically. I underwent an examination by one of the most prominent physicians of Louisville, Ky. He pronounced my case tumor of the stomach, and advised me to return in two weeks and have an operation performed. My husband had such a dread of 'the knife' that he prevailed on me to try Dr. Pierce's medicines. I took seven bottles of 'Favorite Prescription,' and two vials of 'Pellets,' which cured me of constipation. Have not taken any medicine since the last of February. I now attend to all my housework-cook, wash, iron and sew for a family of six. Many have been advised by me to try your treatment, and are greatly benefited." "Favorite Prescription" and Maternity. "I will endeavor to tell you of the many benefits I have derived from taking Dr. Pierce's Favorite Prescription," writes Mrs. B. E. Robertson, of Medicine Lodge, Barber Co., Kans. "In the fall of 1899, I was expecting to become a mother, and suffered terribly with pains in the back of head; in fact, I ached all over. Suffered with awful bearing down pains; I was threatened for weeks with mishap. A lady friend told me to use Dr. Pierce's medicines. She had taken them and felt like a new woman. I began using the Favorite Prescription,' and took four bottles before my baby came and two afterwards. I suffered almost death with my other two children, but hardly realized that I was sick when this baby was born, and she weighed twelve and one-quarter pounds. She is now eleven months old, and has never known an hour's siekness; at present she weighs thirtyseven pounds. I owe it all to Dr. Pierce's Favorite Prescription."
