THE GAYETY OF THE SOCIAL WHIRL.

The D. M. I. Holds a Successful Dance in the Burke Building.

The D. M. I. dance, which had been eagerly anticipated among the young people of the town, was quite an event last night. The successful affair was conducted in the Burke building, and was a source of great enjoyment and pleasure to a number of hundred young folks, who are conspicuous in the town's social life. Many of the guests of the D. M. I. were from out of the city, and the pleasure which they enjoyed impressed on them the true hospitality of their hostesses. The dance room from 9 o'clock until the "good night" waltz was a moving picture of pretty-robed maidens and their escorts, whose enjoyment of the evening was the highest. Firth provided the latest dance music, the three and four-step movements meeting with the highest approval. The ever-popular waltz was also well patronized. This was the first dance at which the D. M. I. entertained, and it was voted a decided success by all the young people, who were generous in the acknowledgments of the hostesses' hospitality. Among those from out of town were Miss Dora Tennis, Emma Moon, Ida Giles, Rachel Griffiths, Annie Griffiths, Bessie Freas, Mary Swick, and Messrs. Edward Giles, Arthur Piser, William Hiller, William Young, Harry Griggs, Murten Wheeler, Claude Stocker, Robert Freas, Ralph Rymer, Lewis Piser, of Jermyn; Miss Cris Byrnes, of Green Ridge; F. M. Gardner, esp., of Forest City; Bessie Calloway, of Archbald; Margaret Maxwell, of Jermyn.

LODGE INSPECTED.

Important Event of the Year in Ladies' Auxiliary, Brotherhood of Locomotive Engineers. The most important event of the year in the Ladies' Auxiliary, Brotherhood of Locomotive Engineers, took place yesterday in Cambrian hall, on South Church street, when the annual inspection took place. Coupled with the inspection was the installation of officers, which gave an interest to the day's proceedings which will be a topic of discussion for some time. The lodge was honored by the visit of Mrs. John Gahagan, of Wilkes-Barre, who is a representative of the Grand lodge. Mrs. Gahagan also discharged the duties of inspecting officer, and in a manner that was edifying and instructive. There were also present a number of visitors from the auxiliary at Wilkes-Barre. The visitors, beside the inspecting officer, found much to impress them, in the standing of affairs of the Carbondale auxiliary, of which they were proud to be a part. The inspecting officer, it is needless to say, will be able to make a splendid report of matters in the local auxiliary. The installation ceremonies were beautifully impressive. Those who were inducted into office were: President, Mrs. G. H. Dimock; vice-president, Mrs. S. S. Grattan; secretary, Mrs. M. Meyers; treasurer, Mrs. O. E. Histed; chaplain, Mrs. W. Hyatt; insurance secretary, Mrs. G. H. Dimock; guard, Mrs. Frank Ball.

FOOD CURE.

The True Way to Get Well. The tales told of how food will make people well are nearly always interesting. A young lady in Cleveland, O., says: "I had an attack of nervous prostration and finally had to give up and go to bed. Did not know what was the matter with me. My physician told me that I should take a trip, find a favorite auntie, who was at that time a visitor at my home, and urge her to return with her. The doctor said it might get out of bed in a few days, and so, although I was still very weak, I made the journey, which was a short one, to Cleveland. There I gave out again and had neuralgia badly in addition to my other nervous troubles. While in this condition I was urged to change my food and try Grape-Nuts. I had tried Grape-Nuts at home but did not like them because I did not use them right, having put hot water on them, but under the advice of a friend I started in on Grape-Nuts and cream or very rich milk. That was a different story and I enjoyed the food greatly. After ten days I began to get strong and in about six weeks I returned home. Some of my friends remarked on my improved appearance, and vigor and strength I had regained paid me well for my food experiment. In addition to strength of body I noticed a remarkable improvement in my mental strength. It was a pleasure to me to read and think and great big worries that would have put me to bed in my former condition slipped off as easily without oppressing me at all. The Jagot supper given under the auspices of the Ladies' Aid society of the Congregational church in Windsor hall last evening was, as anticipated, a great success. In fact its success both socially and financially exceeded expectation. Miss Powderly is a native of Carbondale, whose parents were among the very pioneers, not of Carbondale alone, but of this valley. Her departure, therefore, from the place of her birth will be keenly regretted by a wide circle of friends, who are united to Miss Powderly by the strongest bonds of friendship. She will be especially missed by her sisters in the Ladies' Catholic Benevolent association, among whom she had a strong influence. The bridge over the Fallbrook creek, where it crosses the Scott street, which has had its abutments nearly swept away, leaving the bridge half supported and in a dangerous condition. City Engineer Kupp is arranging for the necessary repairs. The bridge is comparatively new, having been built within a year. The abutments, however, are somewhat ancient, having stood for nearly twenty years. The flooding of the creek bed and the later releasing of the frost in the earth, caused the bridge foundation to give way. It will cost about \$75 to cover the repairs. Former Carbondalian to Wed. The Quickest Cough Eradicator. (From the Sherrillville, N. Y., Enterprise.) This is the month that one takes cold so easily and quickly—secures that "backing" cough, which is so persistently disagreeable as we know by personal experience. And we also know that the quickest eradicator of such cough has been Chamberlain's Cough Remedy, and which has been our staunch standby for several years. This is no "puff" but a merely a just recognition of an invaluable remedy for coughs, colds, and all lung affections, and like the Editor, it has scores of other staunch friends in this town. This Remedy is for sale by all druggists.
