Thompson, Jan. 21.-Emory Lee, of Burnwood, was run down by a train on the switch at Hathaway's pond, last night, as he was returning to his home from his work on the pond, and seriously injured. The man is a deaf mute, which accounts for the accident.

The Well Known Baptist Clergyman

Buried Yesterday at Clifford. Rev. William A. Miller, who died very suddenly at his home in Clifford, vas buried yesterday afternoon. The 'uneral services were held in the Baptist church and were in charge of the pastor, Rev. C. C. Gillett. Notwithstanding the very unpleasant weather the house was full, and a deep feeling was manifested by all present, for he was a man very much respected by all who knew him. The choir rendered two appropriate selections, and Mrs. R. R. Rivenburg, with touching pathos, sang as a solo "Only Waiting." Addresses were made by Revs. C. C. Gillett, Dr. H. A. Whalen, H. P. East and W. B. Grow, Dr. David Spencer and in the services which were of a very cons A. H. Burdick, Hiram Rivenburg, A. O. Finn and Messrs. D. H.Oakley, H. M. Callender and Henry Rivenburg. The deceased was the son of the late Rev. Charles Miller, and was born in Clifford eighty years ago. Over sixty years ago he united with the Baptist church at Clifford and remained connected with it to the day of his death. The course of winter entertainments being given at Alexander Hall, has proved a splendid one, David Bisp-ham, the famous operatic baritone, whose magnificent voice scored such a distinct triumph in Scranton a short time ago, sang here last Thursday night, and Miss Jackson, who has an international reputation as a violinist delighted a large audience a few weeks

THE MARKETS

Wall Street Leview.

New York, Jan. 21.—Today's stock market had the same appearance of indigestion and somnolence which has pervaded it of late. The movement of prices was exceedingly singish and narrow and the volume of dealing fell away further. The net changes are small and mixed. The talk of new combinations is heard, but only with skepticism and distrust. There is latent feat that such combinations may be for hostile purposes rather than for mutual benefit. There was a show of strength in Sugar and Metropolitan, but the gains were subsequently wiped out. Glucose continued its recent advance to the extent of a point, but alterwards tell 1% below last night. There was an active demand for Mexican Central at an advance of 1% accompanied by reports of a new bond issue and the acquisition of additional lines. National Salt after a long period of inactivity, was offered down over eleven points below the last sale and then rallied five. The preferred lest four. No explanation was offered beyond the obstruction to the plan of reorganization. American Tobacco was stricken from the Stock exchange list, owing to the insignificant amount of the stock outstanding and the facility thus offered for manipulation and the possible working of a corner. The market showed some recovery and closed irregular. Total sales today, 414,909 shares. Consolidated Tobacco 4's continued to make up the largest part of the bond market and were reactionary.
