NEW CUBAN THEORY IS

ADVANCED

Concluded from Page 1.

He charged that the bill would foster monopolies, and that already J. P. Morgan and his associates were forming a syndicate for the control of the shipping on the Atlantic He insisted that if it were legal to pay subsidies to the shipping interests, i would be legal to pay them to the rais ers of horses and mules, which, as welas auxiliary cruisers, were employed in

He became engaged in a sharp col loguy with Mr. Hanna, of Ohio, who maintained that the ships acquired by Mr. Morgan from foreign countries Total Production of Bessemer Ingots could not participate in the subsidies provided by the pending measure. Mr. Berry declared that Mr. Morgan and Mr. Griscom (president of the Philadelphia March 12 - The Ameri-American line) and their associates an Iron and Steel association has re-

would be the beneficaries of the pend ing bill. If Mr. Morgan and his associates desired to obtain American reg of bessemer steel ingots and castings ister for their foreign built ships, he in the United States in 1901; also of had no doubt of their ability to conthe production of bessemer steel rails vince the majority in congress that it by the producers of bessemer steel in- would be right to give the vessels gots. The ingot statistics include a American register. few thousand tons of Bessemer steel Mr. Hanna, continuing, said that Mr. Berry had urged that the power and

influence of Mr. Morgan and his assoclates would be brought to bear or congress to secure the admission of their foreign built ships to American register. That was gratuitous. If it vere true, this bill would offer little inducement to those owners, as by having their vessels brought under American register they could particlpate in the very profitable coastwise trade.

In conclusion, Mr. Hanna said: "The senators on this side of the chamber are actuated by just and high motives and they are just as patriotic as the senator from Arkansas." Mr. Perkins, of California, and a nember of the commerce committee, delivered a carefully prepared speech in support of the bill, maintaining that

it would add to the prosperity of the entire country.

Mr. Penrose favorably reported the Chinese exclusion bill, and it was placed on the calendar.
