Miss Mary Lenghan, a Young Society Lady who lives in Brooklyn, N. Y., tells how Young Women May Escape those Terrible Monthly Pains and Sickness.

"DEAR MRS. PINKHAM :--- I suppose some of my friends would call it immodest in me to acknowledge to you what Lydia E. Pinkham's Vegetable Compound has done for me, but I feel that seven bottles which I took last fall and winter made a complete change in my life, and brought new hopes and aspirations to me which I had not dared think of when I was sick.

"For three years I suffered silently every month ; I dreaded the time, and while not sick in bed, I felt sick enough to stay there. Cramps and bearing down pains and wretched headaches were of frequent, often daily occurrence, but your Compound quickly changed all that. I am now in splendid health; I have no pains, and am so grateful to you that I feel I want to express myself, hoping it may help some suffering one to health. Yours truly, MISS MARY LENGHAN, 533 Park Ave., Brooklyn, N.Y."
