SOCIAL AND PERSONAL.

In Epiphany Episcopal church, Philadelphia, Wednesday evening, Miss Blanche C. Andrews, daughter of Mrs. Benjamin M. Andrews, of Springfield, Pa., was married to Attorney A. J. Colborn, of this city.

Just at 8 o'clock the bridal pair walked up the aisle to the sweet strains of the Lohengrin wedding march, the music of the organ breathing a harmonious undertone throughout the ceremony. The party was met at the chancel by Rev. Dr. Hardcastle, rector of the church, who performed the marriage ceremony. Bride and groom were unattended, the bride being given away by Mrs. Miller, of Philadelphia, a friend of Miss Andrews, in the absence of her mother, who was detained by illness.

The church was very prettily decorated, and the wedding, though quiet and simple, was beautiful.

The bride's gown was a very pretty creation of pale tan crepe de chine, with puffed sleeves and lace trimmings. The groom wore evening dress. Immediately following the ceremony a short reception was held at the rectory, after which Mr. and Mrs. Colborn took the train for Washington, D. C., and other points south.

No wedding invitations were issued, only the immediate families of both and a very few intimate friends being informally bidden to be present. Mr. and Mrs. Colborn will return to Scranton about February 1, and reside at 1317 Capouse avenue.

The home of Mr. and Mrs. Fred Warner, of Wyoming avenue, Green Ridge, was the scene of a pleasant gathering Wednesday evening in honor of their wedding anniversary. About thirty entered in a body and took possession of their beautiful home.

Music selections were given by Miss Emma Walter on the violin accompanied by Mrs. E. L. Walter. Vocal solos by Miss Jessie Bristley and piano selections by Gertrude Loomis were also given, after which in a few well chosen words by Mrs. Enos T. Hall, Mr. and Mrs. Warner were presented with a cut glass berry dish.

Mr. and Mrs. Warner responded, thanking the guests for the same. Refreshments were then served. Those present were:

Green Ridge—Mr. and Mrs. E. W. Pearce, Mr. and Mrs. Oscar Colvin, Mr.

and Mrs. D. T. Swartz, Mrs. Ruth Barry, Mrs. C. C. Caley, Central City—Prof. and Mrs. Whitmore, Mr. and Mrs. E. L. Walter, Mrs. William Kemmerer, Mrs. Olive Gibbs, Mrs. Enos Hall, Mrs. M. J. Mitchell, Miss Emma Walter.

West Scranton—Mr. and Mrs. E. S. Hand, Mr. and Mrs. A. E. Betterley, Mr. and Mrs. William Yohe, Mr. and Mrs. J. S. Loomis, Mrs. T. H. Allen, Mrs. Annie Evans, Miss Margaret Bristley, Miss Jessie Bristley, Miss Gertrude Loomis.

Mrs. M. A. Friedlander has returned from a two weeks' trip to New York and Jersey City. James F. Hays, Adel Moore, John G. McConnell and F. L. Crane were registered at the St. Dennis in New York this week.

Miss Gertrude Tucker, of Carbondale, has returned home from a week's visit with Miss Alice Rowley, of 1419 Wyoming avenue. The latter accompanied Miss Tucker for a week's visit in Carbondale.

ESTIMATES COMMITTEE.

Select Councilman Vaughan Objects to Way in Which Bureau of Health is Run.

Select Councilman D. W. Vaughan made a sensational attack upon Superintendent Allen, of the bureau of health at yesterday afternoon's meeting of the sub-committee appointed by the estimates committee to cut down the estimates submitted by the several heads of departments.

In the estimate prepared by Director of Public Safety F. L. Wormser he omitted the item of \$200 usually appropriated for a police surgeon and added it together with another \$100 to the salary of the superintendent of the bureau of health intending to have that official act as police surgeon and also as a department physician to examine policemen and firemen reporting themselves sick for the purpose of preventing any feigning of sickness.

Councilman Vaughan objected to increasing the salary of the superintendent and declared that the bureau of health is not up to the standard of the other city departments.

He declared that burial permits are frequently issued from the bureau several days after bodies have been actually interred and that complaints go unheeded for weeks until the matters are finally brought to the attention of the director of public safety.

Director Wormser, who was present, arose to defend Superintendent Allen, and declared that he always attends faithfully to his duties and that he, as his superior, has no fault whatever to find with him. The \$300 was finally cut out by the committee, leaving the salary of the superintendent \$1,200, the same figure as last year.

The committee carefully considered the items of \$50,624 and \$68,438 asked for the bureau of fire and police respectively and decided that not a single reduction could be made in them. Mr. Vaughan took occasion to compliment Director Wormser upon the management of the department.

"It is a pleasure," said he, "to appropriate funds for this department because we know that only what is appropriated and no more will be spent. Director Wormser has no deficiencies of any consequence to meet and for this reason he is deserving of great praise. This is the first time in my memory that there have been no police and fire deficiencies to be provided for and the man who has brought about this reform is to be highly complimented."

Mr. Keller also congratulated Director Wormser, who blushed and stated that he didn't think he should be complimented for simply doing his duty.

The item of \$1,200 asked by the trustees of the Scranton Public Library for the buying of asphalt sidewalks about the library premises was cut out without opposition. The item of \$600 for the assistant clerk in the department of public works was increased to \$780.

An item of \$4,000 asked by Director Roche for the fitting up of offices on the fourth floor and the installation of an elevator was cut out at the suggestion of Mr. Clemens who said that this should properly be provided for in the bond issue which is to be made. Items of \$400 for the tiling of the corridor on the fourth floor and \$450 for the salary of an elevator operator were also cut out.

The item of \$4,000 asked by Director Roche for street indicating signs was cut down to \$2,000 and the item of \$25,000 for the cleaning of paved streets was reduced to \$20,000.

Some objection was manifested to the items of \$2,500 for the installation of a stone crusher plant and of \$3,400 for a new road roller but Director Roche argued so earnestly and convincingly in favor of them both that they were not disturbed. The members of the committee will meet this afternoon to complete their work.

CHARGED WITH CONSPIRACY.

They Will Have a Hearing Next Tuesday Night.

Thomas J. Richards and Martin E. Miller, the two men who have been arrested on a charge of conspiracy to injure the business of John U. Howell, editor of the Providence Register, will be given a hearing next Tuesday night at 8 o'clock before Alderman Myron Kasson. The Citizens' Alliance has been the force behind the prosecution.

Mr. Howell rode on the street cars since the strike began and as a result a boycott was placed on him and his business by the North Scranton locals of the United Mine Workers. The defendants do not deny among the advertisers of the Register and demanded that they take their patronage away from that paper under pain of having a boycott placed upon them. Because of their action it is charged that Mr. Howell's business was greatly injured.

ALLIANCE IS CHALLENGED

Open Letter from the Central Labor Union Officials—Desire a Public Discussion on Certain Points.

The following was last night furnished The Tribune by the executive committee of the Central Labor Union:

To the Secretary of the Citizens' Alliance:

The executive committee of the Central Labor Union has just received from your office a list of membership names who are not familiar with the true principles of trades unionism and, therefore, are thoroughly misled in their assistance in disseminating this grand system.

Believing that the declaration of principles which the Citizens' Alliance has placed before the public does not value the true sentiment of the inner circle of its secret services, but is simply a shield—a fender, behind which lurks the real intention purpose of destruction to the welfare of the toilers of this community, as represented in organized labor.

Believing that the battle of trades unionism must be waged upon ethical lines, we feel that we do not value the true sentiment of the inner circle of its secret services, but is simply a shield—a fender, behind which lurks the real intention purpose of destruction to the welfare of the toilers of this community, as represented in organized labor.

TWO RUNAWAY BOYS.

Green Ridge Lads Left for New York on Wednesday.

Superintendent of Police Day was notified yesterday morning that John Woodworth, the 15-year-old boy of Richard Woodworth, of Fairfield avenue, had been seen in New York City. A 14-year-old youngster, residing on Breaker street, had gathered together enough money to pay their fares to New York and had left for the metropolis on Wednesday afternoon.

Shortly after receiving this notification the superintendent received a telegram from the Jersey City police announcing that the Woodworth boy had been picked up on the street, and would be sent on to this city in charge of a railway conductor. Nothing has been heard of the Morel boy.

Councilmen Evan Evans and A. L. Lewis Charged the Health Authorities with Carelessness, Claiming That Bedding in Brace Home Was Burned and That None Was Furnished in Place of It Until Director Wormser Was Appealed to.

Common Councilmen Evan Evans, of the Fourth ward, and A. L. Lewis, of the Fifth ward, charged the bureau of health with negligence at last night's meeting of the common council, in connection with the treatment accorded William J. Brace and Mrs. Lewis, who are quarantined in the former's home on Eromley avenue.

The councilmen were discussing a resolution offered by Joseph F. Evans, at the request of Recorder Connel, authorizing the latter official to borrow \$100.00 from one of the local banks, the proceeds to be used in case the spread of the small-pox should necessitate its expenditure. Mr. Lewis took the floor and said:

"If this money is appropriated it should be distinctly understood that it is to be expended by the director of public safety and not by the head of the bureau of health. The health authorities have not done their duty since the small-pox has broken out here and they know it. I think that councils should know about some of the things that have been done.

"The health authorities burned all the beds and bedding in the Brace home on Eromley avenue, in which deaths from small-pox have occurred, and in which Mr. Brace and Mrs. Lewis have been quarantined since a week ago last Monday. There was no thought of bedding this bedding with any other, and for three nights that man and woman had to sleep on bare boards, with nothing to cover them but an old coat and a shawl. The health authorities made no effort to procure bedding and these people would probably be sleeping that way yet if Director Wormser had not been appealed to direct. As soon as he learned of the condition of affairs he saw that beds and bedding were sent over there. That's only an instance, gentlemen, of the way in which affairs are being conducted."

"That's right," said Evan Evans, "but there's more that should be told. It is an actual fact that while some of the bedding used by the small-pox patients were burned there is still a large quantity of it lying on the porch exposed to all the winds that blow here."

The resolution authorizing the borrowing of \$100.00 was passed after it had been explained that the money would not be expended unless it was absolutely necessary.

Mr. Nagell offered a resolution imposing a penalty of \$20 fine upon every physician who shall fail to report to the bureau of health a case of smallpox within twelve hours after its discovery. This was passed. Mr. Chittenden's resolution providing for free vaccination, adopted a week ago by select council, was also passed.

Joseph F. Evans introduced an ordinance providing for the erection of two electric lights in the Second ward, one at the corner of Beaumont and Warren streets and the other on North Main avenue between Theodore and Ferdinand streets. It was referred to the proper committee.

Ordinances establishing grade of Rebecca avenue and providing for the vacation of a portion of George street were passed on third and final reading.

In the absence of President P. F. Catlin, who is on his honeymoon, E. E. Robathan presided at the meeting.

ARCHDEACONRY MEETING.

Winter Session Is Being Held in Wilkes-Barre.

The winter meeting of the Episcopal archdeaconry, embraced in the Scranton archdeaconry, opened last night in the Calvary Episcopal church, Wilkes-Barre, with a large attendance, including Bishop Talbot and Archdeacon Cox.

The chancel was beautifully decorated and St. Stephen's choir furnished an elaborate musical programme.

Addresses were delivered on the "Obligations of Church Membership," by three of the clergy, each taking a sub-division of the topic. Rev. Rogers Israel, D. D., of this city, spoke on "After Worship," Rev. R. A. Sawyer, of Carbondale, on "As to Work in the Twentieth Century," and Rev. James P. Ware, of Honesdale, on "Obligations of Christians as to Giving."

Today there will be three sessions. At 9:30 there will be a business meeting of the archdeaconry. At 10:20 there will be holy communion, and a sermon by Rev. Charles P. Fessenden. Luncheon will be served the delegates at 1 o'clock by the Women's Auxiliary.

Mazzeroni Pascolini Given a Hearing Before Magistrate Howe.

Mazzeroni Pascolini, who is charged with the felonious wounding of Maestimo Ceconi, in South Scranton, on Sunday night last, was held under \$1,500 bail yesterday by Magistrate Howe.

A statement signed by Ceconi declaring Pascolini to have been his assailant was offered in evidence. Joseph Luciani, an eye witness of the affair, testified that Pascolini had stabbed Ceconi in the back as the latter was entering the house of a mutual friend, Richard Rees, of Meridian street, became Pascolini's bondsman.

ONE MORE CASE.

Mrs. George Briggs, of Price Building, Is Ill with Smallpox.

Dr. Kennedy, health officer of the borough of Priceburg, denied last night the statement that three of the persons in the borough reported to be suffering from smallpox are merely suffering from chicken-pox.

He said that all four persons reported to be suffering from smallpox and that one new case broke out yesterday, the afflicted person being Mrs. George Briggs. Her house has been quarantined, and guards are also being kept on duty at the other houses in which the disease exists.

There were no new developments in the local situation yesterday, no new cases of the disease having been reported to the bureau of health.
