FIRE ON SPRUCE STREET. Hannah Jenkins' Millinery Stock Damaged.

The millinery store and bric-a-brac stock at 407 Spruce street, the former conducted by Miss Hannah Jenkins and the latter owned by K. S. Aprahamian, were partially destroyed by fire last night, shortly before midnight, but just how the fire originated is some vhat of a mystery.

Aprahamian had packed a lot of his goods, preparatry to shipping them to Jacksonville, Florida, and they were piled up in boxes in a corner where the fire started. There was no heating stove in the store, the room being heat ed by steam.

Miss Jenkins' stock is more or less ruined by smoke and the chemical so lution, which was used to extinguish the flames.

Aprahamian, when seen, stated that he left the store at 8 o'clock and went to the Academy of Music, and after-wards to the Irving, where he was when the alarm was turned in from the box at Wyoming avenue and Spruce street. He could offer no explanation of the fire.

He estimates the value of his stock at \$1,500 and carries \$1,200 insurance. His loss will amount to several hundred dollars, and Miss Jenkins' less is much

Last Night's Banquet.

The banquet served last night in the main auditorium of the club house proved to be one of the most sucressful affairs conducted by the local coun-cit. Upwards of 300 delegates and local members of the order were in attendance and four hours were never more delightfully spent by any of them.

The auditorium was prettily decorated with green trailing vines which were festooned upon the walls and hung from the chundeliers. A massive bank of palms in the front of the stage served to conceal the picked orchestra which rendered charming muste during the progress of the dinner. Sented at a table running cross-wise directly below the platform were the toestmuster and the speakers of the evening. The other guests were seated at four long tables running lengthwise the entire length of the room.

The most enjoyable feature of the banquet was its delightful informality. There was no stiff formalism or stud-600. The assets of the organization ied etiquette. John Cunster, grand knight of the Scranton council, delivered a brief address of welcome in which he introduced former Senator M. E. McDonald, who presided as toastmaster of the evening. Without ceremony he introduced Rev. Bishop M. J. Hoban, who was to have responded to the toast, "The Church and the Republic," but who made an informal address instead, on account of the lateness of the hour.

Bishop Hoban's Remarks.

"There is a latent suspicion in this country," said he, "that the Catholic church is against the republic and has designs upon the constitution. We, as the afternoon, resulted as follows: Catholics, my friends, know this to be

Columbus could do a great work in correcting these false impressions and in proving to Protestants that the Catholic church is not a persecuting church but rather the true preserver of Christian charity. He urged the Knights to use their influence also in preventing the production of the "immoral, risque and pornagraphic plays which now flood the stage." He said that the Knights could be a power in the community for the right if they

live true Catholic lives.
State Deputy James A. Flaherty took
the place of Hon. Francis J. O'Conner, of Johnstown, who was unavoidably unable to be present, and was called upon to respond to the toast, "Our Order." He pleaded an attack of laryngitts and with the remark that the order spoke for itself he yielded to Attorney R. J. Bourke, who was down to speak on "The Strenuous Life." The strenuous life which Mr. Bourke

speke upon was his experience with the Thirteenth regiment during the Spanish-American war, when he represented the council at the front ' the rest of the boys at his back—400 miles away." He was followed by Colonel C. T. O'Neil, of Allentown, commander of the Fourth regiment who was called upon unexpectedly and who merely said that he'd obey the words of the song and "go way back and sit down."

Attorney Duggan's Address.

Attorney T. J. Duggan was next introduced and was called upon to tell something about the Scranton council. Mr. Duggan was sitting next to ex-Mayor James O'Neil, of Carbondale, candidate for re-election and said that he was unable to speak intelligently on the subject, because he had been giving pointers on "How to Win a Campaign." He referred humorously to a number of incidents in connection with
