Common and Select Council Met in Separate and Joint Sessions-Bids for Fire Hose and Street Signs Accepted-Fabric Hose Company Secures Contract-Other Business. Select council held a special meeting last night. The following resolutions from common council were concurred

Granting the requisition of the Mitchell Hose company.

That the city treasurer be exonerated from taxes on the list for \$1,374.90 and also exonerated from the tax made on properties against which city sollcitor holds liens.

A communication was read from the Columbia Hose company asking that the carriage floor in the hose house be repaired. Referred to committee,

Mr. Davis introduced a resolution for the removal of fire hydrants from Ninth avenue and Church street to South Church street in front of Toby's residence and remove the hydrant now at Furrell's to the Getes property. A petition was presented asking for the changes. The resolution was referred to committee,

### Free Vaccination.

A communication was received from the board of health asking council to concur with theirs resolution to have a doctor vaccinate persons in the city who could not afford to have the work done. Thompson thought it was the duty of the poor board to attend to such a resolution. It was referred to judiciary and legislition committee. A letter was received from Attorney

A. L. Williams, of Wilkes-Barre, in which he stated that he had in his hands for collection a bill of \$90 contracted by the city with Prof. W. H. Deans for an examination of water during the water suit in court. Referred to finance committee,

Thompson offered a resolution that select meet common in joint session for the purpose of opening bids for 600 feet but the most interesting were the adof fire hose, for street signs and for fire | dresses by Frank S, Roemmelmeyer, the

## Common Council.

Common council was called to order at 8.15, Harry Masters being made

The city engineer who was present was asked to state what had been done with regard to the condition of the Fallbrook river at Brooklyn bridge, He stated that the committee had waited on the city solicitor and he advised them to leave the blockade alone for the present.

## Joint Session.

Mr. Kennedy was made chairman The representatives of the hose concerns were given the privilege of the floor and spoke on the merits of their hose. The bids were then opened for the furnishing of the city with 600 feet of hose. Three bids were received as follows: Eureka Hose company, 70 cents per foot; Carbondale Machine company, 60 cents per foot; Fabric Evans. At the other tables were H. E. Hose company, 80 and 70 cents,

The bids were then opened for street signs and were as follows: Jame Powderly, 37% and 41 cents per foot: L. B. Loveland, 19% cents; J. A. Hoole, 17 cents; W. J. Finch, 20 cents; F. Frank, 14 cents; A. E. Tiffany, 2414 cents; F. W. Mills, 18 cents.

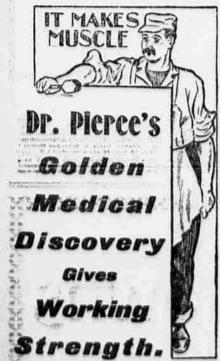

But one bid had been received for fire alarm key boxes, that of F. W. Mills for 25 cents. The blds were given to the various committees and they were ordered to report forthwith. They were in session for over twenty minutes. They recommended that all bids for fire alarm key boxes be rejected, and that they again be advertised for.
The bid of the Fabric Hose company was recommended to be adopted, and

their bid for 80 cents be accepted. The committee recommended that the be accepted. All the recommendations were adopted, with no dissenting votes. Powderly's bid was on aluminum signs and the others on board signs, The meeting then adjourned.

## MR. HUMPHREY AS HOST

Provides Delightful Entertainment for Republican Co-Workers.

Select Councilman-elect Duane W. Humphrey, of the Second ward, one of Carbondale's leading business men. and substantial citizens, was host last night at a dinner given at the Harrison house in appreciation of the work of the hustlers of the ward who made certain the glorious success of the Republicans in the Second ward, the closest ward in the city. The affair was a delightful one, divested of all formality and an occasion of renewal of fealty to Republican principles and of promises to work to duplicate the success of the

portunities offered themselves. enterprises. The menu which the din-
