Trains leave city station, Carbondala, daily except Sunday) at 7,60 a, m, and 4,63 p, m, for randt and Kineveh; at 9,63 a, m, daily few using Sanday), toe Binghaniton, making contestions for New York city and Buffalo, and at 19 m, for Sanquehoma, making connections a western points.

se connections. Trains arrive at 8.50 a. m. and 5.45 p. m. mays at 8.53 a. m.

FUNERALS OF A DAY.

Obsequies of the Late Miss Mary Carden and Mrs. Sabina Kearney.

Two long funeral processions passed through the city yesterday, Miss Mary Carden and Mrs. Sabina Kearney being laid at rest in St. Rose cometery. The obsequies of the late Miss Mary Carden took place in the afternoon from the home of her mother on the West Side. Here there was a big assemblage of friends of the departed that moved to St. Rose church, where Monday night. the absolution was pronounced. Earlier in the day, at 7.30 in the morning, there was a mass of requiem offered for the friends who cherished a grateful remembrance of the deceased.

The pallbearers were Charles Boland, Peter Neary, Thomas Connell, Hugh Finlan, Patrick McGarry, James Lav-

The funeral was attended by many persons from out of the city, among them being P. J. Messett, John Mcssett, P. J. Carden and M. J. Larkin, of Caufield, of Honesdale: Arthur Messettt, Michael Roche, John J. Roche, Misses Elizabeth Roche, Teresa und Elizabeth McCloskey and Mrs. John W. Grant, of Jermyn; Mrs. P. M. O'Boyle,

Mrs. Kearney's Funeral.

The funeral of Mrs. Sabina Kearney took place in the morning at 9 o'clock, from the residence on the West Side. At St. Rose church there was a high mass of requiem sung by Rev. Walter Gorman. The procession that followed the deceased to her resting place in St. Rose cemetery was a long one. The pallbearers were: Malachi Mannion, Robert McHale, Michael Clarke

and Patrick Carden.

ANOTHER WRECK ON D. & H.

The Second Derailment of Cars This Week Occurred Yesterday at Farview.

There was a wreck on the Honesdale branch of the Delaware and Hudson yesterday, the second one this week. A train of cars coming up the hill at Farview, on the return trip from Honesdale, ran into a snow drift, the obstruction throwing four cars off the rails. The consequence was a delay of several hours to trains each way. The first train due in Carbondale

about 9 o'clock in the morning, was several hours late; the first train out of here, at 7.22, was even later in reaching Honesdale. The other wreck occurred the night

before; a derailment of several cars near Panther's bluff was the result. Traffic on this occasion was also delayed for four or five hours, the last train in, in the evening, reaching here about 11 o'clock.

Opera Company Coming.

Manager Byrne has arranged for a week of opera, commencing Monday evening, February 17. The Columbia company is the name of the organization. The company will be welcomed, as Carbondale has had no opera this

"Our New Minister" Again.

Manager Byrne has been successful in arranging a return date with the "Our New Minister" company, and on Monday night next this meritorious play will be at the Grand. This will missed this play on its first presenta-

ALL ALIKE. Doctors Agree on Food.

All physicians agree that good food, leave the residence for St. Rose church, properly selected, is of the utmost importance, not only for the cure of disease but to maintain health even when tery. one is well.

Dr. William Hale, of 14 Pleasant street, Gloucester, Mass., says: count it a pleasure to say a good word for Postum Food Coffee with which I have been enabled to relieve so many sufferers, and which I count, its valued companion, Grape Nuts, one of the dally blessings.

Coffee was banished from my own table some time ago and Postum used regularly in its place.

"I frequently find it necessary to instruct patients when they take Postum Coffee for the first time to be quite sure that it has been boiled long enough to bring out the clear, black celor and the rich taste, as well as the

health giving qualities." six patients who were formerly ner- pleasures were due to the warm-heartvous dyspeptics but have been cured ed hospitality of George Russell. Postum Food Coffee in its place.

tion and regretted the fact that they did not take advantage of the opportunity of seeing such a really good play. The piece can be most highly recommended as one of the best pastoral plays that has ever been seen here. No better play, it can be assumed, has been here this season.

PLENTY OF LIGHT.

An Appreciable Increase in the City's Illuminations.

If the ordinance, which passed first in removing the danger of crime and other evils, while at the same time a well lighted city speaks eloquently for

any community.

The lights which will be of 32 candle power, and nineteen in number, are provided for as follows: Fallbrook street, near Anthony Duf-

fy's; Fallbrook street, near Cassic Mc-Hale's store: Fallbrook street, near Patrick Langan's: Dundaff street, in front of Richard Nolan's property; corner of Brook avenue and Terrace street; intersection of Summit avenue and Thorne street; Richmond street, in front of Owen Lewis' property; intersection of Gravity and Jefferies streets intersection of Gilbert street and Summit avenue; intersection of Oak avenue and Birkett street; Willow street at Ontario and Western crossing; cor ner of Ninth avenue and Main street; South Church street, at corner of Ciles' property: Woodlawn avenue and Car-den street: Pike street, in front of Thomas Judge's property; Scott street, near Anthony Horan's property; Scott street, near James Crane's property; South Hospital street, near John Collins' property: Belmont street and Reynolds evenue.

DEATH OF PETER M'CARTHY.

A Mayfield Resident, Who Was Well-Known Here, Passes Away.

This community, as well as Mayfield, uffers the loss of a good citizen in the death of Peter McCarthy, who sucone, who made up a large procession cumbed at his home, in that borough

"Pete," as his friends knew him by, was of a genial, good nature and made friends with all whom he met. He not peace of the soul of Miss Carden. At only made friends in legion, but kept this service, there were also numerous them. For eleven years he conducted a barber shop in Mayfield, surrounding himself with a paying patronage. During his residence there he was called upon to fill several offices of trust, and in all instances proved worthy of the trust reposed in him. To his religious, home and business obligations he was faithful after the manner of the Christian he was.

The deceased was a member of the Scranton; May Caufield and Joseph Sacred Heart church in Jermyn, and was consplcuous among its zealous workers. He was well-known in this city, and a wide circle of friends, who held him in affectionate regard, will deplore his somewhat sudden demise. He was also an active member of the William Walker Hose company.

The funeral will be held on Thursday forning, leaving the late home of the deceased, on Poplar street, at 9 o'clock, (. f cincon).

FIRE ESCAPES ERECTED.

Splendid Safeguards on the Schools and the Burke Building.

Fred Mursch, of South Scranton, who has the contract for the work, has completed the erection of fire escapes on the city schools where they were alled for; also on the Burke building. The escape on the Burke building, like the others, is a most acceptable addition to its equipment. It will give a sense of safety and security that could not have been felt before.

All of the larger buildings of the town will be equipped with fire escapes within a few weeks. The work is being carried out pursuant to instructions from Earl W. Bishop, of Dunmore, deputy factory inspector, who visited the city a few months and directed this compliance with the factory laws.

OBITUARY.

LE ROY RICHARDS, son of Mr. and Mrs. Casper Richards, former Carbondalians, died on Monday in Los Angeles, Cal., where the Richards family

The deceased was a youth, 18 years of age, and was born in Carbondale. He was a young man of promise, and his early garnering will be a sore affliction to his parents. A blood clot on the brain, from which he suffered for many months, was the cause of death.

THE NEW OFFICE BUILDING.

Contract for Contemplated Structure Let to A. E. Tiffany.

The contract for the new office buildng, to be erected by J. B. Shannon & Co., has been let to Contractor A. E. Tiffany. Work will be commenced to-

The plans, as reported in detail in The Tribune a few weeks ago, call for splendid office building, with all the be good news, for there are many who latest improvements. The building will be of Nay Aug vitrified brick, with

INDUSTRIAL AND LABOR

SENSATIONAL ADVANCE OF LACKAWANNA STOCK.

It Is Thirty Points Higher Than It Was on Jan. 2-George T. Slade Has Been Made General Superintendent of the Eric Railroad-Jas. Corbett Appointed Superintendent of the Susquehanna Division of the Erie-The Board for Today.

"A sensational advance of 14 per cent. in the price of Delaware, Lackawanna and Western railroad stock, on transac tions aggregating only 2,900 shares, se Wall street guessing yesterday regarding the accuracy of two or three rumors that have done periodical service in the past few months," says yester-day's New York Sun. "W. K. Vanderbilt and George J. Gould have each been credited with a desire to obtain control of this road and each has authorized repeated denials.

"The report that attracted the mos ttention yesterday was that the Goulds had offered 300 for enough stock to carry control. This would mean \$150 each for the Lackawanna half shares of \$50 par value, and according to Stock Exchange gossip a direct offer had been made to take over the entire holdings of the Moses Taylor estate at this price. President Truesdale of the Lackawanna road, said that he had never heard of any such offer and knew nothing of a pending deal of any kind The first A representative of George J. Gould said that Mr. Gould had denied rumors about his seeking control o or more late. Later in the day the road | Lackawanna so often that he was tired of the subject and would pay no more ttention to it.

"The control of the Lackawanna road now rests with less than half a dozen interests-the Moses Taylor estate, the Rockefellers, the Vanderbiits, James Stillman and Samuel Sloan represen the principal owners. There has not ocen stock enough to affect the contro n the open market for several years Recent sharp advances in the quota ions have been attributed by conservative Wall street men to bullish manipulation for effect on the other con tocks. Lackawanna stock has naturally been strong in recent years because of the company's steadily in creased earnings and large reserve asets. There has been a great deal o Wall street talk recently about a pos-sible increase of stock with valuable rights' to the present stockholders.

"One phase of yesterday's sensational dvance in the price of Lackawann vas a jump from 288 to 294 within half an hour on purchases of only 600 shares by C. I. Hudson & Co. The quotation receded immediately and closed at 290 a net advance for the day of 10 points This is a rise of just 30 points since Jan. 2.

Erie Appointments.

An order recently issued by C. R Fitch,general manager of the Eric Railroad company appoints George T Slade, general superintendent of the Erie division of the Erie railroad, with headquarters at New York. The office of assistant general manager, held by Mr. Slade, has been abolished. Until called to the office of assistant general manager. Mr. Slade was superintend nt of the Wyoming and Jefferson divisions of the Erie with headquarters at Dunmore, Henry E. Gilpin has been appointed general superintendent of the Ohio division of the Chicago and Erie railroad, with headquarters at Cleve

An order issued by General Superinendent Slade appoints James Corbett superintendent of the Susquehanna division to fill the vacancy caused by the death of George A. Coe,

and Provided the infusion of the United States and Physics of the United States an

bed without warning. The headache, sleeplessness, and nervousness, with flatulence, undue fulness after eating, and other symptoms of stomach "trouble," which come to men and women, are all Nature's warnings of violations of the laws of healthful living. If these warnings are not heeded, then comes the sterner admonition that often places the heedless and disobedient on a sick-bed. There are people to-day existing on toast and "slops," weak, miserable and complaining, who ought to be in sound health and in the full enjoyment of life. They would be had they heeded the warnings Nature gives. In most cases they may even yet be restored to health by the use of the same means by which thousands of men and women have been made strong and healthy-Dr. Pierce's Golden Medical Discovery. The cures effected by this remarkable remedy are so many that there is hardly a

The policeman commands obedience to the law in the

simplest way. His uplifted hand stops traffic as effec-

tively as a leveled revolver. It is only when reckless people refuse the gentler warnings of the law that club

and pistol come into play and result in wounds or death.

The law of nature is enforced on the same plan as the

civil law. The law-breaker does not come to the sick-

lungs, heart, kidneys, liver, stomach, blood, etc., but all the stories are alike in this one feature—they end with a perfect and lasting cure as the result of the use of "Golden Medical Discovery."

It is a singular fact that the larger number of persons cured had been sufferers for years and had become victims of chronic diseases. The fact is singular because of the neglect to use Dr. Pierce's Golden Medical Discovery in the early stages of disease, a medicine so widely known because of its cures. The witnesses to these cures are legion. Clergymen, doctors, merchants, farmers, men and women in every walk of life, are among those who, for the benefit of other sufferers,

point to the simple and economic means of cure offered in the

town or village in the country which does not contain some

living witnesses to its curative powers. The stories of these

people are varied and cover many forms of disease affecting

use of Dr. Pierce's Golden Medical Discovery. "I was not well for two years," writes Mr. James M. Sizemore, of "I was not well for two years," writes Mr. James M. Sizemore, of Mitchell, Lawrence Co., Ind., Box 501. "My throat was always sore, head ached and back ached nearly all the time. My weight was 155 pounds. I was taken sick with typhoid fever, and when the fever left me I had such a pain in my left side I could not breathe without pain. I thought I must die. My wife went to the drug store and procured a bottle of Dr. Pierce's Golden Medical Discovery and a vial of his 'Pleasant Pellets.' I discontinued the use of my doctor's medicine and began with the 'Golden Medical Discovery' and 'Pellets.' I discontinued the use of my doctor's medicine and began with the 'Golden Medical Discovery' and 'Pellets.' lets.' I at once began to feel better; the pain soon left my side and I could breathe with case. In a week or so I felt so good I could not stay in the room. I began to walk about the streets; I felt better each morning. After a month's use of the medicine I was well. That was over a year ago. Now I weigh 184 pounds and feel better than

"I was afflicted for several years with a complication of diseases; neuralgia of stomach, rheumatism and kidney trouble," writes Mrs. Luella Garlinghouse, of Galena, Delaware Co., O. "After doctoring with five of the best physicians of our town for two or three years without receiving any particular benefit, I decided to write to Dr. R. V. Pierce and give him a brief description of my case. You kindly answered my letter immediately, recommending a persistent and systematic course of treatment with Dr. Pierce's Golden Medical Discovery. Also requesting that I follow the hygienic advice which you enclosed, and which I did with the following results: When I wrote to Dr. Pierce I had been sick for several years with rheumatism, but for the last year other diseases set in. I had neuralgia of stomach, also a pain in my heel and ankle (they were swelled during the day), and pain at the very end of the spine, so I could hardly sit down at all. My throat was very sore every night for three months, and my stomach was so sore I couldn't bear the weight of my clothes. Strange to say I had an enormous appetite, but everything I ate gave me that pain in the stomach. In fact, I was so discouraged I never expected to get well, but after consulting Dr. Pierce I felt some hopes of recovery. After taking thirteen bottles of 'Golden Medical Discovery,' two of 'Favorite Prescription' and three vials of Dr. Pierce's Pleasant Pellets I felt entirely well."

Every farmer and dairyman knows that it is of the first importance that the vessels into which the fresh milk is put shall be absolutely clean. The slightest taint in the vessel will taint all the milk that is put into it. It is very much the same way with the stomach. If the stomach is diseased it must injuriously affect the food put into the stomach. And as the blood is made from digested food, the blood also must suffer contamination from the diseased stomach. Then because blood is the life of the body and feeds every organ of the body, whatever affects the healthy quality of the blood must affect the organs which feed on the blood, and, therefore, affect the whole body, the life and sustenance of which is the blood made from food. These facts connect the diseased stomach with every organ and tissue of the body, and partly explain why Dr. Pierce's Golden Medical Discovery which cures diseases of the stomach and other organs of digestion and nutrition, also purifies the blood and cures through the stomach diseases of organs seeming remote from the stomach, but yet so linked to it and dependent on it that they cannot have sound health so long as the stomach and

digestive and nutritive system are diseased. Instead of trying Dr. Pierce's Golden Medical Discovery as a last resort, try it first of all. Its use offers the greatest possibility of cure. It always helps. It almost always cures.

Sick people, are invited to consult Dr. Pierce by letter free. All correspondence strictly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y. Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach and blood.
