The street cars were stalled nearly all the day. About nightfall, when snow was heaped about everywhere, the storm abated. Snow ceased falling, though there were traces of Boreas' presence in the keen, cutting winds that stirred themselves now and then.

Northern Roads Blocked.
While the snow ceased falling in the evening, the wind took on new energy, late in the night, with the result that the snow was drifted until all roads north of Carbondale were almost blocked. Train No. 4 on the Delaware and Hudson, due in Carbondale at 6.55, was over two hours late in leaving Nineveh and before this city was reached nearly as much more time was lost coming through the snow-covered mountains. It is feared that by this morning that traffic will be near a standstill.

The country roads leading to Carbondale are mountain high with snow in the cuts and drifts. Parties who drove from Waymart last night had to shove their way through snow drifts that were above the horses' heads. In the gap beyond the "falls," on the Crystal lake road, the wind whistled the snow along like gusts that swept a chimney on a wild night. These roads are sure to be blocked today.

THE CONTEST OF TODAY.

The End of a Big Political Battle Is at Hand—Republican Committee's Parting Admonition to Voters.
The biggest political battle fought in the history of Carbondale will be ended today when the voters will settle the contest with the most effective weapon in the hands of the American citizen—the ballot.

The blizzard of yesterday somewhat chilled the prospect of a big vote today. But the chances are that the voters, stirred by the importance of the contest, will brave any condition and seek the polls to cast their votes. The heaviest poll of both parties is looked for, but it can be expected that the Republican vote will be at its best, as the city committee has made arrangements to get out the biggest vote ever cast.

Parting Admonition to Republicans.

The city Republican committee yesterday gave the following parting admonition to Republicans:
To the Republican Voters:
Let no Republican be caught into throwing away his vote for Roberts. It will only justify the Republican's election.
The circular issued by the Municipal League is the work of Roberts, who is following his own horn. The Municipal League was organized by Roberts to further his election, and the principal in its organization were Herzog, Monahan and others who take so much interest in the city.

We do not want to elect a demagogue at this critical time, but a man with clear and cool judgment. Mr. Roemmler pledges himself to do all that can possibly be done to secure a municipal plant at lower rates, the law regarding the tax payers and water consumers can leave this question in the hands of Roemmler, if elected, with full confidence that he will do what is right.

Mistake in Printing Ballots.

An error was made in printing the ballots for the Fifth and Sixth wards. The ward officers were confused, and on the Fifth ward sheet there were no candidates' names for poor director. The candidates, in particular, were disappointed when the error was discovered, but it was remedied with new ballots by the county commissioners, through their attention was called to the confusing blunder.

"SAID PASHA" WELL SUNG.

The Columbia Opera company makes a good impression at the Grand. The Columbia Opera company opened a week's engagement very favorably at the Grand last evening, by singing with spirit and finish "Said Pasha," the opera with the Oriental suggestion and flavor.

The company, as a whole, is capable, while several of the cast claim good deal of merit and praise. Conspicuous among the latter is Charles N. Holmes, as Serrano, the Mexican tobeaman. He has an exceedingly sweet, agreeable tenor voice, with a manly and robust stage appearance to accentuate his worth.

Claude Amsden, the comedian, who has been heard and enjoyed by Carbondale audiences before, when he was with the Waite company, was very entertaining in Edward Gillman, as Nockey, he has a good foil for his fun making. John A. Devey was a vigorous Pasha, with an enjoyable droll and humorous side, and Miss Carlotta Ginn was quite attractive as Serena, the Pasha's daughter. Miss Gillman has a soprano voice of sweetness and power, which she can use intelligently, while she has a charm of manner that makes her work most acceptable. The choruses were well given and were a feature in rounding out an acceptable production. Between the acts, the time was pleasantly passed by the audience in watching dissolving views.

MILWAUKEE PEOPLE

Could Hardly Believe It. A Prominent Woman Saved From Death by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I suppose a large number of people who read of my remarkable cure will hardly believe it; had I not experienced it myself, I know that I should not.

MRS. SADIE E. KOCH.
"I suffered for months with troubles peculiar to women which gradually broke down my health and my very life. I was nearly insane with pain at times, and no human skill I consulted in Milwaukee could bring me relief.

"My attention was called to Lydia E. Pinkham's Vegetable Compound, and the second bottle an absolute cure. I could not believe it myself, and felt sure it was only temporary, but blessed fact, I have now been well for a year, enjoy the best of health, and can express my gratitude. Sincerely yours, SADIE E. KOCH, 124 10th St., Milwaukee, Wis.—\$5000 forfeit if above testimonial is not genuine.

Such unquestionable testimony proves the power of Lydia E. Pinkham's Vegetable Compound over diseases of women.

Women should remember that they are privileged to consult Mrs. Pinkham, at Lynn, Mass., about their illness, entirely free.

SLAKE CHARMING

Is not a popular occupation. Most women shrink from the sight of a snake and would faint at the touch of one. But these women run greater risks than men in slake charming. How many women allow disease to fasten on them and slowly crush out their strength.

Womanly diseases should never be allowed to determine the health. Female weakness, bearing down pains, inflammation, ulceration, headache, backache, nervousness, and other womanly ailments, are promptly and permanently cured by the use of Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well.

"I deem it my duty to express my deep, heartfelt gratitude to you for having been the means through the providence of restoring me to health." writes Mrs. Oscar Brown, of Daniel, Granville Co., N. C. "For two years I suffered with female weakness, headache, neuralgia in various parts of the system, and after using four bottles of Dr. Pierce's Favorite Prescription, three of his Golden Medical Discoveries, one trial of Pleasant Peppermint, also Lotion Tablets, and one box of Anodyne and Healing Suppositories, I am cured.

If you are led to the purchase of "Favorite Prescription" because of its remarkable cures of other women, do not accept a substitute.

The People's Common Sense Medical Adviser, a book containing 1008 pages, is given away. Send 21 one-cent stamps the expense of mailing only, for the book in paper covers, or 31 stamps for the volume bound in cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.

For the Little Ones

Be Careful in the use of Cough Medicines for Children's Coughs and Colds.

Many analyses of cheap cough mixtures and cough and throat lozenges have clearly proven that a large proportion of them contain opiates.

The temporary relief which these cheap medicines often give in coughs and colds, especially with the little children, is because the opiate, by destroying the nerve sensation, the irritation in the throat, which causes the cough, is temporarily removed, but the real cause of the cold is not in any way removed by the opiate and will promptly return.

The best thing to use to remove the catarrhal secretion which causes the cold, the hoarseness and irritating cough, is a new preparation composed of antiseptics like Eucalyptol, Red Gum of Eucalyptus tree, Blood Root, etc., under name of Stuart's Catarrh Tablets, which contain no opiate, cocaine or poisonous drug of any sort.

A mother living in Charleston, Mass., the happy possessor of four children, writes: "Every fall and winter I have laid in a stock of cough medicines, croup mixtures, and throat remedies, for my little children, for so slow or fother they never seemed to be free from colds, croup or sore throat.

"This fall I made a change in the usual program. I had myself been cured of an obstinate catarrh, from which I had suffered for years, by Stuart's Catarrh Tablets, and as they were pleasant to take I determined to try them with my children. Our family physician told me he knew them to be perfectly safe and nothing better could be taken. So I gave them to the children and have continued to do so ever since, whenever there is the least sign of croup or sore throat, and I no longer dread the approach of cold weather as I once did.

"Stuart's Catarrh Tablets not only cured me of chronic nasal and throat catarrh, but

they have saved me many an anxious night with my little ones."

Mr. A. R. Fernbank of Columbus, Ohio, says: "I suffered so many winters from Catarrh that I took it as a matter of course, and that nothing would cure it except a change of climate, which my business affairs would not permit me to take.

"My nostrils were almost always clogged up, and I had to breathe through the mouth, causing an inflamed, irritated throat. The thought of eating breakfast often nauseated me and the eating gradually getting into my stomach, took away my appetite and digestion.

"My druggist advised me to try a 50 cent box of Stuart's Catarrh Tablets, because he said he had so many customers who had been cured of catarrh by the use of these tablets, and he felt he could honestly recommend them. I took his advice and used several boxes with results that surprised and delighted me.

"I always keep a box of Stuart's Catarrh Tablets in the house and the whole family use them freely on the first appearance of a cough or cold in the head.

"With our children we think there is nothing so safe and reliable as Stuart's Catarrh Tablets to ward off croup and colds, and with older people I have known of cases where the hearing had been seriously impaired by chronic catarrh cured entirely by this new remedy."

People who have used sprays, inhalers, salves, and washes for catarrh and have found how useless they are, will be agreeably surprised at the results following the use of a pleasant internal remedy in tablet form. Druggists everywhere admit that Stuart's Tablets, which they sell at 50 cents per package, is the safest, most effective and popular of all catarrh remedies.
