

WEST SCRANTON

CONFERENCE ON VIADUCT

BOARD OF TRADE COMMITTEE MET RECORDER CONNELL.

He Favors the Plans for a Structure on the Southerly Side of the Street, but is Inclined to a Special Ordinance Instead of Adding to the Present One—Committee Hopeful of Results—Two Fires Yesterday, Church Concert—Driver's Narrow Escape—Other Matters.

The viaduct committee of the West Side board of trade, E. M. Clarke, D. D. Evans, John R. Farr, Charles E. Daniels and T. Fellows Mason, held a conference with Recorder Connell yesterday regarding the possibility of having a sufficient sum of money included in the bond ordinance for the erection of a viaduct over the West Lackawanna avenue crossing.

The committee were very cordially received by the recorder, who assured them that he was in favor of the viaduct, and stated his preference in favor of a structure on the southerly side of the street. This is the proposition which the committee is now advocating.

The recorder was of the opinion, however, that instead of incorporating the sum needed for a viaduct in the present bond ordinance, it might better be provided by a separate ordinance. The committee feel that now is the proper time to include the viaduct, if possible.

They also feel that the councilmen from the West Scranton wards should be a unit on this matter and should insist on the appropriation being included in the present ordinance, as well as others are doing for other sections of the city.

They further contend that the right of way necessary can be purchased for about \$100,000, and that a suitable viaduct can be built for \$30,000. If the street railway company wants the right of way over it, they should be compelled to pay at least half the cost of construction.

The committee proposed to the recorder that a record be made of the number of people, street cars and vehicles that pass over the crossing in one day, and also the number of delays occasioned by the switching of trains and the loss of time, thus entailed.

They also argued in favor of the public market place beneath the viaduct.

Driver's Miraculous Escape. A horse attached to Bohle's bakery wagon started on a runaway yesterday afternoon at Lafayette street and Everett avenue, and continued down the hill at a lively clip.

Suddenly the wagon screeched, overturned, and threw the horse to the ground. The driver clung to the reins, going over with the wagon. Everybody who witnessed the exciting event thought the driver was fatally injured, but when he emerged from the pile of bread, cakes and pies overturned in the wagon, he came up smiling and none the worse for his experience. The wagon was badly damaged.

duct, which would be a source of revenue to the city. The conference was attended with good results, and the members of the committee feel more hopeful than ever of securing this much-needed improvement.

Another meeting of the West Scranton members of the street and common councils and the board of trade committee will be held in the near future, to further the proposition.

An Excellent Concert. An audience that taxed the seating capacity of the Welsh Calvinistic church assembled there last evening to enjoy the concert provided by Kees D. Jones' Sunday school class, the members of which are David O'Bygan, Ely Harris, John E. Johns, James M. Powell, W. R. Thomas, John Williams and Thomas Williams.

The opening number was sung by Thomas Abrams, his selection being "Llewellyn's Grave," a composition admirably suited to his voice. For an encore, he sang a pleasing Welsh song, Miss Gertrude Freeman followed with a recitation, which was well received, and evoked much applause.

Mrs. Lewis Harris sang in place of Mrs. J. E. Heckel on the duet with Miss Via Jones, and the number was very well received. Charles A. Hartley gave a number of character impersonations, which pleased all, and he was accorded an encore.

Miss Via Jones rendered "Spare Your Country's Flag," as a substitute solo in place of Mrs. Heckel, who was unable to be present. David Jenkins sang a Welsh song in a captivator manner, and later sang the duet, "Italia," with Thomas Abrams.

Miss Freeman recited an appropriate selection on a valentine, and Mr. Hartley gave an exhibition of ventriloquism, which made such an impression that he was accorded a double encore.

Mrs. Frank Brundage sang two numbers, and her singing was one of the best features of the event. The Ladies' choir rendered the ever-popular "Annie Laurie," under the direction of Mrs. Thomas, who also acted as accompanist to the singing, together with Miss Norma Williams.

IN A WEAK SPOT.

THE STORY OF AN ATTACK AND ITS REPULSE.

A Thrilling Account as Told by a Veteran of the One Hundred and Fifty-fourth Indiana Volunteers.

Jacob T. Keller, of Girard, Kans., a veteran who saw long and hard service in the civil war with the One Hundred and Fifty-fourth Indiana Volunteers and he tells many a story of blood and battle. He was recounting some of his adventures to a reporter the other day.

"All my experience in the war and out of it," he said, "is most often uppermost in my thoughts. I had strained my hip in some manner but I thought I had got over it all right. About two years after that, however, when I was plowing for wheat I gave out again in that spot. Rheumatism set in and I had to quit work. I tried one thing after the other to get some relief from the pain but nothing that I took helped me at all and I became discouraged.

"The cords of my left leg were drawn so badly that I could not straighten it out at all, nor could I sit down. My hip and knee pained me and I suffered horribly. At times also I had nervous headache. After trying a number of things, my wife, Mrs. Fry, who had been cured of rheumatism by Dr. Williams' Pink Pills for Pale People, induced me to try that remedy. My case was a very stubborn one and I took five boxes of the pills before I felt any change, but I kept on and they certainly did wonders for me. The cords in my leg began to slacken and before long it limbered so that I could use it again and be able to sit down. My kidneys had been bad and the pills soon made them better, too. Dr. Williams' Pink Pills for Pale People are a grand, good medicine and I recommend them to all who suffer as I did."

The real cause of rheumatism is the presence of acid in the blood, which irritates the sensitive tissue that unites the joints and cover the muscles, thus causing those indescribable tortures which rheumatic sufferers endure. Years ago those afflicted were bled; as if taking away some of the impure blood could remedy the balance. This folly has been abandoned and today physicians prescribe and druggists recommend the use of Dr. Williams' Pink Pills for Pale People, as these marvelous vegetable pills go directly to the seat of the trouble, exerting a powerful influence in purifying and enriching the blood by eliminating poisonous elements and renewing health-giving force thus making a potent remedy for curing this disease.

Dr. Williams' Pink Pills for Pale People are an unfailing specific for all diseases arising from impoverished blood or shattered nerves. They cure not only rheumatism but locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, nervous headache, after-effects of grip, of fevers and of other acute diseases, palpitation of the heart, anaemia, pale and sallow complexions, and all forms of weakness. At all druggists, or direct from Dr. Williams' Medicine Co., Schenectady, N. Y., fifty cents per box; six boxes for two dollars and a half.
