The amount received last year, from schools for the deaf in U. S. A., was nearly \$1,000 (Mex.) and Great Britain was only a little behind. Friends in China, who had seen the school, supplemented these sums to the amount of \$660 (Mex.) and over \$100 (Mex.) was earned by the native as- sistant and the deaf boys, who printed and toned photographs to sell. The school, however, has grown faster than its income and in spite of all, closed the year with a deficit of \$600 (Mex.), which is two-thirds of the value of the	SPTUATION WANTED-By an American boy, can read and write Polish. C., 535 Monroe avenue, Scranton. steady and with its debts paid off, it can do an excellent work, as it is the only school for the deaf in China, who number an estimated population of 400,000. It is interesting to know that applications have been made for deaf children in Shanghai, who could not be received for lack of room and funds. avenue Mrs. Mills is in Shanghai with one of her pupils, and considerable interest is

being awakened among the generous hearted people of our city. The story of how she became interested in the deaf, and was led to work for them in China, is very interesting as she tells it, and her method of teaching is sug-

pestive of better work for primary schools for hearing children. We expect to hear more of this in the future
