Child Wandered Away.

A little two and one-half year old child of Mr. and Mrs. S. T. Melvin, of 107 Lackawanna avenue, wandered away from home yesterday afternoon and was found near the westerly end of the Lackawanna avenue bridge. A boy took her to the Hook and Ladder touse, and the men there notified Day Officer Malott, who brought the little girl to the station house.

It was then 4 o'clock and when the child tired of the playthings and sweet meats given her by the kindly and tender-hearted patrolman, she fell isleep, and did not awake until 8 o'clock, when the father appeared and

carried her home again. It was the same old story of a lost child, found, cared for, and returned safely home. How easy it is to restire them to their parents if the finder will but take them to the station houses and the parents but notify the police.
