PRINCE HENRY HAS ARRIVED

Representative of the Emperor of Germany Is Given a Warm Welcome.

FIGHTING BOB FIRST TO GRASP HIS HAND

Kronprinz Wilhelm Is Sighted at 9.40 Off Sandy Hook and Met by Admiral Evans in the Naval Tug Nina—The Passage Up the Bay Is Marked by Booming of Cannons and Blowing of Whistles—Prince Disembarks at Recreation Pier on West Thirty-fourth Street—Cavalry Troop and Heavy Force of Police Keep Back Crowds—Lunch on the Hohenzollern.

By Exclusive Wire from The Associated Press. New York, Feb. 23.—Prince Henry, of Prussia, representative of his brother, the emperor of Germany, at the launching of the latter's American built yacht, reached here today and was cordially welcomed as a guest of the nation. The land batteries that guard the outer harbor sounded the first greeting of a salute of 21 guns, the rifles of a special naval squadron assembled in his honor re-echoed the sentiment, there were verbal greetings from representatives of President Roosevelt, the army, the navy and the city of New York and a great crowd lined the way into the city to see and cheer the sailor prince of Germany.

The great storm against which the Kronprinz Wilhelm had struggled for days and which glared the Atlantic coast in an armor of ice had lost its force and resigned itself away to warm sunshine and cheery blue skies, so there were no regrets that the royal guest was a full day late for the entertainment provided for him. The genius of Marconi reaching out from the storm swept coast, had definitely located the belated liner and made certain the hour which she would reach Sandy Hook. There was a curtain of haze off the bay early this morning and it was after 9 o'clock before the genius of Marconi reaching out from the storm swept coast, had definitely located the belated liner and made certain the hour which she would reach Sandy Hook.

As he passed the big American flag floating over the fortifications he touched his cap in salute and the members of his suite did likewise. The flag at the masthead of the Kronprinz was dipped and the German naval band accompanying the prince played the Star Spangled Banner. The guns of Fort Wadsworth were not silent before these guests across the Narrows at Fort Hamilton beamed over their salute. When that ceremony was over the Kronprinz was stopped and the Nina hauled around to her portside and Admiral Evans and his staff boarded her. The passengers were gathered on the main deck and there was a hearty cheer as the admiral came up the gangway.

Admiral Evans was escorted forward at once and in the quarters of Captain A. Richter, master of the Kronprinz he and the prince met. The prince came forward and the hand of the naval officer shook it warmly. "I am very glad to see you, sir," said the admiral. "Everybody in the United States is waiting to welcome you. It is my pleasure, sir, to greet you formally in my behalf."

"I thank you, sir, and through you the people of your country," responded the prince. "I am very glad to be here and on this splendid day. The emperor directed me to convey from his compliments to you, admiral, and I do so with very great pleasure."

Admiral Evans expressed gratification at the thoughtfulness of the emperor. He presented the members of his staff and the prince gave each a hearty handshake and a cordial word. The newspaper correspondents who are to accompany the prince on his tour through the country, also were introduced by the admiral. The prince, who was in excellent spirits, smiled when he faced the newspaper writers and after the formal part of the presentation said that he was quite sure that their relations would be very happy.

Passing the Warships. After a brief halt the liner moved ahead and at 10.30 was abreast of the special squadron of Tompkinsville. The German standard was run to the foretop of the Kronprinz and its appearance gave signal to the American fleet to salute. The San Francisco, Cincinnati, Olympia, and Illinois lay in

perfect alignment in the order named and made an attractive picture with their crews manning aloft, turrets and tops. They raised the German naval standard and then opened blank fire. The prince stood at attention on the bridge and back of him were Admiral Evans and his staff and the men and the numerous suite of the German visitor. The prince and his staff were especially interested in the Illinois and Olympia and offered warm congratulations to the American admiral on the splendid appearance of his squadron. The prince said that he was very anxious to visit the squadron and that he would do this at his earliest moment. As the Kronprinz cleared Tompkinsville the fleet of small craft around her increased and they kept their whistles sounding. A crowded ferryboat joined the others and in response to the cheers which came from the shore, especially from the Illinois and Olympia, the prince waved his cap in salute. There was a rush to the side of the ferryboat that carried her over on a list that looked dangerous. When the Kronprinz came abreast of Governor's Island there was another salute and the prince again stood at attention until the last of the twenty-one guns was fired.

New York and its surroundings have rarely shown to greater advantage than today, the sunlight with the added brightness that came from the glistening coating of snow, and the royal visitor did not leave the bridge during the run up the bay. He said that he was at last gratifying an old ambition in visiting New York, and asked that the position be shown him and explained the geographical bearings. He knew the statue of liberty, Brooklyn bridge and the battery, and had heard the fame of the tall buildings. The latter towered high in the clear light, and the prince viewed them with keen interest as the Kronprinz swung into North river. The famed skyline that shows so well from the Jersey shore caught his attention and he watched it until a tooting tug claimed a salute.

Crowds at the Battery. The first of the large crowds was met at the battery, and from there on up to Recreation pier, where the largest crowd of all had gathered. Every pier which admission was not denied was partly filled. The number of river craft also increased and the welcome there was a noisy one. The crossing ferries sounded their whistles, and the ever-increasing fleet of tugboats kept up their noise. The big liners in port were dressed, and the German colors were displayed at several points along the harbor shores. The prince frequently went to the side and either saluted or waved his hand in acknowledgment to the Americans present.

The Sunday quiet of Berlin was broken today by the issuance of a newspaper extra on the arrival of the Kronprinz Wilhelm. This is a very unusual thing in German newspapers. The prince Henry gave a dinner tonight on board the imperial yacht, Hohenzollern. Among his guests were David Hill, assistant secretary of state; Rear Admiral Robley D. Evans, major General Henry C. Corbin, Colonel Theodore A. Bingham and Commander Cowles.

Emperor Hears of Arrival. Berlin, Feb. 23.—Emperor William received a cablegram from New York which at breakfast this morning informed him that the Kronprinz Wilhelm was nearing her port in fair weather and that his brother, Admiral Prince Henry of Prussia, was well.

Corbin, Colonel Theodore A. Bingham and Commander Cowles.

Washington, Feb. 23.—The following messages that have been passed between Prince Henry and President Roosevelt were made public tonight: On board Kronprinz Wilhelm, off Nantuxet Island, via Marconi station, Monday, Feb. 23. Hope state of health of Master Roosevelt favorably progressing with speedy recovery. Permit to congratulate you and American nation on today's commemoration of Washington's birthday. Sorry disappointed you so late arrival. Very heavy persistent easterly winds which make fast progress impossible even for this beautiful vessel. I look forward to meeting you personally tomorrow. Henry of Prussia.

The president replied: White House, Feb. 23. Prince Henry of Prussia, the Hohenzollern, New York city. Accept my heartiest greetings on your safe arrival. I thank you for your message. In the name of the American people, I will see you and I look forward to meeting you personally tomorrow. Theodore Roosevelt.

Prince Henry disembarked at 12.55 p. m. and the moment walking down the decorated gangway from the Kronprinz Wilhelm into the elaborately decorated pier. He then passed upon a sort of a landing down a flight of ornamental gangway and arch to the same plank of the German yacht which had been decorated in the German colors and was covered half its length. The prince was met at the foot of the gang plank by Admiral Von Baudissin, commander of the Hohenzollern and his officers. Meanwhile the band from the Kronprinz Wilhelm was playing the German national air.

MISS STONE IS AT STRUMITZA

The Captive Missionary and Her Companion Are Released at Last.

THEIR KIDNAPPING A POLITICAL MOVE

Mr. Spencer Eddy Says That the Brigands Who Imprisoned Miss Stone Were Prompted to Secure Money in Aid of the Macedonian Cause—The American Missionary Was Abducted Because It Was Believed That America Had More Money and Would Pay a Larger Ransom Than Any Other Nation.

By Exclusive Wire from The Associated Press. Constantinople, Feb. 24.—Miss Ella M. Stone, the American missionary, who, with Mme. Tsilka was captured by brigands in the district of Salonika, September 3 last, has been released and arrived at Strumitza, Macedonia, at 3 o'clock this morning.

Nobody was at Strumitza to meet Miss Stone as the brigands had given no indication where they proposed to release the prisoners. Mme. Tsilka and her baby were also released at the same time. They are all well. Miss Stone immediately made herself known to the authorities at Strumitza. The first news of Miss Stone's release was contained in a telegram received by Mr. Dickinson, the American consul general at Constantinople from the American consul at Salonika. The telegram gives no details of the release.

As Strumitza is near the Salonika-Uskub railroad Miss Stone will proceed to Salonika without delay. New York, Feb. 23.—Spencer Eddy, first secretary of the United States legation at Constantinople, who had charge of the negotiations for the release of Miss Ella M. Stone and Mrs. Tsilka arrived here today on the Kronprinz Wilhelm. In an interview he said the brigands captured an American rather than any other missionary because they believed the Americans had the most money and would be likely to pay the ransom.

"Did the brigands want the money for themselves?" Mr. Eddy was asked. "A Political Matter. "No, they did not, and that is where the people in America do not understand this case. It is entirely a political matter and all the people in Macedonia are in sympathy with the kidnapping, for they believe it is a step toward freeing Macedonia from Turkish rule, the same as Bulgaria has been, and the money they demanded (\$100,000) was intended for the Macedonian cause."

"We had been dealing with the professional brigands, who wanted money pure and simple, instead of the political ones, Miss Stone would have been released long ago. It is very likely that this capture was deliberate and for a long time ago the names selected were considered best to serve the cause, when compared with those of other nationalities."

"Do the Macedonians have any feeling of enmity toward the missionaries?" "No, they are rather friendly to them than otherwise. They desired to attract the attention of the world to their cause and incidentally to get some much-needed money. I have every reason to believe they have given Miss Stone and her companion the very best of treatment. When Mrs. Tsilka's baby was born she received the kindest of treatment, from all we can learn."

The Ransom Money. London, Feb. 24.—Wire from Constantinople the correspondent of the Daily Chronicle says he understands that owing to the necessity of protecting the innocent persons who assisted them, the American delegates will never divulge where and how the ransom money for the release of Miss Stone was paid.

The correspondent learns, however, that the use of filling the money bags with lead after the ransom had been paid, with a view of making it appear that the mission to pay the ransom had failed, was completely successful. It is practically certain that the ransom money goes to the Macedonian committee. Miss Stone, continues the correspondent, is completely innocent of any knowledge of the plot to kidnap her, but strong suspicions are entertained about some Bulgarian who accompanied her party, or remained behind.

Rapid Run to San Francisco. By Exclusive Wire from The Associated Press. Marshalltown, Iowa, Feb. 23.—Special train from New York to San Francisco, passed this city at 6.55 p. m., 35 minutes ahead of schedule. Prospects are that the Union Pacific will get the train into Denver at 11 a. m. tomorrow. Dr. Young Cremated. By Exclusive Wire from The Associated Press. Cincinnati, Feb. 23.—After the remains of Dr. Dudley Schuyler Young were interred today, it was learned that he had provided for the same to be taken to his old boyhood home in Montgomery county, New York, where his wife was buried, one-fourth to be sprinkled on her grave, one-fourth at his old home and one-fourth to be shot out of a gun at the old homestead.

BIG CAPTURE OF BOERS

National Scouts Take One Hundred and Sixty-four Prisoners.

By Exclusive Wire from The Associated Press. London, Feb. 23.—A dispatch from Lord Kitchener, dated Pretoria, February 21, says Colonel Paik, with three hundred mounted National Scouts, recently surprised a Boer force at Nooitgedacht, Transvaal colony, and captured 164 prisoners together with a quantity of munitions of war and a number of horses and wagons. There were no British casualties. The prisoners include Field Cornets Joubert and Delater and Lieutenant Viljoen.

COUNCIL AT MADRID.

Ministers in Session—Several Labor Societies Decline to Strike.

By Exclusive Wire from The Associated Press. Madrid, Feb. 23.—A council of ministers is in session here tonight to discuss means to maintain public order. The general situation is greatly improved. Several labor societies here have declined to join the strike. Official telegrams declare that order prevails everywhere in the provinces. More troops have been drafted to Barcelona, but it is hoped the worst of the troubles is now over. The strikers at Barcelona have demanded payment in full of their wages for the past week. The employers have refused these demands, except in a few cases where they were acceded to in the hope of conciliating the men.

TILLMAN-M'LAURIN FIGHT

Question of Punishment the Chief Topic of Conversation in Official Washington.

By Exclusive Wire from The Associated Press. Washington, Feb. 23.—The topic of chief interest in senatorial circles today, and, in fact, everywhere in official Washington, was the fight in the senate yesterday between Senators Tillman and McLaughlin (South Carolina). There have been a number of conferences among senators as to what should be done to preserve the dignity of the senate and to manifest its sentiment with reference to the two senators who violated its traditions. While no plan of procedure has been agreed upon, it is learned that there will be very deliberate action and it is said to be more than likely that it will be not less than 30 days before the South Carolina senators will be restored to their full powers as senators, this liberation on their case being in the nature of a punishment, since they will not be allowed to address the senate or vote until no longer in contempt of the senate.

Senator Burrows is chairman of the committee on privileges and elections and tonight he said that in advance of any meeting of the committee he cannot say what will be done, but he added that the matter is of such serious importance that it must receive careful consideration. It is understood the conferences among senators have shown the existence of a considerable sentiment that the apologies made by the South Carolina senators are not deemed sufficient and that the committee will require other and more ample apologies to be submitted to it in writing, with the assurance that such apologies will be made to the senate here as a report will be made to the effect that the senators have sufficiently purged themselves of the contempt, of which the senate has adjudged them guilty.

The whole matter is of punishment and in requiring sufficient apology. The conference developed the fact that the senators regard the matter with all the seriousness with which they dealt with it yesterday and that they intended to take such action as will prevent, if possible, similar episodes in the future. Neither Senators Tillman nor McLaughlin was disposed to enter into any discussion today regarding the happenings in the senate yesterday. Mr. Tillman, however, did say in reply to questions as to whether there had been any developments in the case that nothing had occurred. So far as his own purposes are concerned he is simply awaiting developments and will act in accordance with judgment as they unfold themselves.

M'GOVERN LOOMS UP.

The Whirlwind Again Eligible for Championship Honors.

By Exclusive Wire from The Associated Press. Louisville, Ky., Feb. 23.—Terry McGovern is again eligible for championship honors. After fifteen rounds of a game and thrilling fight was ever seen in this city. Terry was last night declared the winner over Dave Sullivan. The fight was not ended by a knockout, but it was plain to the spectators that Sullivan was knocked in the fifteenth round to avoid a third round which he had to fight. He was whipped by a standstill, and this knowledge is much as anything else concerning McGovern's prowess to give the fight to McGovern. It was all McGovern, except in the fourth and fifth rounds, for a time it looked as though Dave had Terry going. But in the sixth round McGovern pulled himself together, and from that time on it was all one-sided.

Washington's Birthday Service.

By Exclusive Wire from The Associated Press. New York, Feb. 23.—The annual service commemorating the birth of George Washington by the Sons of the Revolution of the state of New York was held this afternoon in St. Paul's chapel. DEATHS OF A DAY.

By Exclusive Wire from The Associated Press. Boston, Mass., Feb. 23.—William Emerson Richmond, of 25, was fatally known, "Billy" Emerson, the famous minister, died last night at Emerson's hotel on Elliot street, where he has lived for several months past. Death was due to a complication of diseases resulting in consumption. He was 95 years of age and a native of Belfast, Ireland.

FIRE-PROOF HOTEL CONFLAGRATION

CORTEZ CAPTURED. General Malavar's Lieutenant in Hands of the Military Authorities—Taken at Alpit.

By Exclusive Wire from The Associated Press. Manila, Feb. 23.—A force of native constabulary at Santa Cruz, province of Laguna, Luzon, has captured Cortez, second in command to the insurgent general, Malavar, and turned him over to the military authorities. Cortez was in fenced security in a suburb of Santa Cruz, known as Alpit, and was raising funds for the insurrection. A friendly native informant reported the capture of Cortez followed.

Large numbers of insurgents, who have been driven from Batangas and Laguna, have joined the Ladrone in the neighboring province of Cavite, where the native constabulary are hounding them from place to place. General Trias, the present governor of Cavite province, who formerly bitterly opposed the Americans in that district, has given proof of his true friendliness by using every effort to run down and capture the Cavite Ladrone. He is sending volunteer companies of bolomen to assist the constabulary to suppress disorder.

PROGRAMME OF THE WEEK IN CONGRESS

Senate Will Begin Voting on Philippine Tariff Bill Today—McKinley Memorial Exercises.

By Exclusive Wire from The Associated Press. Washington, Feb. 23.—In accordance with the agreement heretofore reached the senate will begin voting at 4 o'clock tomorrow on the Philippine tariff bill. All the time of the day's session previous to that hour will be devoted to brief speeches for and against the bill, the time to be divided between the supporters and the opponents of the bill. The opinion has been advanced that yesterday's episode between Senators Tillman and McLaughlin might have the effect of causing a postponement of a time for taking the vote, in order to permit senators to speak who have desired to do so, but there is no probability of any change of programme. The senate regards a unanimous consent agreement as very sacred, and never allows anything to interfere with it.

According to the present programme Prince Henry will be a witness of a part of the ceremony of taking the vote on the Philippine bill. The irrigation bill now holds the place of vantage on the senate calendar next to the Philippine bill, and probably will receive the attention of the senate after the Philippine bill is out of the way. There is, however, some impatience on the part of the ship subsidy bill over the present arrangement, and if the irrigation bill should consume a great deal of time there may be an effort to displace it.

RECOVERING FROM EFFECTS OF STORM

Railroad, Telegraphic and Telephone Communication Resumed in Many Storm-Bound Localities.

By Exclusive Wire from The Associated Press. New York, Feb. 23.—The telegraph and telephone companies are slowly recovering from the effects of the storm. Work was spent in restoring the crippled service and stringing new wires to replace the old ones which have been blown down in all directions. At noon Philadelphia was still cut off entirely from direct telegraphic and telephonic communication with this city. Baltimore was in the same fix with Philadelphia and Washington could be reached only by a long and circuitous route leading through the middle west, via Harrisburg and Philadelphia.

Quarantine, Sandy Hook, Eliz Island and many other points in the metropolitan area were again cut off from the metropolis and the companies hold out little hope for a remedy until tomorrow morning. The south could be reached only through the west. Wilkes-Barre, Pa., Feb. 23.—The Wyoming Valley is slowly recovering from the effects of the storm. Telegraphic communication with the outside world, which had been suspended since Friday evening was partially restored this evening. Traffic on the railroads is also in better shape. Passenger trains are making better time. The electric railways in this and surrounding towns were badly crippled for twenty-four hours, but all cars are now running on schedule time. There have been no casualties.

Nineteen Deaths Have Already Resulted from the Park Avenue Blaze.

A HOSTELRY WITHOUT FIRE ESCAPES

Over-confidence in Arrangements of the Building Caused Death and Disaster—Manager Charges That Thieves Started the Blaze—Robberies Reported—Disagreement About Warning—Nineteenth Victim Died Yesterday—A List of the Dead.

By Exclusive Wire from The Associated Press. New York, Feb. 23.—Sixteen persons who were guests at the Park avenue hotel lost their lives early yesterday morning, when the hotel was on fire, after flames had destroyed the 71st regiment armory. Nearly fifty other guests at the hotel were burned severely or hurt as they were escaping from their rooms, and many of them were sent to hospitals in the city. Many guests had narrow escapes from injury, and there were exciting rescues by firemen.

Blame for the hotel management was expressed yesterday because there were no fire escapes leading from upper story rooms to the fire court, because there were no rope escapes in the rooms of the guests and because there were not adequate appliances for extinguishing fires in the building. Some of the people who escaped from rooms in the hotel declared that no warning of the fire was sounded in the city. The guests, others said they were warned in time. All who were burned in the fire had dressed themselves in readiness for flight, but had delayed too long in their rooms. The spread of the fire in the hotel was caused to some extent by flames in the elevator shaft, and the manager of the hotel declared his belief that thieves had started a fire at the bottom of the shaft to create a panic in the hotel and cover robberies. That theory was supported in a measure by the fact that several rooms in the hotel were plundered during the excitement, and one man who was caught taking articles from a room was arrested and held for examination. An official investigation of the fire was ordered by district attorney, but police and fire officials believed that flames from the burning armory invaded the fire in the elevator shaft.

The loss by the fire in the armory was said to be less than \$10,000 and the damages to the hotel was said not to exceed \$50,000. List of the Dead. The following is a list of the other persons who lost their lives in the Park avenue hotel fire, or who died from injuries received in it which was completed late tonight: ACTON, NORMAN, died in Bellevue, lived in Chelsea, Springfield. BUEHDT, COL. CHARLES L., Hartford, Conn., commander of the First regiment, Connecticut volunteers, killed by fall in fire. BERNHARDT, WILLIAM A., 25 years old, of Chicago; killed in hotel. O'CONNELL, wife of CHARLES UNDERWOOD, died in New York hospital; was formerly sick in Syracuse, N. Y. ROBBINS, EX-CONGRESSMAN GASTON A., of Savannah, Ga. A., 70 years old; lived at hotel. POSTER, MRS. MALONE, known as the "Tomb Raider".

Nineteenth Victim.

Sophia Beach, 61 years old, a guest of the Park Avenue hotel, who was burned about the face and body Saturday morning, died in Bellevue hospital today, as the result of her injuries. This makes the nineteenth victim. All the other fire victims in the different hospitals will probably recover. The Rev. William Boardman, of Norwalk, Conn., who is suffering from burns about the face, hands and body, improved somewhat today. The body of the unidentified woman at the morgue was recognized today as that of his wife, Julia. Coroner Goldenkranz will begin his official inquiry into the loss of life at the hotel fire tomorrow. He has summoned a large number of guests. The ruins of the Seventy-first regiment armory and the scorched upper stories of the Park Avenue hotel were gazed at today by thousands of people. A single fire engine sent a stream of water on one spot of the armory ruins, where were stored 5,000 rounds of cartridges and a small quantity of powder. The heat of the fire did not explode this ammunition, for it was in a sub-cellar, packed in steel boxes.

WEATHER FORECAST.
