### **MIXED CHORUS** IS ORGANIZED

PROF. LEWIS DAVIES SELECTED AS CONDUCTOR.

District Attorney W. R. Lewis Is President of the Organization; John T. Davis, Secretary, and Quota of Voices Assured-Happenings of Yesterday in the Churches. Electric City Wheelmen Bowling Notes-Other News Notes.

The West Scranton mixed chorus for competition at the National Eisteddfod, to be held in this city on May 30, was formally organized at the Jackson Street Baptist church last evening, and from the talent represented and the interest manifested, the choir bids fair to be one of the leading features of this great musical event.

Copies of the competitive selection, "The Night Is Departing," from Mendelssohn's "Hymn of Praise," will be procured during the coming week, and rehearsals will be begun in earnest next Sunday evening at the Jackson Street Baptist church, when all the voices will be assigned their respective parts. The choir will be composed of between 150 and 175 singers, all of whom have previously sung in competition.

The meeting last evening was called to order by John H. Phillips, who acted s temporary chairman. Thomas Marshall acted as temporary secretary. Addresses were made by David Pritchard, E. E. Robathan, Charles Hartley and John H. Reynolds, all of whom are directly interested in the organization. Prof. Lewis Davies, chorister of the Jackson Street Baptist church, was unanimously chosen as the conductor. District Attorney William R. Lewis was elected president; John T. Davis,

secretary, and David B. Evans, treasurer. A large percentage of the membership was in attendance. Prof. Davies, the conductor, is a talented musician and leader, and has been eminently successful in everything along that line that he has undertaken. He has been a student of music all his

life, and is a singer of much ability. Five years ago he passed the first examination at Trinity college, Toronto, Canada, for the degree of musical bachelor, under such eminent instructors as Dr. Humphrey and Prof. Karn, Mus. Bac., and he has also been a student of Prof. Dan Protheroe, of Milwaukee, Wis., for a number of years.
