PRINCE HENRY SAILS AWAY

He Leaves for Germany on Board the Hamburg-American Liner Deutschland.

OFFICIAL FAREWELL VISITS ARE MADE

The Prince Highly Pleased with His Reception—Feels That He Will Always Be at Home in New York.

Farewell Speeches by Admiral Evans and Others—The Hohenzollern Already on the Trackless Path Homeward Bound.

By Exclusive Wire from The Associated Press. Washington, March 11.—The following exchanges took place today between Prince Henry of Prussia, who sailed for Europe on the Deutschland, and President Roosevelt:

Hoboken, N. J., March 11, 1902. The President of the United States.

On this day of my departure, I beg to thank you personally, not as the representative of a nation, but as a man, for the kindness, consideration and good feeling I have met with during my visit to your interesting country.

New York, March 11.—Prince Henry, of Prussia, sailed for Germany on board the Hamburg-American liner Deutschland at 3.45 this afternoon.

The prince breakfasted early and about 10 o'clock began to receive official farewells from the representatives of Germany in this country and those of the United States government.

The prince breakfasted early and about 10 o'clock began to receive official farewells from the representatives of Germany in this country and those of the United States government.

The members of the party that accompanied the prince on his tour were his guests at luncheon. Covers were laid for twenty persons in the dining room of the steamship and music was furnished by the band from the Hohenzollern.

"This is the badge of that which I have been admiring during my entire trip to the United States—American beauty."

Immediately after the luncheon, at the prince's invitation the party went to the commander's bridge of the Deutschland and was there photographed.

An incident of the forenoon was the call of the committee of forty New York letter carriers representing the New York branch of the National Letter Carriers' association.

Shortly before the Deutschland sailed, the United Singing societies, of Hudson county, N. J., were heard on the dock of the Princess Victoria Louise, which lay alongside the Deutschland, and sang a number of selections.

Deutschland, with Captain Albers, and bowed his acknowledgment repeatedly. When the ship sailed, all approaches and the pier house were crowded.

The first cabin section of the Deutschland was packed all the afternoon with passengers and their friends, and in many cases women had to be rescued from the crush to see the prince.

The Deutschland sailed at 3.45. As she moved away from the pier, the cheering was continued. The prince appeared on the bridge and bowed. All down North river the passing tugs and craft of every description gave the great liner and her distinguished passenger a noisy send-off.

The prince's apartments on the Deutschland include the captain's cabin and three other adjoining rooms specially connected and prepared for the use of his royal highness. The social hall on the Deutschland is beautifully decorated with flowers, and there was a profusion of them in the prince's suite of rooms.

The imperial yacht Hohenzollern started on her homeward trip at 2.40 o'clock this afternoon. A crowd witnessed the departure of the ship at her pier and a cheer from the people was answered with a salute by whistles from the Hohenzollern.

The Hohenzollern is under orders to proceed to Bermuda where it makes its first stop.

REINFORCEMENTS FOR AFRICA

England to Embark 6,000 Yeomanry, with Cavalry and Infantry—Not Disheartened.

By Exclusive Wire from The Associated Press. London, March 11.—Expressions of steadfastness have today succeeded those of humiliation which universally were heard here yesterday.

Lord Rosebery struck the popular note today in a speech before the Glasgow students. He admitted that it is heart-breaking after all the expenditure of life, time and money, but, he added:

"It will not dishearten us. We have got to see this thing through. We must take the blows which fortune deals us with equanimity, showing ourselves worthy of better fortune."

The war secretary, Mr. Brodrick, when asked in the house of commons, today, what steps had been taken, in view of the success of the Boers against General Methuen, to send Lord Kitchener reinforcements, said 6,000 yeomanry would be immediately embarked, with large drafts of cavalry and infantry.

"I have said this to say to Prince Henry and my brothers of the German navy: We are glad you came and sorry you are going, and hope you will come again. It gives me great pleasure as a representative of the American navy to seize the hand of friendship you have so kindly extended across the Atlantic."

Major General Corbin said: "I have all enjoyed the trip and the memory of it will abide with me forever."

Two Hundred Dollars' Worth of Plunder in a Barn Loft. Stroudsburg, Pa., March 11.—A quantity of goods, valued at \$200, were found last evening under a pile of hay in the loft of A. Y. Zimmerman's barn, a wealthy farmer residing at North Water Gap.

It is believed the goods were stolen and placed there by burglars. The plunder does not belong to persons in this section. The goods are mostly fancy articles of fine quality and evidently came from a home that is luxuriously furnished.

Philadelphia Walking Match. Philadelphia, March 11.—Of the seventy pedestrians who started in the six-day walking club on the 26th, only half that number remained in the race at midnight.

DEALING WITH IRISH LEAGUE.

British Cabinet Discusses Plans. Nationalists Affect Indifference.

By Exclusive Wire from The Associated Press. London, March 11.—The cabinet met at noon today, Salisbury presiding. George Wyndham, chief secretary for Ireland, had come especially from Dublin to inform the ministers about conditions there.

The leading nationalists affect indifference regarding the government's action. They say that if the cabinet decides to suppress the United Irish league the government must carry the matter to a logical conclusion and establish all representative government in Ireland.

Thomas Wallace Russell, member of parliament for the southern division of Tyrone, has written a letter to the Times, in which he protests against the agitation to proclaim the United Irish league.

Mr. Russell says that all Ireland is absolutely without crime. He admits that boycotting is prevalent, but says it is done by general consent, against which the law is powerless.

WAR REVENUE REPEAL BILL. A Number of Amendments Were Adopted at Yesterday's Meeting.

By Exclusive Wire from The Associated Press. Washington, March 11.—The senate committee on finance did not complete the consideration of the war revenue repeal bill today. A number of amendments were adopted at today's meeting, but they deal almost entirely with the phraseology and the opinion is still expressed by members of the committee that the effect of the bill when reported from the committee will be the same as was intended by the house.

One of the amendments agreed upon by the committee changes the provision of the bill to reduce the tax on the bill passed the house took no cognizance of the reduction of 20 per cent. made in the tobacco tax in the last session of congress, the effect of which, it is believed by members of the finance committee, would be to reduce the tax to \$4.80 per hundred, whereas the intention was to place it at \$8, the ante-war rate.

PHILIPPINES LEGISLATION. Cabinet Discusses Necessity of Preserving Open Door Policy.

By Exclusive Wire from The Associated Press. Washington, March 11.—The cabinet discussed at length today the Philippines legislation, and the necessity of preserving "open door" features of our policy in the Philippines, exactly as this government expects to have them preserved in China and through the East.

The Cuban tariff situation was also discussed. It is understood that the cabinet is to secure reciprocity with an administration measure; that President Roosevelt is carrying it out in pursuance not merely of the policy but of the promise of President McKinley, and with the most heartfelt belief in it, as being merely a matter of administration, the policy of which it is continuing, is pledged to the relief of Cuba.

FEAR ANOTHER DISASTER. Anxiety Caused by Lack of News from Grenfell's Column.

By Exclusive Wire from The Associated Press. London, March 11.—The reports from the column that the defeat of General Methuen was followed up by another fight, also favorable to the Boers, occasion some anxiety, owing to the absence of news from General Grenfell's column of 1,200 men, which left Kimberley to join General Methuen. It is thought that possibly General de la Rey may have attacked Grenfell.
