POLICEMAN REILLY.

RESCUES A CONNECTICUT WOMAN FROM HORRIBLE TORTURE.

Mrs. William Cotter, of Hartford, the Victim. Tells the Story in an Interview—A Terrible Experience.

"It was horrible," said Mrs. Cotter, "I almost wished for death to relieve me. But help came in time and I am very grateful.

"Tell you the story? Yes, indeed, I never forgot the telling of it. Several years ago I was taken with neuralgia and suffered untold misery. I tried a great many doctors and several remedies with the result that I found temporary relief, but I was not cured and began to fear that I never would be.

"Then Policeman Reilly, who is a neighbor of ours, recommended that I try Dr. Williams' Pink Pills for Pale People and I did so. I thought that the first box gave me some relief, and my husband insisted that I keep on taking them. I did and I can truly say that these pills are the only medicine that ever permanently benefited me.

"I used to have to give up entirely and lie down when the pain came on. My face would swell up so that my eyes would close. The pills cured all this and I have had no return of it for the last three years. I keep the pills constantly on hand as I believe they are a wonderful household remedy.

"To Dr. Williams' Pink Pills for Pale People I owe all the comfort I have enjoyed for the past three years in being free from neuralgia and I am glad to be able to recommend them."

Many who are now tortured with neuralgia will read with interest the above statement, which is beyond doubt as it was given over the signature of Mrs. William Cotter, whose husband has been Democratic Register of Elections in Hartford, Conn., for over ten years and who is well known throughout the State.

Mrs. Cotter who lives at No. 42 Windsor street, Hartford, is the mother of a happy family, and is now enjoying excellent health.

Dr. Williams' Pink Pills for Pale People will not only cure cases similar to that of Mrs. Cotter but, containing as they do, all the elements necessary to give new life and richness to the blood and restore shattered nerves, they have proved efficacious in a wide range of diseases. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, scalding, neuralgia, rheumatism, nervous headache, the after-effects of grip, of fevers and of other acute diseases, palpitation of the heart, pale and sallow complexions and all forms of weakness, either in male or female.

Dr. Williams' Pink Pills for Pale People are sold by all dealers or will be sent postpaid on receipt of price, fifty cents a box; six boxes, two dollars and fifty cents, addressing Dr. Williams Medicine Co., Schenectady, N. Y.

OBITUARY. DR. HENRY CORSON died at the residence of James Arthur, in Forest City, Thursday afternoon at 2.40 o'clock from heart trouble, after an illness dating since October. Mr. Corson was born near Camden, N. J., March 15, 1824, and was therefore in his 78th year, and was no doubt the oldest person living in this state at the time of his death. He was the oldest of a family of four children, all three brothers being physicians and the sister was the wife of the late Judge Bronckhorst of Philadelphia.

Mr. Corson, when he was 16 years of age left home and began studying medicine with a physician in Philadelphia. After remaining there a number of years, he came to Wayne county by way of Hartford, Conn., where he had a large practice. He then returned to his home in Wayne county, and started practicing his profession in Montrose. He remained there a number of years and then went to Hartford. After staying there a few years he removed to Susquehanna, the place at that time containing only three houses. While at that place he was united in marriage, in 1851, to Miss Lucretia Geitz. He continued his practice there until 1882, since which time he has made his home in Hancock, Winwood and Forest City.

Dr. Corson was a most remarkable man in many ways, and his skill in medicine made him known far and near. He continued practicing up to the day of his death and retained his eyesight and mental faculties to an unusual degree.

He is survived by a widow, two sons, Dr. Frank Corson, of Waymart, and Dr. Charles Corson, of Rileyville; two
