HAPPY CHURCH EVENT OF BAPTIST SOCIETY

Dr. Whalen, the Pastor, Mrs. Whalen, the Board of Trustees and the Board of Deacons Give a Reception to the Members Received in the Church During Dr. Whalen's Pastorate—Features of the Evening.

There was a happy social event in the parlors of the Berean Baptist church, perhaps the happiest during the successful pastorate of Rev. Dr. Whalen. The event was a reception given to the members received into the church since Dr. Whalen came to Carbondale and gave his powerful influence to the work of the Berean congregation. The hosts of the evening were Dr. Whalen and Mrs. Whalen, the board of trustees and their wives and the board of deacons.

FOUND IT.

Coffee was Doing the Work in Good Style.

Members of the same family are affected differently by coffee drinking. One may feel the effect in a disordered stomach while another may have no trouble with the stomach so far as known, but have palpitation of the heart and finally organic heart disease, or perhaps in another the kidneys may become affected.

As an illustration, a family in Murphysboro, Ill., reports an experience. Mrs. Cole discovered that the sour stomach and nervous restlessness were caused by coffee drinking. Her mother suffered from nervousness when coffee was used, while the brother of the family became a wreck directly from coffee drinking.

Finally one of the physicians suggested that possibly coffee brought on some of the symptoms, so he was persuaded to give up coffee and begin the use of Postum Food Coffee. Then he began to recover, and day by day the old troubles left. Now he has gotten entirely well, has gained about 30 pounds and is the picture of health.

JERMYN AND MAYFIELD.

The funeral of Elmer Henwood, who died on Saturday night, took place yesterday afternoon. The high regard in which he was held by his companions was shown in the large attendance. At the church every seat was occupied, among the large contingent being the members of the Miners' and Laborers' Benevolent association of the Delaware and Hudson colliery. At 2 o'clock brief services were held at the house by Rev. M. D.
