Weak, nervous, the digestion out of order-that is what alls a host of people. It comes about in this way: First from overwork or other causes, the nerves are burdened beyond endurance, nerve waste is not replaced, nerve force is weakened, then the stomach ses its nerve-controlling power and indigestion follows, with failing strength. When first Dr. A. W. Chase's Nerve Pills came to Scranton people could hardly be convinced that this great medicine would remove these troubles. Now it is an accepted fact, because of their cure of very stubborn cases no other medicine would influ-

THE MARKETS

Wall Street Review.

New York, March 21.—Today'a stock market was still highly professional and, there was abnormal activity in stocks which are usually not a figure in the trading. Considerably more attention, however, was given to the representative stocks in the list which are quite generally higher as a result of the day's trading. In most instances the gains are merely fractional but in such stocks as St. Paul, Louisville and Nashville, illinois Central and St. Louis and San Francisco there are substantial net gains recorded. Rock Island moved rapidly upwards in the last hour to 180, a not rise of 7½. Sugar was inclined to be heavy during the carly desirings but became very strong towards the close, rising more than 5, points over last night and closing with a net gain of 2%. Amalgamated Copper was heavy all day on a rather smaller volume of dealings than lately but a late recovery left it only a fraction lower on the day. The speculation in Colorado Fuel continued very active and feverish, the price rising at one time 1% over last night and thorism Colorado Fuel continued very active and feverish, the price rising at one time 1% over last night and then falling 1% under. The change on the day was a fractional net loss. Tennessee Coal and Hocking Coal were affected in sympathy. The inertia of the United States Seel stocks was undisturbed. Conspicuous new candidates for buying demand amongst the less prominent stocks were the Manapolis. St. Paul and Sault Sie Marie stocks, the Rubber Goods stocks and American Telephone and Telegraph.
